A BRIEF BIOGRAPHY OF OUR GRAND MASTER

David Crowe Bradley was born in Blackburn, Lancashire, England. He received his early education at Clitheroe Royal Grammar School and Dover College, in England. Before he could proceed to university to study medicine, which was his father's profession, World War II intervened. He had been commissioned in 1937 in a reserve battalion of The East Lancashire Regiment. When his Regiment was mobilized in 1939, 2nd Lieutenant Bradley began a seven year period of Active Service which took him to India and to operations as an Infantry Officer in the Burmese jungle. Later service included appointments as a General Staff Officer and as an Intelligence Officer. Following demobilization in 1946, he was awarded the coveted Territorial Decoration.

Upon moving to Canada and taking up residence in Toronto, he resumed his interrupted formal education by studying political science at York University, Toronto, and also by undertaking off-campus courses in business administration at Queen's University, Kingston. He graduated from York University with a B.A. degree. Following several positions in the financial management of companies related to dredging and wharf construction, he was appointed Director and Corporate Secretary of a conglomerate having extensive holdings in manufacturing, construction and management consulting services. Another important position in his business career was that of Assistant to the General Manager of the University of Toronto Clinic at Sunnybrook Hospital, Toronto. At the time of his retirement, he was elected to Life Membership in the Medical Group Management International Association.

M.W. Bro. Bradley was Initiated in Queen City Lodge No. 552, in 1954. Upon moving to Aurora in 1959, he affiliated with Rising Sun Lodge No. 129. In 1962, after returning to Toronto, he affiliated with Doric Lodge No. 316, becoming Worshipful Master in 1968. He served, during 1973-74, as the District Deputy Grand Master of Toronto District 3 and first became a member of the Board of General Purposes of the Grand Lodge of Canada in the Province of Ontario in 1980. He was a member of the Advisory Committee of the Board from 1984 to 1987, serving as Chairman during the last year. As a member of the Committee on Masonic Education from 1980, he undertook a wide variety of duties. Among these

were Curriculum Chairman for the Correspondence Course offered by Grand Lodge and Editor of the Newsletter, 1981-87. In addition, he was Chairman of the Committee on Annual Seminars from 1982 to 1984 and was Chairman of the Blood Donors' Committee in 1985. He was elected Deputy Grand Master in 1987.

He is a member of St. Andrew and St. John Chapter (Royal Arch Masons); Cyrene Preceptory (Sovereign Great Priory of Canada); and of Holy Trinity Conclave (Red Cross of Constantine), all of Toronto. He is a member of the Toronto Lodge of Perfection and of the Toronto Sovereign Chapter of Rose Croix of the Scottish Rite and was the Grand Secretary and Registrar of the Valley of Toronto. He affiliated with the Barrie Lodge of Perfection and with Spry Chapter of Rose Croix, Barrie. Also, he is a member of Moore Sovereign Consistory and of the Royal Order of Scotland, both of Hamilton. He was coroneted, in 1984, an Honorary Inspector-General 33°, becoming a member of the Supreme Council for Canada of the Ancient and Accepted Scottish Rite of Freemasonry.

Our Grand Master has long been interested in historical research related to Freemasonry. He is a charter member of Heritage Lodge No. 730, and served as Worshipful Master in 1983. Other research-related Masonic Bodies to which he belongs are: the Correspondence Circle of Quatuor Coronati Lodge No. 2076, E.C., London, England; Victoria Lodge of Education and Research, Victoria, B.C.; Leicester Lodge of Research, Leicester, England; and Chater-Cosmo Research Lodge, Hong Kong.

M.W. Bro. Bradley and his wife, the former Evelyn Hayhurst, have one daughter, Diane. She holds, from the University of Toronto, the degree of Bachelor of Arts (in Archaeology and Anthropology) and also a Master's Degree in Business Administration. She plans to follow in her father's footsteps in the field of administration. Bro. Bradley has travelled widely in Canada and Great Britain, as well as in Continental Europe, Asia, Africa, Australia, the United States and the Pacific Islands. Besides travel, his other hobbies and interests are photography, books and sports, including participation in cricket, soccer, rugby, field hockey, swimming and wrestling. He and his family are members of St. Clements Anglican Church, Toronto.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

This Grand Master's Address is a reflection and record of the activities that have transpired in the preceding twelve months in this great jurisdiction of Ontario.

Last year we were pleased to announce that we had a positive statistical report on our membership. We again show another progressive year. These statistics are possible because of a unified cooperative effort by hundreds of interested Masons. The restructuring of the entire Grand Lodge committee organization has produced phenomenal results. The participation of Masons at the Grand Lodge, District and Lodge level has accelerated tremendously and there is an effervescence of Masonic spirit that has become infectious. There is an excitement in a renewed interest in Masonry, a rebirth of enthusiasm and motivation that has been projected toward and engulfed by the active membership. There has most emphatically been a rekindling of Masonic fire in every corner of the jurisdiction from Chapleau and Cochrane in the north to Pelee Island and Toronto in the south, from Kenora in the west to Vankleek Hill and Ottawa in the east. Am I proud to be a Mason? You bet I am! Are we progressive? You bet we are! Will we surmount the socioeconomic obstacles that arise as we enter the twenty-first century? Of course we will! Of that I am highly optimistic. We are here to stay because we have a product that has no parallel. The tenets and principles of Masonry have so much vitality to offer to society, to our respective communities and to all Masons.

Many enter office with fear and trepidation, others with great expectations, high hopes, ethereal dreams, left and right wing ideologies and magnificently structured programmes to enlighten everyone and change the face of creation. Ofttimes they leave office complaining that time has run out before they had ample opportunity to fulfil those dreams and complete their programmes.

I leave this honourable and ancient office of Grand Master totally at peace, satisfied that within our existing administrative and organizational structure great strides and tremendous advancements have been accomplished. Boundless energy has been consumed and the creative thinkers have had golden opportunities to set forth their recommendations and implement their agendas for the betterment of Freemasonry. The progressive thinkers have stated their views and we have acted upon the wishes of the majority membership. I am totally prepared to leave office as I was prepared to accept office. There is no remorse, no sadness, no goals unaccomplished, for there is a time for all seasons.

The harvest has been bountiful and fresh ideas, new catalytic seeds for future growth have been planted for tomorrow's Masons. How these recommendations, thought processes, ideologies will be cultivated remains in the unpredictable, unknown but inevitable future.

We know Masonry will be there to accept a responsible role in the destiny of moulding a strengthened moral and honourable society. Surely there is no one in this assembly naive enough to believe that our progress has had a singular purpose or that it evolved from only a handful of devoted and loyal Masons. Today and tomorrow, please listen attentively to the Grand Lodge reports being tendered. There you will find recorded the methodologies, the deliberations, the hard and tireless efforts and exhausting work of many who made all these advancements possible.

Words fail to express the accolades and commendations so deserved by all these brethren who have been placed in the executive leadership roles and a grateful vote of thanks and energetic applause should be noted for those other Masons who have accepted the torch and now run the race to the finish. There is an unwritten rule that specific names should not be mentioned in any address for Masonic labours performed and for the expectations of continued labour in the future. The Masons of today know who you are and the Masons of tomorrow will most assuredly benefit from your efforts. Permit me one or two exceptions to this rule.

The office of Grand Secretary is an arduous challenge. This Mason must wear many hats, oftentimes with extreme diplomacy and understanding. Successive Grand Masters approach their stations each with their own flamboyant personalities and characteristics, each with determination and exuberance. Constraining his own thoughts, the Grand Secretary permits each Grand Master to perform his duties individually and particularly and only offers his sage counsel and only delivers the benefits of his perennial experience at the proper time and within a modified framework of decorum. These golden attributes are seldom accumulated within one man, yet this Grand Lodge proudly acclaim to have such a Mason as Grand Secretary. He is respected and admired for his prowess and intellect not only in the jurisdiction of Ontario but in every corner of North America and several corners of the Masonic world. On behalf of all Ontario Masons, thank you, M.W. Bro. R. E. Davies, Grand Secretary.

Again, I pay deserved tribute to our Past Grand Masters. They have retired from active committee chairmanships and accepted the most important roles of counsellors and advisors. There have been countless times when this Grand Master has requested and received benefit from their expertise. Further, the quietude and reassuring moral support, whether by letters, at meetings or at Grand Master's Receptions, will always be remembered and appreciated.

NECROLOGY

In the final stanza of "*The Walkers in the Snow*" . . .

*For I saw by the sickly moonlight
As I followed bending low
That the walking of the stranger
Left no footmarks on the snow.*

by Charles Dawson Shanly

Second by second the hands of time advance. We are born, we live, we perform our allotted tasks, and we die. I am biased in believing that all Masons have lived an enriched life and contributed much to the enrichment of others. This year we mourn the loss of 2,416 Masons who have passed on to the Grand Lodge Above and a tribute will be delivered by our Grand Chaplain.

Permit me to comment on three fine friends and dedicated Masons who died this past year.

R.W. Bro. Robert Colledge died February 28, 1989. Bro. Colledge emigrated to Canada in 1922 from County Durham, England, and settled in the Windsor area. He was a member of Border Cities Lodge No. 554, and District Deputy Grand Master of Windsor District in 1965. He was appointed to the Grand Lodge Board of General Purposes in 1972 and served with distinction until 1984. He held exalted positions in several concordant and appendant Orders of Freemasonry. He was coroneted 33° in 1972. He was an Anglican by faith, a life-long employee of the Canadian Pacific Railway, a lover of nature, the outdoors, and an ardent fisherman. Bro. Colledge is survived by his wife Tan. They were married for 49 years. We miss his congenial and pleasant personality, we remember his loyalty and devotion to Freemasonry and we shall always cherish his memory.

R.W. Bro. Gwilym Ivor Davies died January 4, 1989, in his 85th year. He was a member of Burlington Lodge No. 165, Grand Senior Warden 1969, and served on the Grand Lodge Board of General Purposes from 1969 to 1973. He was a Royal Arch Mason and a member of the Scottish Rite. We silently and respectfully salute him for his several contributions to our beloved Craft.

R.W. Bro. Alexander Grant, elected Grand Senior Warden, July 1988, was suddenly called to the Grand Lodge Above while sitting in the Chair of King Solomon during the evening of October 17, 1988, at St. James Lodge

No. 73, St. Mary's. Bro. Grant had not been in excellent health for some time yet he maintained an extremely heavy schedule in Masonic activities. He was an officer in many concordant bodies, and was the recipient of the prestigious York Cross of Honour.

He was Senior Labour Relations Officer with Ontario Hydro. Together with his wife and family, we mourn his loss. The hundreds who attended his Masonic Memorial Service were testimony of the love and esteem held for R.W. Bro. Alexander Grant.

WELCOME

Today we witness a gathering of several thousand Masons assembled for one purpose, to promulgate the basic teachings of Freemasonry, to foster moral instruction and social intercourse and, in this process, by being happy and communicating this happiness to others.

The common thread that is woven into the fabric of Masonry is friendship. Sitting beside you is probably your closest Masonic friend. I feel the warm presence of my international Masonic friends beside me on this dais, and I sincerely greet and thank each one of them for sharing in this our 134th Annual Communication of Grand Lodge. We trust you will glean pleasure and profit from our deliberations. Toronto is a beautiful, clean, interesting and safe metropolis. Please enjoy this small corner of our great country, CANADA. We welcome you today and I take pride in presenting my fellow Ontario Masons to you.

GRAND MASTER'S BANQUET

Wednesday, July 19, 1989

We are fortunate to have many outstanding Masons in this Grand Jurisdiction. Only by the grace of Freemasonry did I discover the talent, wisdom, intellect and good humour of one of these notable members - R.W. Bro. R. Cerwyn Davies, Grand Chaplain 1988 - a Welshman by birth, a minister of the cloth by love and labour, and a Canadian by choice. It will be our pleasure to share with you Bro. Cerwyn Davies this evening as our guest speaker.

And now permit me to account **THE WORK OF YESTERDAY ■ THOUGHTS FOR TODAY ■ AND THE HOPE AND ASPIRATIONS OF TOMORROW.**

Masonry is a fantastic organization, but not without problems and pressures. Problems and pressures do not come to stay. They come to pass. They are temporary, transitory and, like many irritations and vexations which we all have experienced, will evaporate when we realize that our internal resources are much stronger than the external pressures.

If we had problems and pressures at Grand Lodge, they were confronted head-on, discussed, deliberated upon, then eradicated, and here are some of the outstanding results during my stewardship as your Grand Master for the year 1988-89.

This year we have suppressed, undermined and discouraged lethargy, complacency and apathy and replaced these blights on Masonry, these irritating sores, with enthusiasm, motivation and progressiveness. The results have been enlightening and gratifying. Many of our labours will be reported in detail by others today, therefore, I will only list the several complementary conclusions.

- The entire committee structure of this Grand Lodge was re-organized and an extensive agenda was proffered to each new chairman for action, and we have all seen and benefited from this co-operative and participating ACTION.
- Computerization of our Grand Lodge is now a reality.
- Presentations of Grand Lodge Workshops for 17 selected geographical areas, involving 12 locations, provided excellent information to the lodges.
- Lodge enhancement programmes were encouraged, promoted and rewarded for each of the 652 lodges housed in 380 lodge buildings. Extensive improvements were made to both the internal and external appearances of lodges in Ontario, including beautifying our landscaping. This has improved our community image, fostered improved public relations and magnified our public image. Our Grand Lodge Memorial Building in Hamilton was an example! We must encourage superb Masonic real estate to foster interest and excitement in prospective candidates and provide improvements and comfort for our members.

In the Field of Communication:

(a) The lodge monthly summonses have improved dramatically. We are now seeing a transition from blue print on white paper to eye-catching and interesting coloured pastels on both the paper and the envelopes. The number 10 envelope is almost the exclusive size used by lodges today - a practical and sensible transformation.

The information, cross-pollination of ideas and remarkable advancement noted in all areas of communication will most assuredly promote increased attendance and instill concrete feelings of pride in the membership. Masonic Newsletters with expanded, interesting information on the state of Masonry, the welfare of its members and the social aspects of families, friends, the community and the lodge are now surfacing at an alarming and pleasant rate. We congratulate the several talented editors responsible.

(b) We have a new Masonic text edited by our Deputy Grand Master, **The Masonic Manual**. This text has been a labour of love by several contributors. It has been two years in the making. It is a cross-referenced, indexed book of knowledge for all Masons. Copies have been gifted to all our distinguished guests attending our Grand Lodge this year. I urge each of you to purchase a copy for your own pleasure and leisurely reading enjoyment - a valued addition for your own Masonic Home Library.

(c) The June 1989, and final, issue of this Grand Master's Eye Opener has just been released. It is my hope that you have gleaned and profited by the recording of the exceptional performances by progressive lodges and innovative hardwood Masons across the province. These publications have been distributed by the D.D.G.M.s to each lodge.

Revised, updated and ready for print are the following publications:

- ▶ Memorial Service Booklet
- ▶ Booklets 0, 1, 2 and 3
- ▶ Guidelines for the Committee of Inquiry
- We have doubled the size of our semiannual **Bulletin**. This Grand Lodge publication is sent to all 93,000 plus members. Pictures are now included in this publication.
- We have a proper solicitation pamphlet titled "**The Guidelines on Discussing Membership in Masonry.**"
- The Grand Lodge subsidized advertisement for local newspapers continues in use, and is a professional production designed to enlighten the public.
- A new Grand Lodge pamphlet to encourage Masonic reading was produced by the Library Committee.
- There has been a dramatic increase in subscribers to the fantastic Masonic Education Newsletter. Congratulations, Editor R.W. Bro. Robert Barnett.
- The new standard logo, camera-ready art graphics, is now used by 95% of all Ontario lodges. It is prevalent on all Masonic communications, jewellery, newspaper advertisements, banners, place mats and greeting cards, etc. It is my dream that this logo will be promoted across Canada, the United States and all corners of the Masonic world. The most recent promoter has been the Grand Lodge of Quebec in their publication *Le Journal*. Several other jurisdictions in the United States and Canada are using this identical logo. We will become more prominent and more highly visible in our respective communities and strengthened only when we unite in our efforts.

- 63 lodges have purchased the new standard, Grand Lodge subsidized, approved Masonic lodge sign. 16 applications to purchase are pending. (See Appendix IV of this Address)
- Redistribution of several large districts has been approved in principle. Several others are being consulted and negotiated. Some districts have been renamed for easier recognition. Emotional trivialities must be curtailed and intelligent considerations must be realistically approached to reduce the larger districts to smaller workable components to enable volunteer leadership to excel for the benefit and successful promotion of Masonry for all Masons.
- The transition to universal June Installations has been harassed by traditional sentiment. However, those with business expertise and futuristic acumen and foresight realize this Grand Jurisdiction must be synchronized with fiscal year ends, personnel and installation dates. We must enter the twenty-first century equipped to coincide with modern ideas and technology. In 1987, 261 lodges installed in June. By July 1989, 320 now install in June, or in an approximate month. I thank each of these lodges that have changed, and I thank them for their creative and progressive thinking.
- Upon urgent recommendation by this Grand Master, several lodges have expanded their respective lodge committee structure, which requires increased participation and cooperation by its members - both essential to maintain interest and survival. Among the expanded committees we now find in many lodges are: Reception Committee to greet the brethren into lodge; Mentors Committee to strengthen new members; Lodge Building Committee, both internal and external; Long Range Planning.
- 21 community entrance signs have been geographically and strategically placed to exhibit that Masonry is alive, alert and functional in those communities. We shall monitor the effect of these signs and their relation to enhancing our image. I foresee every highway and byway with Masonic awareness signs in the immediate future.
- The Grand Lodge Committee on Audit and Finance has been expanded. The methodology of some of our accounting procedures has been changed and this Grand Master tendered several recommendations and changes in policy for further study.
- Bulletin Boards for each lodge have been recommended and several lodges are employing this method for improved dissemination of Masonic information with increased fervour and positive effects. Improved communication means an informed Mason and a resultant Mason with strengthened convictions.

- Flags are displayed more prominently within our lodges and are flying on stately flag poles on the lodge grounds. We have promoted international flag use to reflect consideration and respect to visiting brethren.
- Bequests, codicils, and insurance programmes are encouraged and many Masons have already put these suggestions into practice. Masonry in the future will recognize and realize these thoughtful gestures of today.
- Today we shall consider many positive motions, one of these is to raise the per capita fee from \$3 to \$5. We are a class organization and to maintain this status we must pay our way.
- Several lodges are now correctly abbreviating Masonic titles. However, further instruction and **repeated** instruction is necessary to ensure that every lodge abbreviates Masonic titles correctly.
- This Grand Master has discouraged the use of "Temple" to describe our meeting place. I prefer to call the building a "LODGE." Temple connotes a religious edifice and we must use every means to prevent negative and incorrect image processes. Ultimately changes will be necessary to our Book of Constitution and lodge bylaws.
- Several awards have been initiated with the singular purpose of saying "Thank You" to deserving Masons. Specifics on these awards will be addressed in this report.
- There is no age barrier in Masonry. However, a close reflection instantly reveals our fraternity has a majority of senior members, but youth must be served and recognized and a menu palatable for their taste must be provided. A constant transfusion of new blood is of paramount importance and the chore of several committees this year has been to provide youth-oriented programmes and interest.
- Membership retention has been carefully promoted. Invoicing of dues, together with a sound schedule of training to collect outstanding dues, will most assuredly reduce suspensions, demits, resignations and N.P.D.s. It will take a few years to realize the impact of an invoicing system. It is an essential ethical business principle that works. Masonry cannot afford to bypass the use of this method.
- Separate, dignified, expanded eulogies have been encouraged. The singular phrase "We cherish his memory in our hearts" appears totally inadequate to render proper respect for a departed Mason.
- A detailed cataloguing of 35mm colour slides of each lodge has been meticulously completed by R.W. Bro. John Boersma, Grand Senior Warden 1988-89.

- Accurate accounting of the total charitable donations from all 652 lodges, 43 districts, R.A.M., Scottish Rite and 3 Shrine Temples is \$330,362.61. Together with approximately \$150,000 plus annually donated to charity and benevolence by the Masonic Foundation, this equates to a total of about \$500,000 yearly. This year, Masons of Ontario will reach their objective of \$1,000,000 for the Drug Prevention Programme. In 1989, the grand total will be enlarged from the income from this successful fundraising project. Fantastic! Well done, my brethren. You may so advise the news media.
- Several suggestions have been tendered to improve the social hour of Masonic meetings. These socials consume one-third of the evening and should be planned meticulously and diligently. To accentuate poor planning, this Grand Master has, with some levity, criticized "donuts and coffee" as the refreshments.
- Speechcraft courses and a four-part Masonic Education Correspondence Course have proven their merit.
- The two remaining lodges in Ontario operating under the Irish Constitution, St. John's No. 20 and St. John's No. 209a, submitted a written copy of **The Work**. These publications are appreciated and are now stored in the vault at Grand Lodge to be used as benchmarks if ever required. For 148 years there has been no written copy of **The Work** in the Irish Lodges.
- Donations to the Dr. William R. Pellow Masonic Bursary have been generous. The first student recipients will be in the year 1990. This bursary was instigated by the brethren of Lorne Lodge No. 622, Chapeau (home lodge of this Grand Master).
- Nonprofit, nonshare Corporations for Masonic buildings were encouraged. Several have complied.
- Sectarianism has been discouraged. However, the practice and profession of one's own faith has been and will always be encouraged by the members.
- This Grand Master has promoted the Order of DeMolay and firmly believes and is convinced by conversation and research that youth must be served and the leadership by Masons must be recognized.
- Specific guidelines have been written for the care and use of candidate uniforms. Special consideration for improving the candidate preparatory room has been repeatedly addressed.
- New guidelines for the office of D.D.G.M. are now available. Improved reporting forms for D.D.G.M.s' Annual Reports have been produced this year.

- Special insignias for aprons for 200-year old lodges have now been approved. The organization and administration for pooling stations for used and stored regalia will be a future project. The concept has tremendous potential value, especially in view of the spiralling cost of regalia.
- This Grand Master prohibited one lodge from conducting its annual elections, and appointed the Worshipful Master, Senior Warden and Junior Warden to office. Harmony, once again, prevails.
- Open Houses were encouraged for all lodges, to be held specifically in the months of April/May. To produce a concerted jurisdictional effort across Ontario, many lodges conformed and all are reaping the benefits of renewed interest and many new candidates.
- We are missing potential sources of revenue by not pursuing the possibility of affinity credit cards and the distribution of greeting cards. Other jurisdictions can be patterned and have shown dramatic financial returns. This study continues.
- Dispensations were readily approved to permit Masons to wear regalia and parade in Remembrance Day Services.
- Many lodges updated bylaws and dues structures. Specifically, this Grand Master requested each lodge to scrutinize its life membership fee and to cease awarding free honorary memberships.
- A smoother processing of Masonic Trials has been addressed. Several recommendations are being presented.
- New, fresh sources of Masonic information are available for use in lodge summonses. Worshipful Masters are encouraged to use their lodge summonses to provide maximum interest and information and should discontinue the use of poems as filler material.
- M.W. Bro. H. O. Polk, P.G.M., accepted the position of chairman to review our inter-jurisdictional visitation programmes. Priorities to attend conferences were addressed. No additions to our present list should be considered. Possible deletions were considered. Budget and travel allowances were discussed. The effective role of the Grand Master as a resource person and his effectiveness to create an impact with the media and foster excellent public relations with other jurisdictions were highlighted.

We thank Bro. Polk and his committee. The results of these deliberations will be forwarded to my successor for consideration and implementation as he deems necessary.

THE MASONIC FOUNDATION OF ONTARIO

This Grand Lodge salutes M.W. Bro. N. R. Richards and his executive of the Foundation for inaugurating and successfully organizing and administrating the 25th Anniversary project to assist in the prevention of drug abuse oriented toward the youth in our society. Special accolades to M.W. Bro. T. J. Arthur, Secretary-Treasurer, for his untiring efforts in tabulating donations and ensuring the accounting records were accurate, and for producing computer printouts. Commendation to the General Chairman of the campaign, V.W. Bro. James Cassie, who, together with a systematic approach and expertly structured core of Masonic regional, district and lodge chairmen, diligently worked this campaign to a successful conclusion. The Masons of Ontario thank you. The unknown recipients will thank you, and this Grand Master thanks you.

and to be the recipient of the **Henry Price Medal** from the Grand Lodge of Massachusetts; and the **Pierpont Edwards Medal** from the Grand Lodge of Connecticut.

THE WILLIAM MERCER WILSON MEDAL

The recipients of this award merit special attention in this Grand Lodge. This award is presented to a Master Mason who has not been, nor will he likely ever by a Worshipful Master of a lodge. Outstanding devotion, loyalty and continuous contribution to the Craft and the community are a few of the parameters to warrant consideration when selecting a recipient. This year, I am pleased to announce, with personal commendations and congratulations from this Grand Lodge, the following recipients:

Bro. John Ross Matheson
Queen's Lodge No. 578, Kingston

Bro. Aubrey McGill
King Hiram Lodge No. 566, Toronto

Bro. John Cunningham Filshill
Georgina Lodge No. 343, Toronto

Bro. Harold Robinson
Leamington Lodge No. 290, Leamington

Bro. Robert C. Jones
Eureka Lodge No. 283, Belleville

Bro. George Alexander Lockie
St. Johns Lodge No. 75, Toronto

It is with regret that I learned of the passing of Bro. Alexander Andrew Hay of St. Andrew's Lodge No. 661, St. Catharines, who was awarded the William Mercer Wilson Medal on December 10, 1987, and passed away on April 17, 1989.

GRAND MASTER W. R. PELLOW MERITORIOUS AWARD

This prestigious and deserving award was first introduced in 1988. It may be awarded to Masons of any rank and granted for contributions above and beyond the normal performance of duties of an office or membership as a Mason. This honour can be bestowed upon a member who has unselfishly given of his time, talent and energy for the betterment of his community and the Craft. A special night for these honorees should be subsequently planned in their respective lodges. The night should have a **singular purpose**, that of honouring the recipient of the Grand Master's Award.

From the submissions received, it is an extreme pleasure to announce the following recipients for 1989.

R.W. Bro. William C. Frank, Doric Lodge No. 289, Lobo,
London West District

Bro. Gordon W. Holnbeck, Corinthian Lodge No. 101,
Peterborough, Peterborough District

V.W. Bro. Raymond F. E. Kempster, Acacia Lodge No. 561, Ottawa,
Ottawa 1 District

W. Bro. George A. Lee, Rideau Lodge No. 595, Ottawa,
Ottawa 2 District

V.W. Bro. Leonard I. Levy, Mount Sinai Lodge No. 522, Toronto,
Toronto 2 District

We salute you, my worthy brethren, for you have ensured that Masonry will continue and be enjoyable and productive for many years to come. A paraphrased tribute to each of these fantastic Masons can be read at your leisure, and is attached as an appendix to this Address.

LODGE ENHANCEMENT CERTIFICATES

Diligent efforts, contributions of talent and time, and necessary financial commitments have provided a remarkable elevation in our community image, public image, and have fostered tremendous public relations, as Masons have improved the appearance of their respective Masonic real estate. Many of the lodges have enhanced their beauty, both externally and internally, and updated their landscaping. From submissions received by the D.D.G.M.s, and on behalf of the Advisory Committee on Lodge Buildings, it provides me great pleasure to recognize the following lodges:

Rising Sun No. 129, Aurora, Toronto 6 District
 Goodwood No. 159, Richmond, Ottawa 1 District
 Marmora No. 222, Marmora, Prince Edward District
 Hammond No. 327, Wardsville, Chatham District
 Gore Bay No. 472, Gore Bay, Sudbury-Manitoulin District
 King Edward No. 464, Sunderland, Victoria District
 Glenrose No. 628, Elmira, Waterloo District
 Rowland No. 646, Mount Albert, Toronto 6 District

This Grand Master realizes there are many other lodges that have improved their facilities and are most worthy to receive recognition and, in time, each will be so awarded once the D.D.G.M. submits a detailed report to Grand Lodge.

R.W. Bro. John Boersma, Grand Senior Warden, has personally catalogued and mounted slides of all 652 lodges. This ready reference will provide a comparison study to determine future awards.

BLOOD DONORS (with 100 Donations)

Since 1940, the Masons of Ontario have organized a free volunteer Blood Donor Programme. For the first time, Grand Lodge will issue a certificate of appreciation for any Mason who has contributed 100 donations. There are many Masons who have reached this pinnacle of charity. However, we are not in receipt of this knowledge.

ACKNOWLEDGEMENTS

Again this year several of our members of the Board of General Purposes have chosen to retire after years of dedicated service. We are most grateful to these brethren for their many contributions to our fraternity and salute R.W. Bros. E. C. Steen, R. C. Casselman, W. C. Frank, W. E. Rawson, J. W. Auckland, R. S. Throop and K. L. Whiting.

HONORARY MEMBERSHIP ON THE BOARD OF GENERAL PURPOSES

Pursuant to Section 131(e) of the Constitution of Grand Lodge and in recognition of repeated years of devotion, untiring efforts toward the betterment of Freemasonry, for loyalty, for recognition of the thousands of miles travelled to attend Masonic-related meetings, for the taping of Grand Masters' Addresses from the era of M.W. Bro. Bruce B. Foster, P.G.M., to the present, and for his unfailing and eternal promotion of fraternal goodwill, I am pleased to recommend the appointment of R.W. Bro. Edsel C. Steen, Pnyx Lodge No. 312, Wallaceburg, Chatham District, to honorary membership on the Board of General Purposes.

R.W. Bro. W. E. McLeod, who has given of his time and literary talents for the benefit of Freemasonry in all corners of the world, a former member of the Board of General Purposes of this Grand Lodge, a Past Master of Quatuor Coronati Lodge No. 2076, and a past Prestonian Lecturer of the United Grand Lodge of England, Vice-President of the Masonic Foundation of Ontario and a most active Mason, is also recommended for appointment to honorary membership on the Board of General Purposes.

V.W. Bro. W. N. Buckingham, chairman of our Grand Lodge Committee on Public Information and Communications, is an individual of many unique talents and skills. Bro. Buckingham has assisted Freemasonry to enhance its public image and in recognition of his outstanding efforts and ready willingness to assist, I am most pleased to also recommend his appointment to honorary membership on the Board of General Purposes.

It is my further pleasure to recommend the reappointment to honorary membership on the Board of General Purposes of R.W. Bros. W. L. Pacey and R. T. Runciman, who continue to give leadership and service on this board.

Tribute must also be paid to the three retiring honorary members of the Board of General Purposes. Together, R.W. Bros. T. L. Wilson, J. W. Millar, and C. A. Sankey represent many years of devoted service to our Board. Each has served as chairman of major committees. Their devotion to our beloved Craft is and has always been outstanding. Today we salute these distinguished brethren upon the expiration of their tenure of office as honorary members of the Board of General Purposes.

GRAND LODGE OFFICERS

I was delighted to appoint, on sight, two outstanding Masons to the rank of Grand Steward.

September 6, 1988 - V.W. Bro. Gordon Sutherland
Craig Lodge No. 574, Ailsa Craig, South Huron District

January 16, 1989 - V.W. Bro. Michael Drakich
Ontario Lodge No. 521, Windsor, Windsor District

I request approval of their respective appointments and ask that these brethren be awarded past rank.

PAST RANK

Pursuant to Section 73 of the Constitution of Grand Lodge, in recognition of the services already rendered to this Grand Lodge and as a symbol of honour and achievement, I am pleased to recommend that the rank of Past Grand Senior Warden be given to:

V.W. Bro. Samuel H. Cohen, Mount Sinai Lodge No. 522,
Toronto, Toronto 2 District.

V.W. Bro. Raymond Hutson, Centennial Lodge No. 684, London,
London East District.

I recommend that past rank be granted to the following brethren who have served the office of Worshipful Master faithfully, but constitutionally do not qualify for rank as Past Master:

W. Bro. Kevin Kimball, Leamington Lodge No. 290, as of
December 20, 1989

W. Bro. Kenneth L. Kreibich, Otisippi Lodge No. 719, as of
September 15, 1989

W. Bro. Robert Martin, Doric Lodge No. 569, as of
March 7, 1989

DEDICATION

April 8, 1989, Gore Bay Lodge No. 472, Gore Bay, on beautiful Manitoulin Island, was dedicated by this Grand Master, ably assisted by M.W. Bro. R. E. Davies, Grand Secretary, and Assistant to the Grand Secretary, R.W. Bro. K. L. Whiting. The excellent facilities represent the devotion, loyalty and enthusiasm of many Masons. The land was donated by Mrs. Alma McDougall, wife of the late W. Bro. Lauchlan McDougall, Past Master of Gore Bay Lodge. Closed circuit T.V. and rearranged seating were necessary to accommodate all in attendance. Exemplary Masonic real estate to improve our community image in Gore Bay. Congratulations, brethren. Well done indeed!

CORNERSTONES

This ancient and beautiful ceremony enhances our community image. Suggestions, recommendations and a comprehensive set of guidelines have been produced by the Grand Lodge Committee on the Condition of Masonry under the capable co-chairmanship of R.W. Bros. Larry Hostine and Wm. T. Anderson.

April 1, 1989, Cornerstone Laying
Hammond Lodge No. 327, Wardsville, Chatham District

LODGE BUILDING

Alexandra Lodge No. 158, Oil Springs, Sarnia District, has a new lodge under construction. The funding drive continues and is well in hand. Completion in 1989 is expected.

RECOGNITION OF 100 YEARS OF ACTIVE SERVICE

Star of the East Lodge No. 422, Bothwell
as of March 2, 1988

St. Clair Lodge No. 425, Sombra
as of August 12, 1989

THE CEREMONY OF CONSTITUTING AND CONSECRATING

On November 19, 1988, Chinguacousy Lodge No. 738, Brampton, was officially constituted and consecrated. R.W. Bro. Keith Flynn presided as the first Worshipful Master. The Hon. John McDermid, M.P. Ottawa; W. Bro. Frank Russell, Councilman, City of Brampton; R.W. Bro. D. Papavramidis, D.D.G.M. Toronto 1 District; several members of the Board of General Purposes of Grand Lodge, and other prominent Masons were in attendance.

Commendations were extended to this new lodge, which will be a vital force in moulding the moral fibre of this fast growing community northwest of Toronto.

Another new lodge, to be named Ibrox, is now under dispensation and will also be located in Brampton.

SOLICITATION

It has come to my attention that some brethren seeking advancement in this Grand Lodge are entering the "grey" area of solicitation to be elected or appointed. "Political campaigning" has been and will continue to be frowned on in this jurisdiction. Solicitation is not permitted. Diverse methods of advertising and promotion of a brother via the lodge summons, lodge newsletter, and all other forms of communication is prohibited and considered unethical.

CONSIDERATION OF VISIONS AND GENERALIZATIONS

- With proper promotion, I foresee the new standard logo, square and compasses, being used by all jurisdictions in all corners of the Masonic world.
- We should have special awards for non-Masons.
- Someday we will renovate the second floor of the Grand Lodge Memorial Building into a museum and an exemplary Masonic Library.
- That all Masons will use proper semantics and refrain from terms such as blue lodges, sitting and ruling Masters and replace these terms with Craft Lodge and Worshipful Master.
- I see progressive and creative attitude changes that will improve our community image.
- That all Masonic correspondence, especially the mailing envelopes, will have return addresses.
- That D.D.G.M. reports will be requested two weeks in advance of June 1 and biannual interim reports will be mandatory.
- That Grand Lodge will appoint an official photographer.
- That lodge computerization will be compatible with the Grand Lodge system.

- That all newly raised Masons will have special and personal invitations to all the Grand Master's receptions and every lodge and district social.
- I wish every W.M., S.W. and J.W. would position themselves at the door of the lodge, immediately after lodge closes, and say goodnight - thanks for attending lodge, to **every** member, at each meeting.

SUMMATION

In these past two years as your Grand Master I have attended many Masonic meetings. I have sat beside parliamentarians, secretaries of state, congressmen, senators, bishops, archbishops, ministers, judges, doctors, lawyers, railroaders, plumbers, electricians, farmers, carpenters, and a host of brethren from various walks of life portraying many professions and avocations. Each has been my brother regardless of our age, creed, religion or colour. I have sincerely appreciated, enjoyed and gained in knowledge, friendship and brotherly love from every one of these brethren. I shall be eternally grateful for this opportunity you have provided me as your Grand Master.

We have stirred up the membership. We have knocked over and awakened several Masons who were fast asleep in a rocking chair, holding their dues cards in their hands. We have transformed many deadwood and driftwood Masons into hardwood Masons. What a metamorphosis. We have travelled the country roads in the middle of the night together to attend lodge meetings and then wound our way home through fog, rain, sleet and snow.

It has been a rewarding experience. It has been exhilarating. It has been exciting, and it has been fun. Challenges have been met and these challenges have caused us to rise to new heights of accomplishments. It has all been worth it. We have set the fires under the front burners and we have advanced daily in ensuring the progress of Masonry.

I thank each and every Mason for his several contributions - for contributions tangible and intangible. Let this be your motto now:

"If it is to be - it is up to me"

and remember these words from *The Prophet* by Kahlil Gibran:

"Your joy is your sorrow unmasked. When you are sorrowful look again in your heart and you shall see that in truth you are weeping for that which has been your delight. When you are joyous, look deep into your heart and you shall find it is only that which has given you sorrow that is giving you joy."

and, finally, as I have concluded so many evenings, please take this home with you.

**We may not have it all together
BUT together we have it all.**

Sincerely and fraternally.

WILLIAM R. PELLOW

W. BRO. GEORGE ALLAN LEE - Rideau Lodge No. 595, Ottawa 2 District, initiated April 10, 1975; Worshipful Master 1983. His record of attendance over the years has been excellent; active participant in the Ritual, committee and other lodge functions. The moral and physical support he gives to his brethren and the lodge in general is done without hesitation or prompting. He is a constant source of strength to the newly-installed Master and invested officers of the lodge. He diplomatically provides guidance, when asked for, and undertakes his assignments without hesitation.

Also a member of Ottawa Lodge of Perfection, Murray Chapter Rose Croix, Ottawa Consistory, A.& A.S.R.

Community and Church Activities - His church service consists of School Superintendent; Clerk of Session; present Chairman of the Board of Trustees; President of the Church Exhibition Association. Active in a Church Food Bank where meals are served to hungry derelicts and destitute persons; working in the capacity of cook, server and supervisor, and encourages others to participate in this community-minded charity. He is a pillar of strength, support and energy in his Church. He willingly takes an active part in the management of its financial, social and religious teaching requirements.

General - Served as a pilot in the Royal Canadian Air Force during World War II, retiring after 25 years of service with the rank of Wing Commander. He was awarded the Air Force Cross for achievements in the air during hostilities. During Canada's Centennial Year Celebration, he was Chief of the Cultural Division, Centennial Commission.

Bro. Lee has been married for 46 years and has one daughter. His personal life is centered around his family, his masonic affiliations, his church and his community. His personal relaxation periods consist of boating, reading, listening to music and attending concerts.

Five bases for consideration: 1) his worth as a man, a husband, a father and a citizen; 2) his appreciation of the teachings of our Order; 3) his concern for the general welfare of his Lodge; 4) his concern for the application of the principles of Brotherly Love, Relief and Truth within his Lodge, his Church and his Community at large; 5) his contribution to the welfare of his Lodge, the individual Brethren and those within the community who need a helping hand.

V.W. BRO. LEONARD I. LEVY served as Master of Mount Sinai Lodge No. 522 in 1959 and 1987 (25 candidates were initiated during these two terms of office). He is indeed the mentor of the lodge, having a personal interest and a personal hand in all activities of the lodge and, at present, serves as Treasurer. It is his practice to personally greet and befriend every newly initiated Brother to ensure that he is settled in lodge and feels comfortable. As Director of the Work for the last three years he can be called upon at a moment's notice to do any part of the Work in an emergency. Flawless attendance record at all lodge meetings and those of the several committees he is associated with over the last several years; exceptionally active in the requirements of sick and visitation duties; initiated a complete redesign of the lodge summons well before it was mandated to do so.

Bro. Levy is one of the founding brethren of The Lodge of the Pillars, and today remains active by attending many of their meetings.

Almost 100% attendance at all Toronto District 2 D.D.G.M. visitations and Installation Ceremonies over the last four years; accepted the assignment of District Secretary at the request of R.W. Bro. Stanley Caveney (P.D.D.G.M.) in 1987, as a result of the sad passing of the late V.W. Bro. George Palmer during the middle of his term of office; has served on every Installing Board for the lodges within Toronto District 2.

Leonard Levy not only functions as an integral member of our Lodge but continues to support Masonry in all of its many facets through Toronto District 2 and often beyond our immediate jurisdiction. His contributions to this beloved Craft of ours cannot be easily summed up, as to do so would require a chronicle of over 40 years of unselfish total commitment to Masonry, the results of which have benefitted all those fortunate enough to have been touched by his energetic spirit. The energy level of this man seems never greater. Perhaps, however, it may be in his modesty and remarkable unselfishness that we may find the true essence of why we feel so strongly that this nomination should be favourably received.

APPOINTMENT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. N. R. Richards, seconded by M.W. Bro. B. B. Foster, and carried: That a committee composed of all the Past Grand Masters present consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. W. Earl Rawson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Rawson, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again, your Committee on Deceased Brethren is privileged to have the opportunity to express the tribute of Grand Lodge to those brethren who since our last communication have passed to the Grand Lodge Above.

As we pause to pay our respects to the memory of those who have passed away, we do so with mixed feelings - the warm feeling of Brotherly Love and the despair of finding words to express our inner thoughts.

*Those we love don't go away,
They walk beside us every day
Unseen, unheard but always near.
We hold you close within our hearts
And there you will remain
To walk with us throughout our lives
Until we meet again.*

It is most gratifying to hear how much the widows appreciate the help of a brother at this stressful time. More and more, lodges are realizing the importance of their presence with the family, and at the same time have enhanced their own well-being.

Many lodges have instituted a Benevolence Committee for this purpose, and we seriously recommend all lodges follow this example.

On behalf of every brother in this Grand Jurisdiction, special thanks are due to this year's Grand Chaplain, R.W. Bro. M. D. Farr.

*May cherished memories give you peace
As every day goes by
And bring reassurance
That love can never die . . .
For as long as love endures
And lives within your heart,
You and your dear loved one
Will never be apart.*

These Tablet Pages

*Are inscribed and fraternally dedicated
in memory of*

Our Departed Brethren

PRESENTATION OF GRAND REPRESENTATIVES' COMMISSIONS

M.W. Bro. W. R. Pellow called M.W. Bro. A. Lou Copeland; R.W. Bros. C. Edwin Drew, Reginald E. Jewell; V.W. Bros. Lloyd Bittle and Kenneth Schweitzer to the East and presented Commissions on behalf of the Grand Lodges of Ohio, Indiana, Honduras, Ceara (Brazil), and Montana.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of their Grand Lodges, those who were present stood up and were welcomed by the Grand Master. Grand Honours were given under the direction of the Grand Director of Ceremonies.

REPORT OF THE COMMITTEE ON GRAND MASTER'S RECOGNITION

This Report was presented by R.W. Bro. J. D. Jackson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Jackson, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year in concert with submissions received from several District Deputy Grand Masters and the ultimate selection by the Grand Master, five outstanding Masons have been announced in the Grand Master's Address as recipients of the Grand Master's Meritorious Award in the year 1989.

This committee also concurs that recognition for Masons who have provided 100 blood donations and registered their donations to the credit of Masonic charity, should receive proper recognition. Several Masons have attained this honour, yet no names have been submitted for this year. It is recommended for the future that those Masons so deserving of recognition have their full name, lodge, Masonic rank and number of blood donations submitted by their respective lodges (in writing) to the District Deputy Grand Master and he in turn shall forward this information to the Grand Lodge Chairman on Blood Donors.

Recent professional studies conducted in Masonic jurisdictions in the United States have concluded that Freemasonry is indeed lacking in areas of community recognition and also that Masonry portrays a less than ideal prominence and image in the community.

For the past two years there has been a concerted effort to enhance our Masonic real estate in the community. To promote, foster and encourage all 652 lodges housed in the 380 lodge buildings in this jurisdiction, and to improve our Masonic buildings and beautify our landscape and, further, to identify these premises with a standard approved Masonic lodge sign, a Lodge Enhancement award for excellence was produced. Submissions via the District Deputy Grand Masters to the Advisory Committee on Lodge Buildings and the Grand Master are recorded in the Grand Master's Address.

Special nights of recognition should be planned for these presentations in open lodge assembled and specific Masons should be recognized for their golden contributions when advisable and where deserved.

This committee is most grateful to the District Deputy Grand Masters and all interested Masons who have made submissions to us.

Respectfully and fraternally.

GRAND MASTER W. R. PELLOW MERITORIOUS AWARD

R.W. Bro. W. C. Frank; V.W. Bros. R. F. E. Kempster, L. I. Levy; W. Bro. G. A. Lee and Bro. G. W. Holnbeck were presented in the East by the Grand Director of Ceremonies to receive at the hand of the Grand Master his prestigious meritorious insignia as a tribute to their exceptional devotion, loyalty, zeal and assiduity in both Masonic and community circles.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master,
Officers and Members of Grand Lodge A.F. & A.M.
of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We have examined the summary of resources arising from cash transactions of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1989 and the related statements of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion the financial statements present fairly the summary of resources arising from cash transactions of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1989 and its receipts and disbursements for the year then ended in accordance with the accounting principles stated in note 1, applied on a basis consistent with that of the preceding year.

Hamilton, Ontario,

May 26, 1989.

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Auditor's Report was adopted.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and My Brethren:

Once again it is my pleasure to submit the Grand Treasurer's Report covering our fiscal year ending April 30, 1989. How happy I would be to report that our bottom line was in the black. Unfortunately this was not the case in the General Fund. Our disbursements exceeded our receipts by \$67,172. Although the Commutation Fund has shown a modest increase, the Memorial Fund has decreased in value by \$20,000. Overall, our assets have decreased in value by approximately \$103,146.

In my report last year I stated that our 1988 loss in the General Fund, coupled with a budget deficit for this year, will undoubtedly leave the Chairman of the Audit and Finance Committee no alternative but to request a per capita increment assessment this year. Lower income, because of a lower membership base, enlarged programming, and inflationary pressures make this per capita increase inevitable. I recommend and heartily endorse the \$2.00 per capita increase requested by the Chairman of Audit and Finance.

It should be noted that the Audit and Finance Committee Report tabled last year (under Schedule A) indicated a budget deficit of \$92,725, plus a further expected expense of an extraordinary nature (under Schedule B) of \$45,500, for a total anticipated deficit of \$138,225.

As stated previously, I am pleased to report this \$138,445 loss did not materialize and our current loss in the General Fund was pared to \$67,172, almost half of our projected loss for the year. This deficit was minimized in part, as follows:

- (a) \$1,400 saved by the Masonic Education Committee
- (b) \$7,500 saved on Lodge Advertising Rebate Programme
- (c) \$6,000 saved in the printing of books for resale
- (d) \$4,000 saved in U.S. Conference travel expense
- (e) \$1,500 saved in Canadian Conference travel expense
- (f) \$25,000 saved in computer conversion programming, not used in this fiscal year

All of these savings were the result of restraint and good monetary management on the part of the various committee chairmen.

Despite our deficits these past two years and another anticipated deficit in the coming year, our long range investment portfolio is in sound and satisfactory condition. This is the result of careful and prudent management of our finances by those responsible. Turning these negative losses into a positive surplus is our goal and our objective.

I am particularly indebted to the Grand Secretary and his staff for their assistance and cooperation in facilitating the work of the Grand Treasurer; similarly, the Chairman of the Audit and Finance Committee has been very helpful in his advice on financial matters and for this I am extremely grateful.

As always, I would like to recognize the efforts of our Auditor, Mr. George Benton, and the Doane Raymond Group in the preparation of the annual statement for presentation to Grand Lodge. This statement includes schedules of the year's receipts and disbursements in the General, Commutation, Memorial and Special Retirement Fund, plus summaries which are detailed and informative. These appear in the pages that follow for your attention and study.

Respectfully and fraternally submitted.

A. LOU COPELAND
Chairman

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

1. Accounting policies

(a) Basis of accounting

The Grand Lodge's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

(b) Investments

Investments in bonds are recorded at cost and generally are held to maturity. Discounts and premiums on acquisition are not amortized, but are maintained in cost with final gain or loss recorded on disposition.

2. Discount and premiums on investments

Discounts and premiums are summarized by maturity dates as they segregate into future April 30 fiscal year ends as follows:

April 30	General Fund		Commutation Fund		Memorial Fund	
	Discount	Premium	Discount	Premium	Discount	Premium

3. Signage programme

The Grand Lodge has entered into agreements with some of its constituent lodges to assist the lodges with the purchase of standard exterior signs. The balance of the signage programme funds held in trust by the Grand Lodge at April 30, 1989 was \$13,078.

SEMIANNUAL RETURNS

Semiannual returns have been received from 652 constituent lodges and the information contained therein has been entered in the books of Grand Lodge. Statistical information may be found in the audited statement presented by the Grand Treasurer and in other tables printed in the annual Proceedings of Grand Lodge.

It must be noted that several semiannual returns were unduly delayed in completion and return this past year. In most instances the delays could be directly attributed to a change in lodge secretary and the subsequent lack of direction available to the new secretary, particularly from his predecessor. Hopefully, in the future, all lodges will address the need for proper training and assistance for the new officer, especially during the period of transition in this most important office.

DISTRICT SECRETARIES' MEETINGS

I was again privileged to participate in several District Instructional Meetings for Secretaries. These meetings have proven to be not only interesting and challenging, but also most helpful and informative to those in attendance.

Districts that do not have a forum for their secretaries to exchange thoughts and ideas with their counterparts are missing a golden opportunity to assist those who perform such a great service to the Craft. Indeed, it becomes much easier to carefully emulate that which is praiseworthy in others if one is given a chance to enjoy the benefits of group discussion with his peers. Once again, I reiterate the willingness of your Grand Secretary and/or his assistant to participate in District Instructional Meetings for Secretaries.

CHANGE

Change has been the common denominator in your Grand Lodge Office during this past year. Not only has extensive renovation to enhance both the exterior and interior of the building been undertaken but, also, a staff change has occurred.

Mrs. Betty Kinnaird, our genial receptionist and secretary for the past number of years, retired at year's end. She had been a faithful employee whose cheerful, accommodating telephone manner was known and appreciated by all who telephoned the office in recent years. I know you will all join with me in expressing thanks to Mrs. Kinnaird and in wishing for her all that is good in her retirement years.

The advent of computerization became a reality late in the 1988 calendar year, and the ensuing period of learning and familiarization with the new technics is now upon us. While the detailed Report on Computerization will be given by R.W. Bro. K. L. Whiting, the chairman of that committee, I would nevertheless acknowledge with grateful appreciation the interest and dedication shown by your Grand Lodge staff during this ongoing period of learning and of mastering new skills.

Without their willingness to burn the midnight oil as they hone their skills we would not be nearly as far advanced down the computerization road as we are. Certainly their ongoing dedicated service to the Craft is most outstanding.

Many physical changes have been made in your Grand Lodge Memorial Building, and thanks must be tendered to Masonic Holdings for making funding available to assist in these timely renovations. Funding from Grand Lodge has provided for a complete redecoration of your Grand Lodge Office.

The decor of your Grand Lodge Office was further enhanced when Bro. Basil Liaskas visited on May 12 and donated his original painting of the Black Creek Pioneer Village Masonic Lodge to grace our walls on permanent loan from Heritage Lodge No. 730. Bro. Liaskas also made a personal gift of numbered copies of three of his recent paintings, which are now framed, and add class, colour and beauty to your Grand Lodge Office. Bro. Liaskas, your generosity is indeed appreciated and shall long serve as a reminder of your kind and generous disposition.

VISITATIONS

During the year numerous Masons called in to the Grand Lodge Office. Many came from across the waters and sought information on lodges and their meeting times and dates. Others came and extended greetings from their Grand Lodges.

Special mention should be noted of the privilege we had in receiving R.W. Bro. John M. Hamill, Grand Librarian of the United Grand Lodge of England. Bro. Hamill proved to be an exceptionally gifted Brother and a very enjoyable and rewarding time was spent in dialogue with this distinguished Mason.

Ere closing, I must single out the Lodge Secretaries whose work is truly a labour of love. Indeed, their support and assistance, coupled with the cooperation of all our 91,043 members, has greatly assisted your Grand Secretary and is deeply appreciated. Thank you, all.

Respectfully and fraternally submitted.

R. E. DAVIES
Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The 42 reports of the District Deputy Grand Masters were presented by the Grand Secretary and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were referred to the Board of General Purposes.

RECOGNITION OF RETIRING HONORARY MEMBERS OF THE BOARD OF GENERAL PURPOSES

R.W. Bros. J. W. Millar, C. A. Sankey and T. L. Wilson were escorted to the dais where they were officially received by M.W. Bro. W. R. Pellow, Grand Master, who, after acknowledging the outstanding contributions of each of these long term Honorary Members of the Board of General Purposes and their outstanding service as chairmen of several demanding committees, then directed that Grand Honours be tendered to these dedicated servants of the Craft.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed R.W. Bro. J. I. Carrick Chairman of the Committee of Scrutineers to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by R.W. Bro. N. E. Byrne, Chairman, in nine parts, and on motion of M.W. Bro. R. E. Davies, seconded by R.W. Bro. N. E. Byrne, each part was adopted and the entire report, on motion of the Deputy Grand Master, seconded by R.W. Bro. Byrne, was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Jurisprudence begs leave to report as follows:

PART 1

R.W. Bro. Edsel C. Steen gave Notice of Motion as follows: That a new Section numbered 3.1 be added to the Constitution and that the Section be headed: "Standard Logo." 3.1 The formal logotype of Grand Lodge shall be in the following

form and shape (regardless of size): The logotype shall consist of a stylized inverted square on which is superimposed compasses opened at a 45° angle with the letter "G" in the centre. In all masonic signage, communications, and publications including lodge crests, whenever a square and compasses appear, they shall be the formal logotype hereby adopted. This provision shall not apply to any lodge crest or signage in existence and currently in use on the 19th day of July, 1989.

The effect of this amendment is that, subject to the continued use of existing signs and lodge crests, all future symbols of the square and compasses shall be in the specified form and shape.

Your Committee notes no constitutional objection to this Notice of Motion.

PART 2

R.W. Bro. Gerald E. MacDonald gave Notice of Motion as follows: **Board Members Expenses \$50.00 Deductible.** That Section 130 of the Constitution be amended by adding the following words immediately following the word "respectively" appearing in the fourth line thereof, "subject to an initial deductible sum of \$50.00" so that the said section shall read, as follows:

130. The expenses of the members of the Board of General Purposes and of committees and commissions appointed by the Grand Master or Grand Lodge, in attending meetings thereof, respectively, subject to an initial deductible sum of \$50.00, shall be paid out of the funds of Grand Lodge, in the amount approved by the President of the Board of General Purposes.

Your Committee notes that this amendment constitutes a change in the traditional policy of Grand Lodge and in view of the possibility of confusion in the definition of committees and commissions find this amendment not to be regular and recommends that the proposed amendment be referred to the Board of General Purposes for further study and a report back to this committee prior to the next Annual Communication of Grand Lodge.

PART 3

M.W. Bro. Ronald E. Groshaw has given Notice of Motion as follows: That Section 147(d) of the Constitution be deleted.

This amendment has the effect of not including the "Shrine" as one of those bodies with whom this Grand Lodge is in amity.

Your Committee notes no constitutional objection to this amendment.

PART 4

V.W. Bro. Jim Heffel has given Notice of Motion as follows: That Section 147 of the Constitution be amended to include the following subsection: (f) The Supreme Council Order of DeMolay of Canada and the Chapters and Clubs.

Your committee notes that this body - The Supreme Council Order of DeMolay - is not a masonic body "per se" and while your committee recognizes the good work of the Order of DeMolay with particular reference to youth, it, nevertheless, finds such amendment not to be regular.

Your Committee recommends that the Board of General Purposes study our relationship with the Order of DeMolay and report back to Grand Lodge at the annual communication in 1990.

PART 5

R.W. Bro. T. R. Davies has given Notice of Motion as follows:

That Section 152(h) of the Constitution be amended by deleting the words "Three Dollars" appearing in the first line thereof, and substituting therefor the words "Five Dollars."

That Section 152(c) of the Constitution be amended by deleting the word "Thirty" appearing in the first line thereof and substituting therefor the word "Fifty."

R.W. Bro. Davies, as the Chairman of the Grand Lodge Committee on Audit and Finance, has seen fit to present this increase in per capita dues, undoubtedly based on rising costs, declining income and a desire to ensure the continued use of sound financial principles in the handling of Grand Lodge funds.

Your Committee notes no constitutional objection to this amendment.

PART 6

R.W. Bro. William C. Frank has given Notice of Motion as follows:

That Section 274 of the Constitution be amended by adding thereto the following wording:

From and after the first day of January, 1994, all buildings or structures in which are situate one or more regular lodge room(s) shall have displayed outside of and adjacent to the building or structure, an illuminated sign, pole or surface mounted, in form approved by the Grand Master.

Your Committee notes that with a period of grace in excess of five years, all lodge buildings shall have outside signs in the approved form. Your Committee also notes that adherence to this requirement will undoubtedly entail expenditures of lodge funds but that the lodges will have in excess of a five-year period to arrange to comply with this requirement.

Your Committee does have some concerns that governmental requirements in certain areas and municipalities may require special considerations in certain instances with respect to a specific lodge building.

Notwithstanding this concern your Committee notes no constitutional objection to this amendment.

PART 7

R.W. Bro. W. Earl Rawson has given Notice of Motion as follows:

That Section 304 of the Constitution be amended by adding the following to the section: The by-laws of all new lodges formed after the 19th day of July, 1989, shall

provide that the number of active regular members thereof shall not exceed 200 in number.

Your Committee notes that the amendment refers to "active regular" members and based on our present constitution is not particularly definitive and would allow for a diversity of interpretations and accordingly finds this proposed amendment to be not regular.

Your Committee recommends that this matter be referred to the Board of General Purposes for further study and that the Board report back to Grand Lodge at the annual convocation in 1990.

PART 8

R.W. Bro. Kenneth L. Whiting has given two groups of proposed constitutional amendments as follows:

That Section 305 of the Constitution be renumbered Section 305(a).

ADD new Section 305(b). No amendment shall be made in the By-laws of a lodge, unless by "Notice of Motion" given at a regular meeting; the proposed amendment shall be duly entered in the minutes and inserted in the lodge summons for the next regular meeting, when the proposed amendment shall come up for discussion. If the amendment is regularly moved and seconded, and passed with the support of a majority of the members present, it shall, as soon as it receives the approval of the Grand Master, become law.

ADD new Section 305(c). The Notice of Motion must be written in detail, specifying the section of the By-law to be amended along with the proposed amendment.

Section 306(c) delete the word "two" and insert "one" so that Section 306(c) would read: "One certified copy of that portion of the minutes of the meeting at which Notice of Motion was given, setting out in full the proposed motion; and".

That Section 323(a) be amended by deleting the word "age" in line 7 and substituting therefor the words "date of birth (day-month-year),"

That Form 6 (Section 307) "Application for Initiation" be amended by deleting the words "aged _____ years," on line 7 of the sample Form 6 on page 171 of the Book of Constitution and inserting in their stead the words "born (day-month-year),"

That Form 7 (Section 358) "Application for Affiliation" be amended by deleting the words "aged _____ years," on line 7 of the sample Form 7 on page 173 of the Book of Constitution and inserting in their stead, the words "born (day-month-year),"

Your Committee notes that the first group of amendments are proposed to clarify the process of amending lodge by-laws while the second group will facilitate computerization of Grand Lodge records.

Your Committee notes no constitutional objections to these amendments.

PART 9

R.W. Bro. Robert T. Runciman has given Notice of Motion as follows: That the Constitution be amended by adding thereto the following:

Certificate of Severance**410.1**

(a) A member against whom a charge of unmasonic conduct is pending or proceedings are ongoing pursuant to Part IV of the Constitution may, at any stage of any proceeding, make a request in writing and without giving reasons, addressed to the Secretary of the Lodge in which the charge is pending or the proceeding is ongoing, that a Certificate of Severance be issued to him. Upon receipt of the request, the Secretary shall forthwith transmit the request to the Grand Secretary. The Grand Secretary shall, upon receipt of the request, issue a Certificate of Severance in a form prescribed by Grand Lodge.

(b) The request for and the acceptance of the Certificate of Severance shall not in any manner be construed as an admission of guilt to a Masonic charge.

(c) A member to whom a Certificate of Severance has been granted shall for all purposes be considered to have been indefinitely suspended from all Lodges of which he is a member in this Grand Jurisdiction.

(d) The sections of the Constitution relating to restoration after indefinite suspension shall apply, with the necessary changes, to restoration after a Certificate of Severance has been granted.

(e) Upon the granting of a Certificate of Severance all complaints alleging a Masonic offense shall automatically be stayed and all documents shall be forwarded to the Grand Secretary for review by the Discipline Committee.

(f) Where a Certificate of Severance has been granted, the Secretary of the Lodge in which the complaint is pending shall record the same in the Lodge records and shall advise the Masonic Bureau of the District. If there is no Masonic Bureau in the District, the matter shall be reported in writing to the Secretary of each Lodge in the District.

At the Annual Communication of Grand Lodge in July, 1988, an amendment to the constitution to deal with those brethren who have transgressed the high standards Masonry requires, as an alternative to a Masonic Trial, was referred back to the Board of General Purposes as a basic policy change was contemplated. The suggestion of such referral back was approved by Grand Lodge. The Board of General Purposes of Grand Lodge gave further consideration to this matter at its meeting in January of 1989.

Your Committee notes that this amendment provides for an alternative to a Masonic Trial in certain circumstances where such action is warranted and in keeping with provincial laws affecting fundamental rights and the unwarranted invasion of privacy.

Your Committee notes that a similar provision is available in the Grand Lodge of England as a result of recent amendments to their constitution.

Your committee is of the opinion that the Grand Secretary should issue a Certificate of Severance only on the advice and direction of the Chairman of the Discipline Committee and recommends the proposed amendment be slightly modified by adding the following words immediately after the words "upon receipt of the request" - "and upon receipt of the written direction of the Chairman of the Discipline Committee."

Subject to the above your committee notes no constitutional objections to this amendment.

In completing your Committee's report, it is to be especially noted that the task of the Committee as stipulated in the Book of Constitution is simply to receive and consider amendments to our constitution as regularly proposed, and to assess their regularity and determine that they are constitutionally valid. Your Committee, in discharging its responsibilities, makes no comments for or against the individual amendments as proposed, leaving it up to each individual member of Grand Lodge to exercise his Masonic franchise in accordance with his own experience, his own understanding, his own desires and after personal deliberation and consideration of the debate, if any, on any particular amendment.

All of which is respectfully and fraternally submitted.

NORMAN E. BYRNE
Chairman

REPORT OF THE COMMITTEE ON WARRANTS

This Report was presented by R.W. Bro. J. Pos, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Pos, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Warrants, it is my privilege to present our report to this the 134th Annual Communication of Grand Lodge.

Your committee is composed of R.W. Bros. Joel C. Piper, C. John Woodburn, and myself as chairman.

We are pleased to report that an application for a Warrant has been received from Limestone Daylight Lodge U.D., located in Harrowsmith, Ontario. The lodge has met all the necessary requirements and your committee therefore recommends

that Limestone Daylight Lodge be granted a Warrant numbered 739 on the Register of this Grand Lodge and be assigned to Frontenac District.

We heartily congratulate all of the brethren on the formation of this unique lodge, which will not only provide a convenience for Masons unable to attend lodges that regularly meet at night, but because they operate during the summer season and at different host lodges throughout the district, it will also afford an opportunity for holidaying Masons to attend lodge meetings in the Kingston and surrounding resort areas. We wish them continued success in the future.

The Grand Master, M.W. Bro. William R. Pellow, has granted a dispensation to Ibrox Lodge U.D., Brampton, located in Toronto 1 District. Their **Prayer of Petition** was supported by 115 charter members, who have all been confirmed and approved. The sponsoring lodge is considered to be Ionic No. 229.

Our sincere appreciation is extended to the Grand Secretary, M.W. Bro. Robert E. Davies and his helpful staff for their prompt attention and thorough examination of all documents on behalf of this committee.

Respectfully and fraternally submitted on behalf of the committee.

JACK POS
Chairman

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

R.W. Bro. R. E. Jewell presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by R.W. Bro. Jewell, that the Report be received.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by R.W. Bro. W. E. Elgie, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Elgie, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Board of General Purposes, through the Committee on Benevolence, has the honour to report that during the year ending April 30, 1989, there was disbursed in the interest of benevolence the following amounts:

51 Grants from the Memorial Fund	\$66,274
9 Interim grants from the Memorial Fund	13,800
Christmas gratuities	1,250
Estimated grants made by applying lodges	14,674
Total expended for benevolent purposes	\$95,998

In June, your committee reviewed 51 applications for the 1989-90 year, of which 3 were new. It is recommended that the Supervisor of Benevolence make the following grants based upon the receipt of satisfactory documentation from subscribing lodges.

48 Grants through the lodges	\$75,000
3 Grants through Board of Relief	3,300
12 Estimated Interim Grants	18,400
Christmas Gratuities	1,100
Total Budget	\$97,800

During June and July deliberations a notional high of \$4,000 per grant was determined. Applications reviewed were representative of 41 lodges from 23 districts. With the increase in amounts granted and decrease in requests, we will again be able to recommend the return of excess funds from the interest of the Memorial Fund to the General Account which for many years so generously subsidized the benevolent grants of Grand Lodge.

During the past year we received two bequests for the Memorial Benevolent Fund in the total amount of \$4,600 from the estates of deceased brethren and their families. Expressions of our appreciation have been appropriately addressed by the Grand Secretary. We encourage such memorials for truly benevolent purposes. We are also most gratified to record the repayment of a 1988 one-time grant for \$2,000 by a brother who has since realized a remarkable turn around in his business and personal life - a vow he made on receipt of Masonic assistance.

This will be the third successive year of fewer requests for Grand Lodge benevolence. Can we be assured that not one Masonic dependant who is in need has been neglected, or should we suggest that there may be silent needs to be addressed by lodges as we stress a return to the basics of caring for those less fortunate than ourselves. Hopefully, the message transmitted through the *Masonic Charity* pamphlet, distributed jurisdictionally in 1986, is having an impact upon each and every Mason in Ontario.

Improved governmental health and social services certainly have improved the quality of life for our province. However, with such gains there also may be some corresponding losses, one of which we might call the decline of "Family Pride." In certain instances there appears to be a tendency on the part of some family members to endeavour to pass their responsibility for parental care to the government and other organizations that might assume such. Your committee feels that Grand Lodge does not expect us to make extensive grants to applicants who have close relatives who are financially able to provide and who should assume a greater responsibility than our fraternity. In special circumstances, i.e. substantial real estate holdings, your committee has interest-free loans available.

It is most gratifying to record the many lodges which are readily distributing assistance to identified needs within their community from the lodge's benevolent account. Thanks to the encouragement of the District Chairmen of Benevolence, nearly every lodge has a separate benevolent account. Does your lodge have an active one? In that spirit we exhort lodges to develop their own Masonic arm into the community through bursaries or awards to deserving secondary and elementary school students and youth groups. We laud the benevolent efforts of a very small lodge near a hospital with a high risk neonatal unit that paid for the air travel of the mother of quintuplets, for a 5-day visit to her home some 500 miles away and back to the hospital - quietly - but appreciatively with care, increasing the Masonic windows in one's community.

Benevolence need not always be in the form of material givings. Amiel stated, "To know how to grow old is the master work of wisdom, and one of the most difficult chapters in the great art of living." The caring lodge is one that maintains an active interest in all its members and dependants through a systematic programme of visitation and remembrance. There is no substitute for such personal service to assure them that they have not been forgotten. On behalf of such recipients, we thank those who maintain this personal interest, and suggest to those not doing so, to begin. In addition to the visits from lodge members, visits to recipients of Grand Lodge grants by the Grand Master, District Deputy Grand Masters, District Benevolent Chairmen and committee members will be increasing this year.

To strengthen the relationship we should share with the Masonic widow, your committee brings to this Board the recommendation for the consideration of the development of a Masonic Widow's Pin of such exquisite quality and class so as to serve our dependants with pride. Although we are not the first Grand Lodge to adopt such, we believe that such a piece of jewellery, along with a wallet-sized card and explanation document, will draw the Craft closer to the widows of our members who served us with distinction. Accompanying guidelines and distribution procedures could be developed to assist the presentation.

Last August each District Deputy Grand Master received guidelines and suggestions for effective benevolent work in the district under the District Chairman of Benevolence. We thank you for your cooperation, the District Benevolent Report in your binder and request that you share your experiences with your successor keeping in mind that the supervisor and committee members welcome the invitation to share the story of Grand Lodge Benevolence.

We have commenced a review of all forms required for Grand Lodge Benevolence aiming at more efficient user friendly documents which in no way will be demeaning to the applicant. A comprehensive supplementary letter from the sponsors and regular follow-ups to the supervisor will help us to develop and maintain ongoing case profiles, so we can better serve the benevolent needs of this jurisdiction.

We are extremely pleased to have districts or lodges band together to form Committees on Benevolence (formerly called Boards of Relief). Our Constitution permits such and we compliment those lodges in the Sarnia and Peterborough areas, and encourage other areas to consider the same. On September 15, 1989, M.W. Bro. Eric W. Nancekivell will be installed as President of the Masonic Relief Association

of the United States and Canada in Scottsdale, Arizona. We are honoured by his preferment and congratulate him for the recognition that he brings to our Grand Lodge. Because of the international co-ordination and support given by this body we recommend continued membership by our Grand Lodge.

In the course of our supervisor's work there are many touching cases which come to his attention and subsequently that of your committee. None, however, is closer to our hearts or more important than rendering all reasonable assistance to aid children of deceased, disabled or deserting brethren. These will be the leaders of the future and it is our responsibility to see that they do not suffer through neglect. Two applications this year were from young mothers whose husbands had deserted them, one just prior to Christmas. While not attempting to determine fault, help for the children is a duty we can not deny. One of the many letters of appreciation received from recipients of Grand Lodge assistance was from the grandmother of four orphaned children. Thanks to the concerted efforts of a group of brethren from the lodge who persisted beyond the minimum standards provided by community and social services in such a case of need, they maintained a distanced vigil and support in concert with Grand Lodge. What follows is part of an unsolicited tribute to the generosity of the Masonic Order. "The help you and the members of the lodge has been considerable, generous and I assure you greatly appreciated in regard to the children (my grandchildren) of your former member. To best inform you of what your many acts of kindness have meant, I am sending a letter I recently received from the eldest of the four orphaned children. Please express my gratitude to your members for illustrating your humane attitude in a world which so often is so full of chaos and hatred." From the eldest daughter's letter . . . "I hope that when you talk to the man from dad's Masonic lodge that you will tell him from the four of us how much we appreciated and depended upon their bursaries and assistance. I would have never made it through four years at Wilfred Laurier without their financial help . . ."

Several notes of appreciation have been received from recipients who receive a holiday season greeting card signed by the Grand Master and this chairman and containing a small sum.

All members of the committee render great service through their careful scrutiny of each application and their valuable suggestions as to appropriate action and counsel. I would be remiss if I did not particularly mention the wealth of knowledge and experience that R.W. Bro. Richard Davies, previous chairman, brings to our deliberations. In addition, we thank him for hosting the June meeting in his offices here in Toronto. The close working relationship between this committee and the Masonic Foundation continues. It has been an exciting year to share with Foundation members in the 25th Anniversary Campaign for such a worthy cause. Rest assured that the funds received are being applied to a real scourge in our society through a most efficient management team.

On behalf of all brethren it is a pleasure to express our appreciation to our loyal Supervisor of Benevolence, R.W. Bro. Kenneth L. Whiting, who, in addition to several other portfolios in Grand Lodge, so competently, smoothly and efficiently carries out a most needed function in the benevolence process with compassion and understanding. Along with the unconditional support of the Grand Secretary and his staff, benevolence in our jurisdiction is in excellent condition. We thank you all.

Even with the increased availability of governmental assistance, there remains a pressing need for Masonic benevolence and charity. Kindly acts of remembrance toward older members, the infirm and widows are always required. Practical assistance for those in distress is still the responsibility of those who can help. Therefore, every Mason through his private efforts, his lodge and other avenues of Masonic charity ought to consider what he should, can and will do to assist others. The friendship of those we serve is the foundation of our progress.

Respectfully and fraternally submitted.

REPORT OF THE REGALIA COMMITTEE

This Report was presented by R.W. Bro. C. J. Woodburn, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Woodburn, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

During the past year we have spent a considerable amount of time communicating with the District Deputy Grand Masters about recycling Grand Lodge regalia. Many districts have already been actively doing this for many years, others have now started and some are now discussing and formalizing this procedure within their districts. The cost of new regalia makes this procedure very practical.

It is suggested that each district which hasn't yet started to collect Grand Lodge regalia, appoint someone to be responsible for this in the year ahead. As a rule of thumb, if the blue silk in an apron is in good condition, it is generally worth refurbishing. It is further suggested that a label be affixed under the flap of the apron showing the name of the person who had previously worn it. This will enhance the historic and emotional heritage of the regalia.

We would remind lodges coming up to their 200th Anniversary that a design for this special apron was approved at Grand Lodge last year. However, it is important that a lodge select its regalia supplier well in advance so that they can provide a finished sample to the Grand Secretary before production is started.

Fraternally,

C. JOHN WOODBURN
Chairman

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by R.W. Bro. A. G. Broomhead, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Broomhead, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This 1989 annual report concerns matters in Freemasonry *outside* the Province of Ontario.

Our Grand Lodge of Ontario closely monitors the recommendations for recognition set forth annually at the Conference of Grand Masters of North America by the Commission on Information for Recognition. This commission is comprised of six Masons. R.W. Bro. Robert L. Dillard Jr., P.G.M., Texas, has faithfully and efficiently served this commission as Secretary-Treasurer for the past twenty-two years. M.W. Bro. John B. Obenchain, P.G.M., Virginia, is chairman [1989]. M.W. Bro. William R. Pellow, G.M., Ontario, will complete his tenure on this commission and will be Chairman of the Commission in 1992.

The commission serves only in an advisory capacity to the Conference of Grand Masters of North America and its function is to investigate and report on all matters pertaining to a jurisdiction's qualifications for recognition by members of this conference. This report is therefore used by member Grand Lodges and this Grand Lodge to act upon as they deem proper.

Brazil

There are now twenty-six Grand Lodges in Brazil, South America. All of these Grand Lodges are considered regular and as a result the former Federal Territory of Amapa in the northeast corner of Brazil fronting on the Atlantic Ocean was organized as a new state - *Estado do Amapa* - with its capital in the city of Amapa.

Italy

Freemasonry in Italy has been a constant concern for many years. In 1986 this concern increased when the one landmark of recognition - *monotheism* - was questioned. Representatives from Italy have attended the Conference of Grand Masters of North America faithfully on an annual basis to plea for recognition and assure the committee all regulations were being met. With additional information received, a motion for recognition was placed before the commission by M.W. Bro. W. R. Pellow to approve the Grand Orient of Italy as regular. This motion was adopted.

The Grand Orient of Italy meets the standards of the commission that are required for recognition and this Grand Lodge continues to recognize the Grand Orient of Italy.

Ivory Coast

On February 19, 1989, the French National Grand Lodge [*Le Grande Loge Nationale Francaise*] constituted a new Grand Lodge in Africa - the Grand Lodge of the Ivory Coast [*Le Grande Loge De Cote D'Ivoire*]. This new Grand Lodge will begin with eight constituent lodges and meets the standards required for recognition.

Portugal

The French National Grand Lodge [*Le Grande Loge Nationale Francaise*] has chartered two lodges in Portugal. One is located in Lisbon and one in Porto. No recommendations are offered at this time.

Hawaii

The Grand Lodge of California has assisted several of their lodges located in the Hawaiian Islands in the formation of the Grand Lodge of Hawaii. The officers of this new Grand Lodge were officially installed and invested on July 1, 1989. While this young Grand Lodge would appear to be regular in every way, no recommendations are offered at this time.

Inter-American Masonic Association [C.M.I.]

In April 1988 at Rio de Janeiro, Brazil, fifty-six Grand Masters of Central America, South America, Mexico and the Caribbean met at the 14th Assembly of the Inter-American Masonic Association. An ambitious plan instituted by the Grand Lodge of Peru was approved.

This plan contemplates the eventual creation of a world Masonic plan to help underdeveloped countries overcome "critical economic and social crises," to establish schools, blood banks, clinics, a Masonic Medical Centre and other worthwhile projects. Some of this programme has been accomplished.

M.W. Bro. W. R. Pellow has received an invitation to attend the next assembly in Peru.

I move that this Grand Lodge extend recognition to the Grande Loge de Cote D'Ivoire [the Grand Lodge of the Ivory Coast] and the Grand Lodge of Amapa, Brazil.

Respectfully submitted.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S BANQUET

A brief oral report was presented by the Chairman, R.W. Bro. D. I. Greenwood. This report was received on motion of the Deputy Grand Master, seconded by R.W. Bro. Greenwood

REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. H. N. Britton, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Britton, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to submit this annual report on behalf of the Long Range Planning Committee. The committee includes: R.W. Bros. A. R. Burgess, L. G. Byers, L. J. Hostine, G. E. MacDonald, J. C. Piper, W. E. Rawson, D. G. Walker, S. R. Whiteley and the writer.

Four meetings, with considerable work in between, were held, at which the following subjects were considered:

Fund Raising

A report regarding fund raising that had been prepared by R.W. Bro. C. S. Brooks, a former member of the committee, was forwarded with our interim report to the Board of General Purposes in January and was received and referred to an appropriate committee for review and report.

District Restructuring

The White Paper distributed to all lodges in November, 1987, proposed increasing the current 43 districts to 52 by the redistribution of lodges so as to limit the maximum number of lodges in any district to 15. In presenting the report the Grand Master noted that its purpose was to "improve efficiency, employ more leadership talent and enable the D.D.G.M.s to provide more time, energy and support to our lodges." The committee continues to support this purpose and agrees that while District Deputies are committed to Freemasonry, they also have continuing obligations to their families, vocations, churches etc. Too many lodges in a district cannot help but limit the effectiveness of the District Deputy in fulfilling his constitutional duties, those various other duties that the tradition of his district may now expect, as well as being the communication central between the district lodges and the Grand Lodge.

However, it must be recognized that while some districts have accepted the prompting of the White Paper to proceed with change, there are those who for a variety of reasons are adamantly opposed to any change. In addition to a multitude of verbal communications, the committee has received over 120 letters and reports from D.D.G.M.s, lodges, Past Masters', Masters' and Wardens' Associations and individual members in response to the White Paper and we wish to gratefully acknowledge the interest shown.

The White Paper has stimulated more discussion among Masons throughout the jurisdiction than any other proposal in recent history. While many of the suggestions have been rejected by the members, several districts have agreed to structural changes. There is also evidence that in some areas where change has been rejected, there is acknowledgement that change is taking place (concern for the closing, amalgamation of existing lodges or the formation of new lodges) that may affect the districts in the future.

Having attempted to weigh the comments received, the obvious heavy work loads of some D.D.G.M.s (although not admitted in many cases), it is our opinion that in the short and long term interests of the Craft in our jurisdiction we should only recommend district restructuring where it has been accepted by the members affected at this time. It is further recommended that the District Long Range Planning Committees be directed to review the condition, administration and financial viability of the Craft in their districts in three years' time and report through their D.D.G.M. to the Board of General Purposes by December 31, 1991.

Toronto Districts 1 and 7, with 24 and 26 lodges respectively, warrant special mention. Under the leadership of their District Deputy Grand Masters each gave considerable time and energy addressing the realignment of their lodges. Each strongly sought more time to resolve the problems facing them and recommended no change at this time. Because of the very large number of lodges in each of these districts and our belief that such numbers must place extra heavy burdens on their D.D.G.M.s, the committee was very reluctant to agree to each district maintaining its status quo now. However, in keeping with the basis for our recommendations outlined above, and on the understanding that these districts will continue to seek solutions to their recognized problems in their respective districts and propose appropriate changes to the Board of General Purposes in due course, we are not recommending changes at this time.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. T. R. Davies, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Davies, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Audit and Finance of Grand Lodge has reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's Report attached thereto and the report of the Grand Secretary as referred to it by this An-

nual Communication. These reports appear to fully and accurately record the essential details to:

- (a) The financial position of this Grand Lodge as of April 30, 1989, and the results of its fiscal operations on a cash basis for the twelve-month period ended on that date.
- (b) Details of all Receipts and Disbursements in respect to the General Fund, the Commutation Fund and the Memorial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge which have occurred during the said period, namely the twelve months ending at April 30, 1989.
- (c) The Investment Accounts of the above-mentioned Funds and the summary of all financial resources as of April 30, 1989.

The following observations respecting certain matters covered by these reports, and/or relative to its financial affairs are presented for your consideration.

- (1) The Audited Statements of Grand Lodge accounts show that the net balance of its total resources now amount to \$2,713,263 - a decrease of \$103,146 from the total assets one year previous.
- (2) Total receipts under the General Fund for fees, dues, commutations, interest on investments etc amounted to \$475,409, while disbursements etc amounted to \$542,581 - an excess of expenditures over income of \$67,172. The accumulated deficit on our financial operation of the past two years therefore totals \$91,747.
- (3) Grants for benevolent purposes amounted to \$94,899 - an increase of nearly \$18,000 from one year ago. These grants were paid out of the income of the Memorial Fund. An additional special transfer from the Memorial Fund in the amount of \$30,000 to the General Fund was also authorized to reimburse in a modest way some of the substantial support of prior years when Benevolence was a net drain on the General Funds of Grand Lodge. It is intended that a further transfer of an additional \$30,000 be authorized from the Memorial Fund to the General Fund in the current fiscal year.

It is appropriate again this year to commend the Committee on Benevolence for the care and responsibility shown in administering the funds under its jurisdiction.

In review of all matters covered in this report, the Committee of Audit and Finance has received the fullest cooperation and assistance from the Grand Secretary and his staff. The cooperation and involvement in preparing this report by the Grand Treasurer is also much appreciated.

We will now turn to the budgetary requirements anticipated for the current fiscal year and we regret to advise that a further deficit in this present year is unavoidable. It is in that respect we advise that a Notice of Motion has been proposed whereby annual dues on a per member assessment be increased from \$3 to \$5. That increase will hopefully be sufficient to permit financial planning during ensuing years to return to a balanced budget. Indeed, we would obviously prefer to achieve a budget that would allow at least a small surplus, but it will be at best another full year or better before this committee could realistically present a balanced budget.

The details of the receipts and disbursements for the past year and for the budgeted figures for the year ahead are presented in the attached schedules. We will draw attention only to major items, as follows:

- The impact of the proposed dues increase will not take effect until January 1990, and for the purposes of our present fiscal year we anticipate it will enhance total dues revenue by less than \$70,000; i.e. from \$223,750 in the past fiscal year to a projected \$290,000 in the current fiscal year.
- Revenue from the sale of books is projected to be nearly doubled to a total of \$50,000 during the current fiscal year. This must come substantially from the sale of the new Masonic Manual presented for sale during this current Communication.
- Prospect for interest income and all other sources of income is not substantially changed.

Turning to the disbursement side, we draw attention to the only substantial variations, as follows:

- Furniture and equipment of \$10,000. Our furniture and equipment at the Grand Lodge Office has seen better days and some of it must be replaced. Accordingly, we have established a budget for the present year for a total of \$25,000.
- Printing of books for resale up \$31,000. Assuming that we meet the sales projections of the Masonic Manual referred to earlier, this will be a wash and the apparently substantial variance over last year will be academic.
- Computer data input \$40,000. We have our computer in place and the next task before our Grand Lodge Office is to programme the wealth of information about our membership into the computer. We have allowed for a total expense of up to \$40,000 during the current fiscal year to be dedicated to this purpose.

From the foregoing information and from scrutiny of the attached schedules you will see that we are forecasting total disbursements in the amount of \$599,600 and total income of only \$527,000 - a deficit of \$72,600. This deficit, on top of the aggregate deficits of the past two years, means that our three-year total deficit for the year ended April 1990 will be in the nature of \$160,000 plus or minus. We bring this to your attention only to emphasize the reality that the dues increase proposed in our Notice of Motion is quite unavoidable.

As was the case last year, we wish to confirm to all at Grand Lodge that the Grand Treasurer and this committee have given notice to all Committee Chairmen that budgetary forecasts are not to be exceeded in any way without the prior approval of the Grand Treasurer and the Chairman of Audit and Finance during the year ahead. This continues to be necessary in view of the precarious deficit financing which we have faced and continue to face for at least the next year.

In accordance with Section 134(c) of the Constitution, your committee submits for consideration and approval, as set out below, an estimate of the receipts and expenditures as they relate to the General Fund for the year ending April 30, 1990. Your committee believes the estimates of the General Fund Schedule of Disburse-

ments, i.e. \$599,600, to be realistic and to provide for items which can be reasonably foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the current financial year. We believe that the proposed Notice of Motion concerning the increase in dues will adequately provide for the General Fund of Grand Lodge to return to a balanced budget for the fiscal year 1990 and, hopefully, for at least a few years beyond.

We respectfully submit this report on behalf of the committee.

T. RICHARD DAVIES
Chairman

REPORT OF THE POLICY COMMITTEE ON THE BULLETIN

This Report was presented by R.W. Bro. G. E. MacDonald, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. MacDonald, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge. A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Two issues of The Bulletin were published during the year utilizing the format adopted in 1988. In addition to the Grand Master's message, The Bulletin contained news items from lodges, special information concerning Grand Lodge activities and photographs.

The District Deputy Grand Masters were surveyed regarding the content and format of The Bulletin in an attempt to obtain a *snapshot* of readers' views across the jurisdiction. The responses received are summarized as follows:

1. The content and format were considered to be satisfactory. Indeed, most of the respondents could not substantiate a change in format. The Bulletin was described as newsy, informative, excellent, interesting, and a good method of communication. Suggestions included more use of captions for lodge items and the use of black type. The present use of blue type on white background presents difficulties for the visually impaired.
2. Most respondents agreed with the balance of information; i.e. continue to include lodge items, information relating to Grand Lodge and photographs. It was suggested that there should be more information on special initiatives. There was general agreement that photographs enhance The Bulletin; however, they should not be larger than those appearing in the March, 1989, issue.
3. Comments from the District Deputy Grand Masters suggested that the lodges be encouraged to submit more information for The Bulletin; consideration be given to the publication of a third issue during the year; and each district (not having a newsletter) should be encouraged to produce and distribute a newsletter within the district.

We recommend the following for the coming year:

- (a) The present format and balance of information be continued.
- (b) The Bulletin be printed with black type to assist the visually impaired.
- (c) Lodges be encouraged, by the D.D.G.M.s to submit more items for review by the Editor, including timely information relating to special initiatives.

Our thanks are extended to R.W. Bro. R. Wilson McConnell for his continuing efforts as Editor. We also extend our appreciation to the Grand Secretary and his staff for their participation in the printing and distribution of The Bulletin.

Respectfully and fraternally,

W. NORMAN BUCKINGHAM
GERALD E. MACDONALD

REPORT OF THE COMMITTEE ON PUBLIC INFORMATION AND COMMUNICATIONS

This Report was presented by V.W. Bro. W. Norman Buckingham, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Buckingham, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Public Information and Communications Committee participated in each of the 1988-89 Grand Master's Regional Workshops. At these sessions we discussed the importance of establishing and maintaining a positive image of Masonry within the membership and their families, and with the public in general. Particular stress was placed upon the value of the image held by prospective members and by new members.

The workshops provided an assessment of the membership's attitude toward public information programmes and activities. A general overview indicates the following factors which may be useful in future planning:

- while most lodge officers are in favour of conducting public information programmes, there remains a strong determination among some members to maintain the traditional attitudes of close privacy.
- there is a continuing need to acquaint lodges of why good public relations programmes are required, as well as guidelines on how to conduct them.
- there is a period of time required for the acceptance and absorption of new ideas, and lodges seemed to feel that 1988-89 was such a time period for public relations programmes.
- the coming year should be one in which new accent can be placed on information programmes and lodge participation in them.

The committee continued to work directly with individual lodges and districts in communications and public relations efforts. In this regard, the marked improvements

in many lodge summonses are most gratifying. Notable also were the results achieved in local newspaper coverage by District Information Chairmen and others who made special efforts along those lines.

The opportunities to help in these and other endeavours to improve communications within Masonry and with the public have been appreciated.

This report is respectfully submitted on behalf of the committee, R.W. Bro. Arthur F. Pearson, and myself.

REPORT OF THE TASK FORCE REGARDING FUNDRAISING

This Report was presented by W. Bro. N. G. McCarthy, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. N. E. Byrne, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This task force was formed to investigate the feasibility of fundraising principally to augment the financial resources of our Grand Lodge.

The research has included the following subjects, as indicated:

The Constitution

The rules and regulations of our Order neither support nor condemn the use of fundraising for general or charitable purposes. Any decision by this Grand Lodge to endorse the concept would entail a change in the policy of Grand Lodge and therefore require amendments to the Constitution.

The Income Tax Act of Canada

For many years our Grand Lodge has enjoyed a tax exempt status as a fraternal society by using the revenues in the pursuit of its goals and objectives. The legal and accounting professions have cautioned regarding fundraising as severely altering the focus of Masonry with respect to the Income Tax Act.

If treated indiscriminately, our revenues would potentially have to increase by 40% (before tax) just in order to break even before realizing any benefits from our fundraising efforts.

The Corporations Act of Ontario

Preference would be given to a separate, legal, taxable entity or corporation with share capital. The after tax revenue could be distributed to the shareholder on a tax free basis.

Other legal considerations include (a) "unrelated" versus "related" business, (b) "charitable" versus "non-profit," (c) "private" versus "public," (d) principal activity, (e) profit motive and (f) "arms length." These terms, their definitions and legal relationships or implications have a major impact on the interpretation of the intent of our goals.

Methods of Fundraising

There are several companies that specialize in assisting organizations in raising funds for their own purposes. Most offer a variety of programmes, each tailored to specific needs or appeal. Some of the methods of fundraising investigated were:

Credit cards sponsored through a financial institution could have the Masonic logo and appropriate wording on them for which each member would have to make independent application. In return Grand Lodge would receive an amount of money depending on the number of Masons subscribing and how much was purchased with the cards. Assuming a 5% participation in the programme we would conservatively generate \$20,000 (after tax) per year.

Greeting cards (Christmas or all occasion) sent to our membership would require a 15% response at an average of \$20 per contribution just to make the programme break even due in part to the high distribution costs. If 20% of the Masons within our jurisdiction responded with donations, the programme could generate approximately \$50,000 (after tax) per year.

Travel programmes are offered to a wide variety of locations. Seven or eight trips per year with at least one hundred participants could generate an estimated \$20,000 (after tax). A minimum of fifteen people per excursion would be required before revenue sharing could commence.

Return address labels would require a similar involvement of our members at \$10 per contribution to produce similar results to the credit card programme mentioned above.

Several suggested methods of fundraising would require a computerized central mailing list. At the present time this does not exist and could be considered an invasion of the privacy of members or the lodges themselves. Each lodge experiences some degree of difficulty coping with address changes. The problems are even more enormous for a membership of 90,000. A partial solution would be to request each lodge to distribute the fundraising material to each of their members on behalf of the Grand Lodge.

Survey of the Grand Lodges of North America

A total of twenty Grand Lodges (40%) responded to this survey representing 1.3 million Masons.

Thirteen had at some time been involved in fundraising, one had started as far back as 1910, another in 1957, but most within the last ten years. Three have discontinued their programmes, three others report only modest growth while the balance indicated declining participation. Only half that are still involved in fund raising are planning any further or new programmes.

Membership support for these efforts initially ranged from less than one percent to as high as seventy-five percent depending on the programme offered and the need for the funds. In all cases but one, the revenues were used for charitable purposes. Most reported that they would encourage other Grand Lodges to fund raise for charities, foundations, etc but the consensus was that interest diminished as programmes were repeated.

More than half of the Grand Lodges responding indicated that their programmes generated less than \$50,000 over the last four years. Only two have been successful at raising more than \$200,000 during the last year.

Generally, other Grand Jurisdictions reported that their Constitutions did not prohibit them from fundraising and that our financial policies were our own affairs. There were, however, three that would not fundraise according to their rules and regulations and felt that it would be offensive if this Grand Lodge were to fundraise for the sole purpose of offsetting administrative expenses.

Survey of Lodges within our Grand Jurisdiction

A questionnaire was sent to 106 lodges in 7 districts picked at random. Fifty-five percent responded.

Two-thirds of those lodges were of the opinion that our Grand Lodge should rely on per capita fees only as a means of generating revenues for administrative purposes. Half of the lodges responding felt that it would be considered offensive for our Grand Lodge to fundraise to meet these expenses.

From the comments: "fundraising would commercialize Masonry and alter our image to that of the service clubs" and "fundraising should be used for charitable purposes only." One lodge was supportive as long as the revenue raised from their members was credited to their share of the per capita.

Seventy-five percent of the lodges responding indicated that at some time they had used fundraising for building funds or repairs, printing the lodge history, benevolence, entertaining the widows and other charities. One lodge reported using the funds for paying the utility bills and taxes while another stabilized their Life Membership Fund.

Amounts raised by the lodges varied with the type and need of the project. Less than half expressed interest in trying to fundraise again. All were supportive of the programmes of the Masonic Foundation and felt that the greatest participation came in aid of these specific projects.

As a result of this comprehensive study and after careful consideration this Task Force does not recommend, at this time, the concept of fundraising as a means of defraying Grand Lodge expenses. Part of the reason for this conclusion is that it is perceived as offensive by not only our own member lodges but other neighbouring Grand Lodges. The spirit of the membership is not in favour of this programme and without their support our efforts will not succeed. Secondly, but of equal importance was the liability or risk to our members and Grand Lodge by our involvement in fundraising. The practicality of administering any programme plus the economic gains in relation to the amount of time and money invested are not favourable.

I would like to take this opportunity to thank the Grand Lodges of North America and the lodges within our jurisdiction for sharing their experiences and views regarding fundraising.

Grand Master, I would like to thank you for allowing me the privilege of serving our Grand Lodge and for the challenging task that you asked me to perform.

In closing, appreciation is extended to M.W. Bros. A. L. Copeland, R. E. Davies; R.W. Bros. N. E. Byrne, W. E. Elgie, K. L. Whiting and the staff of Grand Lodge for their advice and assistance over the past year.

Respectfully and fraternally submitted.

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. Michael D. H. Farr, Grand Chaplain, and received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

First, I wish to thank our Grand Master, M.W. Bro. William R. Pellow, for the great honour he has bestowed upon me by appointing me Grand Chaplain. One aspect of Masonry that has always appealed to me is that of those of us who are ordinary "worker bees" in our public and private avocations have the opportunity to assume roles of leadership and to be recognized by our peers in Masonry.

In my public avocation as an Ordained Minister in the Christian Church, I look to see if people have a balance to their lives. It would appear that human beings need balance between the intellectual, physical, and spiritual dimensions of their lives.

If one area is lacking the person is out of balance. So often it is the spiritual dimension that is lacking. I find the same is true of Masons. I wish to remind all Masons of the questions they had to answer before they were allowed to join our Order. I expect that you were taught the answers to those questions in a Faith Community. I encourage all Masons to take a full and active part in their Faith Community. By doing so you will nurture the spiritual dimension of your life and help to diffuse the criticism of our Order that so often comes from Faith Communities.

As a Grand Lodge Officer this year I have heard concern expressed for some of the changes that have taken place in the recent past. From my point of view the principles of Masonry have not changed, some of our methods have. An illustration from present day operative Masonry. I have recently moved into a house in a new subdivision. One day I was watching the mason laying brick at the new house next door. Rather than use a hammer and chisel to cut brick and stone, he used a chain saw like machine with a circular cutting blade. The cuts are straighter, faster, and there is less waste from miscut brick or stone. The principles have not changed, the methods have. Our programme of "*Opening Masonic Windows*" cannot affect the principles of Masonry yet it will improve our public image greatly.

This report is respectfully submitted in the Name of the Great Architect of the Universe, to whom belongs all Glory and Honour.

Your brother and friend.

Grand Chaplain

REPORT OF THE AWARDS COMMITTEE (WILLIAM MERCER WILSON MEDAL)

This Report was presented by M.W. Bro. H. O. Polk, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Polk, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

My service to Grand Lodge has been pleasantly extended by being privileged to serve as chairman of the William Mercer Wilson Awards Committee, and to present this report for the first time encompassing the time period of the past year.

It is but fitting, forthwith, to pay tribute to M.W. Bro. J. A. Irvine, P.G.M., and former Grand Secretary, for his devotion in contributing many years of service as committee chairman. Indeed, but proper to include M.W. Bro. B. B. Foster, P.G.M., for his dedication in responding to the every call of the committee with commendable haste.

The applications are scrutinized on the individual merit of the nominee, always mindful of fairness to the worthy proposed brother, but in a manner that assures the petitions conform to the mandate of the committee as set forth in the regulations governing the award.

Your committee is pleased to report six distinctive recipients have been honoured with the award during the year in review. We heartily congratulate each of them. Their names are recorded in the Grand Master's Address.

The content of the petitions are, for the most part, improved as compared to several submitted in recent years. The majority resemble more closely the particulars required to assure a favourable recognition of proposed nominees.

Our thanks go forth to the Grand Secretary and his staff for the courtesy and efficiency of service with which your committee members have been favoured throughout the year.

Respectfully and fraternally submitted.

REPORT OF THE GRAND HISTORIAN

This Report was presented by V.W. Bro. Howard Warren, Chairman, and received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my pleasure to report to you the accomplishments and enthusiasm shown by the brethren within our Grand Jurisdiction.

A letter was issued to every D.D.G.M. suggesting that they appoint a *District Historian* to co-ordinate and edit the historical data received from lodges within their districts. The response was overwhelming. It far exceeded my expectations, as a large majority of districts indicated that they would either appoint now or in the very near future a District Historian. The response I have received has shown that these brethren are actively working to retain the history of our Grand Lodge.

I also recommended that each D.D.G.M., on their official visitation, suggest to the lodges who do not already have an appointed office of Lodge Historian to do so at their earliest convenience. This recommendation was also well received.

A second letter was sent to all D.D.G.M.s requesting that the lodges within their districts who have historical data to submit a concise edition of their historical data. The response was most gratifying. I received a number of submissions, some from lodges who had never before edited their history of their lodge.

Request to each lodge: that they issue to each new candidate on receiving the initiatory degree a brief history of the lodge that our newest brother has just joined, signed by the Worshipful Master. The purpose is to give the new member a short resumé of his lodge. As we are aware, the new member knows very little, if anything, about the lodge he has joined other than where it is located. From this point on the new member, hopefully, will ask questions and receive additional information pertaining to Masonry and his lodge.

Another idea: why not awaken the spirit of Freemasonry in your lodge by writing an article on your lodge for publication in your local newspaper, giving a brief historical data and to emphasize the lodge's contribution to the community. Such as - for example - the M.A.D. Programme.

Due to illness I was not able to implement all of the ideas that circulated within my head. However, the items mentioned have been made available to all lodges of this Grand Lodge in the Province of Ontario. The real value of Freemasonry to our society will ultimately come through the way we as members conduct ourselves. These values will then be recorded in our history in order that the nature of our teachings will show to those in the future the destiny of their fellow man toward a better place to live in this world of ours through Freemasonry.

May my successor carry on and improve the work done by his predecessors.

Respectfully and fraternally submitted.

REPORT OF THE COMMITTEE ON COMPUTERIZATION

This Report was presented by R.W. Bro. K. L. Whiting, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Whiting, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the final report of your Computerization Committee.

As noted in our report last year, we were in ongoing negotiation with suppliers re the type and cost of hardware. This delay proved to be fortuitous, for shortly after Grand Lodge, we learned of a supplier in Hamilton whom we felt could best provide our needs and ongoing support. This came about in casual conversation with our auditors, Doane Raymond, who had just installed a system of their own using equipment manufactured by Samsung Electronics.

In negotiation with this supplier (Castle-Wall Computers) we decided on a system of hardware with which we have been extremely satisfied. Both the price and performance have exceeded our expectations.

The Grand Lodge computer system was installed just prior to Christmas 1988, consisting of a Samsung S800 file server which incorporated 80386 technology and Samsung S550 workstations, which use 80286 technology, networked together using the industry standard Novell network. The balance of our hardware consists of Fujitsu DL-2600 24 pin Dot Matrix printer, a Brother HL-8e Laser printer and a TLC 125 tape backup unit.

Initially, we commenced upon the word processing aspects of our duties and then added the payroll function using Paymaster software.

We have now computerized our accounting system using ACCPAC PLUS with the assistance of our auditors, Doane Raymond, and our staff will be progressing through the required learning curve during the balance of this year.

The conversion is underway for the membership records programme and as stated previously, this will be a long and time consuming task for which we will require assistance in the form of temporary data input personnel. If there are any brethren living in the Hamilton area that may feel disposed to offer of their time and talents, they would be most welcome. Apart from being able to make use of assistance from brethren that have some computer input ability, we also need assistance in transcribing the records from our huge registers to a more convenient format for data input; for this task we do not require computer literacy, just a legible hand. Any brethren so interested may contact me at the Grand Lodge office.

I would be remiss if I did not compliment the dedication of our office staff, (including the Grand Secretary) in the learning processes involved in becoming computer literate. From a start in mid January to the present time, a span of only six months, the quality of the correspondence, dispensations, Life and Past Master Certificates as well as those famous communication mediums, the Bulletin and the Eye Opener, is indicative of the skill and dedication of these faithful employees, particularly the Grand Secretary's secretary, Mrs. Dorothy Chalmers. Her determination to master this electronic marvel is only superseded by her knowledge of the workings of our Grand Lodge, which is second to none.

M.W. Sir, I believe the intent at the outset, when this committee was formed, was to get suitable hardware and software in place and to commence the process of bringing our Grand Lodge into the modern era of computerization and all that that implies. This part of the task is now completed and I extend my thanks and appreciation to the other members of the committee, M.W. Bro. Robert E. Davies and R.W. Bro. Colin MacKenzie, for their help and encouragement. Also, a very special thanks, for the support and programming done and being done on our membership records, to W. Bro. Mel Duke whose private avocation has had him in the Far East almost as much as his being home this past year and yet he has found time to provide so much assistance to me, both in consultations of how to proceed with the best possible system and in the actual programming of which he is greatly talented.

As promised last July, Most Worshipful Sir, as you hand over the reins as our Grand Master, you can do so in the knowledge that our Grand Lodge is truly prepared for the future and that efficient computerization will be part of the legacy of your term of office.

All of which is respectfully submitted on behalf of the committee.

REPORT OF THE COMMITTEE ON ANNUAL COMMUNICATION SEMINARS

This Report was presented by R.W. Bro. L. J. Hostine, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hostine, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Annual Communication Seminars has organized, for this year, five seminars which will be presented at 1:30 p.m. and 2:45 p.m. on Tuesday, July 18, 1989.

The topics and the seminar leaders responsible for each are:

Lodge Finances
Lodge Buildings
Condition of Masonry
Office of D.D.G.M.
Office of Worshipful Master

V.W. Bro. Samuel H. Cohen
R.W. Bro. R. Carl Casselman
R.W. Bro. C. Edwin Drew
R.W. Bro. Murray Wagg
R.W. Bro. George Hinchliff

The chairman is indebted to the other member of the committee, R.W. Bro. John W. Auckland, for his wise counsel and assistance in the organizing of the seminars.

The thanks of the committee are extended to the seminar leaders and all of the brethren who assisted in the preparation and presentation of the seminars.

Since the seminars were started there has been a steady increase in interest as shown by the increase in attendance each year. This indicates that the Masons of the jurisdiction are eager to obtain that knowledge which will enable them to operate their lodges in a more efficient and effective manner.

The committee would appreciate any comments regarding the seminars and any suggestions for future topics.

In closing, the committee would like to extend a sincere appreciation to the Grand Secretary, M.W. Bro. Robert E. Davies, for his efforts in making the arrangements for the seminars with the Royal York Hotel.

All of which is respectfully and fraternally submitted on behalf of the committee.

Chairman

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. C. E. Drew, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Drew, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the report of the Committee on the Condition of Masonry, on behalf of the members of the committee: R.W. Bros. William T. Anderson, John M. Boersma, Frank G. Dunn, Michael D. H. Farr, Larry J. Hostine, Reginald E. Jewell, George W. Kerr, Duncan J. McFadgen, Edsel C. Steen, J. Murray Wagg and V.W. Bro. Lloyd R. Bittle.

Guidelines for the District Deputy Grand Master

Guidelines for the office of District Deputy Grand Master have been prepared by this subcommittee, established in 1987, under the chairman, R.W. Bro. J. Murray Wagg, assisted by M.W. Bro. T. John Arthur; R.W. Bros. Frank Bruce, James Hughes, Jerry Howarth, Jack Moore, Harold Stanley and Edsel Steen, with the final editing being coordinated by R.W. Bro. David C. Bradley.

Their attention has been focused on one of the most important links in our communications chain, the District Deputy Grand Master.

The comprehensive guidelines which they have prepared will be presented to the District Deputies in July, 1989, and it is planned to present them in regional seminars in the fall of 1989.

This has been a major undertaking, with the subcommittee meeting twenty times over the two-year period, and this committee is indebted to those who gave so generously of their time and talents to provide guidance for those who will serve in this office in the years that lie ahead.

Cornerstones

There were two cornerstones set during the year, at Wardsville and Barrie. The committee suggests that standard wording be considered for the cornerstone.

The Mentors Programme

This programme has now been in place for four years, and is firmly established and thriving in the lodges and districts where it has received the attention it deserves. Without question, when it is used as intended, it works! Many lodges have shown a dramatic upturn in their fortunes following the implementation of this programme.

To cite but one example: True Blue Lodge, No. 98, G.R.C., in Bolton, at the installation ceremonies in June, 1989, invested six enthusiastic graduates of the Mentors Programme as officers of the lodge, and the programme has had a very positive effect on senior members who have been acting as mentors. It behooves us all to remember that **ENTHUSIASM IS HIGHLY CONTAGIOUS!**

The District Deputy Grand Masters each appointed a District Mentor Chairman, and we have asked that the District Deputies convey our thanks to these dedicated brethren for the efforts they have made in aiding and encouraging the Lodge Mentors in the performance of their duty.

V.W. Bro. Lloyd Bittle, Chairman of the Mentors Programme, who has been reporting to this committee on a monthly basis, has chosen to retire and has been succeeded as chairman by R.W. Bro. Duncan McFadgen, who was the Vice-chairman.

Words seem so inadequate to express the gratitude of this committee, and indeed all who have been touched by this programme, to Bro. Bittle for his outstanding contribution, but perhaps one will suffice . . . **SHABOOM!** . . . Lloyd.

Grand Master's Regional Workshops

The committee was pleased to assist in the regional workshops, under the direction of R.W. Bro. Norman E. Byrne, presenting the section on "Membership Enhancement" at the various locations.

Grand Lodge Seminars

The committee will be presenting a seminar at the Grand Lodge Communication on **July 18, 1989**, in two segments: The Lodge Newsletter; The Mentors Programme.

Community Entrance Signs

This test programme is now in place. Of the 51 signs, 45 are approved and installed in 21 locations, with 3 locations pending final approval at the local level. The lodges and District Deputies involved were informed that:

1. These signs are the property of the Grand Lodge, and are approved at the discretion of the Grand Master.
2. The lodge is responsible for the installation and for the maintenance of these signs, and any cost involved in so doing is to be borne by the lodge.
3. The D.D.G.M. will monitor the installation and maintenance of the signs, and include mention of this in his report to Grand Lodge.

The committee would appreciate receiving any comments and suggestions relating to these signs, as we embark upon this endeavour, to monitor the effectiveness and usefulness of these signs.

Memorial Scroll

R.W. Bro. Earl Rawson attended a meeting of the committee and displayed a Memorial Scroll for a deceased brother. It was the opinion of the committee that this scroll merits further consideration from the Board of General Purposes.

District Deputy Grand Master Reporting Forms

The format of the forms has been reviewed, with valuable input from several of the 1987/88 District Deputies, and the next printing will incorporate many of the amendments suggested.

Slides of Lodge Buildings

A catalogue of the slides obtained from the districts has been assembled, and will be available at the Grand Lodge Communication in July, 1989, in a video format.

District Deputy Grand Master Reports

This is the second year under the new reporting format, and the continuity of the system makes them considerably easier to read. However, we can only read them if they are submitted on time, on or before **JUNE 1st**, as required in Section 104 of the Constitution.

These reports provide an insight into the Condition of Masonry within the various districts, and upon reviewing them one cannot help but be impressed by the dedi-

cation and devotion of the brethren who served on the district teams, headed by the representatives of the Grand Master, and aided by the hard working District Secretaries. We express our gratitude for a job well done. Some of their observations:

Finances. More and more lodges are reviewing their financial structure, invoicing for dues, ensuring that life membership funds are properly maintained, establishing a budget, adopting a realistic dues structure, and, most important, informing all the members by mailing an annual financial statement.

Accommodations. Many lodges have embarked on extensive programmes to enhance their Masonic homes, both inside and outside, including safety considerations and providing easier access for the brethren, while upgrading our community image.

Communications. There has been a dramatic improvement in the quality of the lodge summons, the first line of communication to all the brethren, many lodges have added memorial inserts, while others have added a newsletter. Several districts have utilized a newsletter to improve communications. Bulletin boards have appeared in almost all lodge buildings, and at least one district has a travelling bulletin board, which is maintained by the District Secretary.

Divine Services. All districts held a Divine Service, some made it a family service, with the members seated with their families. District Chaplains provided assistance to the District Deputies in this and in many other district functions. Many lodges held Divine Services, some combined with an Open House following the Service.

Open Houses. More lodges held Open Houses during the year, some for the very first time, and were rewarded by large attendances of family and friends and some long absent members. From all reports, a highly successful activity.

Public Relations. Some districts have appointed a committee to maintain and enhance our image in the community.

Community Involvement

Lodges are involved in many aspects of community life, sponsoring Scout Troops, music festivals, youth groups, senior citizens' activities, Red Cross and many others, as well as providing assistance and benevolence to those less fortunate in the community.

Official Visits

The D.D.G.M.s all report that they were received with excellent protocol and gracious hospitality by the Worshipful Master and the brethren of the various lodges.

Finally, may we express our thanks to the members of the committee for their attendance at our monthly meetings, for their dedication and intense desire to serve the Craft, and on behalf of the committee, our gratitude to the members of Grand Lodge, in particular the Grand Secretary and staff for their assistance and cooperation.

All of which is respectfully submitted on behalf of the committee.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by R.W. Bro. R. Throop on behalf of R.W. Bro. R. C. Casselman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Throop, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is again my pleasure to present this report as chairman and on behalf of the Advisory Committee on Lodge Buildings.

We acknowledge and congratulate Hammond Lodge No. 327 in Wardsville for completing the final phase of the construction of their new Masonic home. On April 1, 1989, our Grand Master, in company with several Grand Lodge officers, brethren and citizens of Wardsville, braved a chilly day to participate in the historic laying of the cornerstone. This is a beautiful building complete with a new Masonic sign and flagpole. The brethren of Hammond Lodge are to be congratulated for their dedication and enthusiasm by providing an excellent Masonic home for the brethren in Wardsville and surrounding area.

The dedication of the new lodge building for Gore Bay Lodge No. 472 in Sudbury-Manitoulin District was held on April 8, 1989. W. Bro. Brian Hester and the members of his committee, chaired by Bro. Ray Graham, are to be congratulated for a job well done. This new building complete with Masonic sign serves to identify and enhance the image of Freemasonry in Gore Bay and surrounding area.

Two of our lodge buildings had the misfortune of being gutted by fire. Through their dedication and hard work I am pleased to report that the brethren of these lodges have rebuilt their facilities. The Masonic Building in Ilderton, the home of Middlesex Lodge No. 379 and Henderson Lodge No. 388, has been restored to its original splendour and is identified by its new Masonic sign.

King Hiram Lodge No. 78 in Tillsonburg was also gutted by fire. The brethren of this lodge have rebuilt their facilities and are thankful for the assistance of several Toronto brethren for the use of Masonic furniture.

Several lodges and building corporations have improved their Masonic homes and many are in the process of doing so. Victoria Lodge No. 470 in Victoria Harbour, Georgian District, has done a splendid job with the lodge interior. Plans are underway to improve the exterior of the building when time and funds permit.

Coronation Lodge No. 466 in Elmvale, Georgian District, has done extensive renovations and has installed a Masonic sign to identify its premises.

Many lodges have done extensive work to improve their facilities; including Marmora No. 222, completely renovated and identified by a new Masonic sign; Plantagenet No. 186 in Riceville, new plumbing and new sign; Otter No. 504 in Lombardy, fantastic repair and rebuilding programme; North Entrance No. 463 in Haliburton, complete basement renovations. Thistle No. 250 in Embro has completed repairs to their lodge room ceiling. A new dome has greatly enhanced the room's appearance. Glenrose No. 628 in Elmira has renovated the anteroom, installed new carpet in the lodge room, new bathrooms and new furnace and air conditioning. Special mention goes to Goodwood No. 159 in Richmond. A two-year extensive renovation programme has been completed. Thanks mainly to the efforts of V.W. Bro. Alfred E. Harrington this seventy year old building has been improved to conform with the standard of provincial and municipal regulations in all respects. A good job well done!!

Our signage programme continues to be well received throughout the jurisdiction. To date, seventy-three lodges have applied for the standard approved lodge identification sign. We encourage those lodges and building corporations who have not yet taken advantage of the programme to do so as soon as possible. The sign

manufacturer has continued to keep the construction cost constant despite the increased cost in labour and material. Get on the band wagon. Identify your Masonic presence in the community with a new illuminated Masonic sign.

In closing, we acknowledge the debt owed to all district and lodge chairmen who have done their best to implement the building programmes suggested by this committee. The Lodge Enhancement Programme and the Signage Programme have been well received throughout the jurisdiction. We wish to thank our Grand Master for his enthusiastic drive and for the support he has provided this committee during the past year.

Respectfully and fraternally submitted on behalf of the committee.

REPORT OF THE BLOOD DONORS' COMMITTEE

This Report was presented by R.W. Bro. W. C. Frank, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Frank, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege and honour to present the report of this committee, which is comprised of R.W. Bros. J. W. Auckland, A. G. Broomhead and A. Grant.

First of all, I want to thank the D.D.G.M.s of this past year for the assistance they rendered on behalf of this committee.

As my report indicated last year communication seems to be the area that either makes this programme work or not. To try and get a head start on encouraging the lodges to promote the blood donor programme, guidelines and suggestions were included in the package the Grand Master distributed to the 1988-89 D.D.G.M.s at Grand Lodge last year.

As all past chairmen have indicated D.D.G.M.s should try and keep the district chairmen for more than one year to give some continuity to the programme. To what success the D.D.G.M.'s appointment of District Blood Chairman this past year had in encouraging the individual lodges in his district to either continue their blood programmes or start new ones earlier in the Masonic year is difficult to assess. The reason being that at the time of printing this report a very small percentage of the districts had reported their results. However, there are sufficient reasons to believe this long established Masonic programme is still contributing in a very substantial manner to the success of the local Red Cross responsibility to their respective communities.

Those of us fortunate to be close to large Red Cross clinics perhaps do not appreciate the extra effort many brethren go through to fulfil their obligation to donate blood. In many cases many miles have to be travelled to donate the specific day a clinic is available. To these brethren your committee salute you for your very generous efforts.

When many Masons think of donating blood the traditional manner is perhaps what comes to mind, which restricts one to no more than once every quarter. There are two other ways: the plasma donations and platelets which can enhance our programme's results considerably.

Plasma is the straw coloured fluid portion in which all cells, proteins and nutrients are suspended. It constitutes 55% of the blood and is replaced in the body within 24 hours of donation.

Plasma is collected using an apheresis machine, which separates whole blood into red blood cells and plasma. The plasma is retained and the red blood cells are automatically returned to the donor. This procedure takes about 45 minutes.

You can donate plasma more often than whole blood because plasma is replaced within 24 hours. It is safe to donate plasma up to 26 times a year. Plasma donors can participate in the regular blood programme too.

Platelets are produced in the bone marrow and constitute about .5% of the blood.

Every day of the year, thousands of Canadians get blood they need thanks to Red Cross blood donors like you. But some patients need blood that only one in ten thousand people can provide. These blood donors undergo a special procedure called platelepheresis.

Platelets are one of the components required to make blood clot. Patients with bleeding disorders need large quantities of platelets as part of their treatment. They usually receive platelets from six to eight different donors. But these platelets gradually lose their effectiveness. In some patients the body builds up antibodies that fight against these *foreign* cells. Matching blood types is crucial. These patients need a donation from a blood donor whose platelets so closely match their own that they are accepted readily.

Plateletpheresis is similar to a whole blood donation, but requires up to two hours. The donor's blood is processed through an apheresis machine that extracts only platelets needed and returns the rest of the blood to the donor.

In a healthy person, platelets are replaced almost immediately. A regular blood donor can donate platelets up to 12 times per year, and as often as every day.

My brethren, obviously only Masons close to larger centres can participate in either the **plasmapheresis** or the **plateletpheresis** programmes, but you can easily see how these programmes can enhance and compound our numbers of donations.

Listed below are the results of the districts reporting at time of printing.

W. Bro. R. F. Scott, Chairman from Prince Edward District, reports although their recorded donations are slightly down, he is sure there are a number not recorded for various reasons.

Prince Edward Lodge No. 18 is the district winner with full credit going to their chairman, Bro. Russell Perkins. Bro. Clarence Deacon of that lodge has donated over 120 times. There were a total of nineteen clinics held in the area.

St. Thomas District reports another successful year, giving special credit to Bros. Colin Mellor, Sharon McCormack, Al Rutherford and A. Levack. These brethren never have to be asked for help at the clinics. This shows sincere loyalty to a worthwhile programme.

Algoma District, under chairmanship of Bro. Steve Turyk, produced very favourable results, which represents an area where communication plays a vital part in the success of this programme.

W. Bro. Ralph Totten, co-chairman of the Windsor District, reports another year of somewhat less numbers, but is optimistic next year they will be back over the 1,000 figure from the current 919.

The two London Districts - East under the chairmanship of W. Bro. Clare Hatt and West under W. Bro. James Smuck - have also reported a slight decrease, but each one assures me the pendulum will swing back up next year

Peterborough District, under W. Bro. Vernon Orr as chairman, showed a slight decrease, but three lodges [Royal Arthur No. 523, Hastings No. 633 and W. J. Dunlop No. 675] showed considerable gains. However, the most significant event would be the presentation of a district certificate to W. Bro. Stan Foskett for reaching the 100 donation level. Fantastic, Bro. Foskett.

Toronto District 1: W. Bro. John Muise reported the Cecil H. McFadden award for highest percentage increase received by Ionic Lodge No. 229, with an increase of 100%. Well done, brethren.

Special tribute goes to W. Bro. L. G. Moar, District Chairman for Ottawa District 1. He copied me in his final report with twelve pages of information he had used to communicate with the sixteen lodges. I hope the incoming D.D.G.M. will give him one more year to continue his valiant efforts which I am sure will produce substantial increases this 1989-90 year.

Toronto District 6, under chairman W. Bro. Gordon King, reported only seven lodges participated, but have some outstanding individual records. Bro. George Holden, Malone Lodge No. 512, 94 donations. W. Bro. David Pinfold of Harry L. Martyn Lodge No. 696, 89 donations, and W. Bro. Bill Utton of Willowdale Lodge No. 717 reached his 50th donation. Also, Board Member R.W. Bro. Dick Davies encouraged forty-four of his staff of the Toronto Dominion Bank to donate. Tremendous records from Toronto District 6.

Temiskaming District - three Timmins lodges once again had a very successful blood donors clinic March 15, collecting 380 units. Total contributions for the year were 445. Congratulations to chairman W. Bro. David Ramsey.

My brethren, due to lack of understanding of the blood donor reporting procedure, there have been some district results not included in the foregoing list. However, due to the outstanding content of one of these misdirected reports, namely Hamilton A, I will make special mention of, and I have been assured it will be appended as follows:

"The tally for 1988/89 from Hamilton District A indicates an increase of 315% which is derived from a donation total for 1987/88 of 484 to this year of 1,523. Not only is it the largest percentage increase in the jurisdiction, but the largest total number of donations for the province. This record will be a challenge for other districts to surpass in future reports."

Brethren, although the foregoing reports represent a small percentage of the 43 districts, your committee is still satisfied the programme is working for the betterment of Masonry in general. To further prove the faith, Grand Lodge plans to make available an appropriate certificate of recognition for everyone that reaches the 100th donation.

These very unique recognitions will be signed by the Grand Master and Grand Lodge Blood Donor Chairman. This will be yet another first in the long list of achievements M.W. Bro. Pellow can be proud to have initiated.

Respectfully and fraternally submitted.

Chairman

REPORT OF THE COMMITTEE ON PRINTING AND PUBLICATIONS

This Report was presented by R.W. Bro. F. J. Satterley, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Satterley, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Printing and Publications composed of R.W. Bros. Earl Rawson, James Hughes, with the undersigned as chairman, are pleased to submit for your consideration this annual report.

The printing costs for this year are higher than last year, but well within the budget. The increase in costs reflects the reprinting of Booklets 0, 1, 2, 3, and some restocking.

The Memorial Service booklet has now been revised and will be available in the near future.

The Installation Ceremony booklets will be consolidated into one book.

The new Masonic Manual, which was edited by R.W. Bro. D. C. Bradley, D.G.M., is also available.

The committee recommended to the Board of General Purposes the stocking of three variety of cards: Get Well, Bereavement and Note. We believe this will make a profit for Grand Lodge and a saving for the Craft Lodges. These could be purchased directly from Grand Lodge.

With the above changes and additions and the computerization of the Grand Lodge records, the committee did not wish to add to the work load of the Grand Secretary's staff by having a book promotion programme this year.

We express our thanks to M.W. Bro. R. E. Davies, Grand Secretary, and his staff for their usual co-operation and dedication, and in particular for their pleasant and warm reception at all times.

Respectfully and fraternally submitted.

FRED SATTERLEY
Chairman

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This Report was presented by M.W. Bro. N. R. Richards, seconded by M.W. Bro. H. O. Polk and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Brethren:

It is my privilege to report, on behalf of the Past Grand Masters, on the Address of the Grand Master. In the report, he reflects about and records his accomplishments, observations, hopes and aspirations for Masonry in this large Grand Jurisdiction.

We share with him the satisfaction, pleasure and achievement he has enjoyed during his term of office. He is generous in his thanks to those who have helped and assisted him. Well deserved tribute and appreciation is given to Grand Secretary Robert E. Davies for his expertise, his sound judgment and his high sincerity of purpose.

M.W. Bro. Pellow is generous in his thanks to the Past Grand Masters for their counsel and advice. He notes that their intervention and assistance in an advisory capacity became enhanced since they have retired from active Committee Chairmanships. We join with the Grand Master as we remember Masonic stalwarts

such as Robert Colledge, Ivor Davies and Alex Grant, who passed away during the year. We join with him in extending sympathy to their families and all those families who were bereaved during the year. It is ever a pleasure to endorse the Grand Master's warm welcome to the many visitors who are gathered in Toronto to celebrate this Annual Communication. In particular, we note his reference to representatives from other jurisdictions and the opportunity it brings to reciprocate kindnesses and courtesies extended by them to he and Leitha when they were present at their Annual Communications.

The Grand Master's Address leads us through his comments about Work of Yesterday, Thoughts for Today and the Hopes and Aspirations of Tomorrow. One marvels at the time and energy spent by our Grand Master on many aspects of Masonry. The following examples are chosen to illustrate the wide diversity of his Masonic activities and are approved, along with all those contained in the Address. The Grand Master's Address must be read and studied to appreciate the full scope of his accomplishments.

In the area of administration, we note the special committee chaired by M.W. Bro. Howard Polk on matters related to travel activities and the office of Grand Master; the Grand Master's encouragement for all lodges to accept a common time in the calendar year, preferably May-June, for Installation; the redistribution of lodges into a new pattern of Districts; and the need for attention to bylaw updating and examination of lodge finances.

In the field of communications, he advised about concerted emphasis on improving and expanding the written word through the Eye Opener; new publications such as The New Masonic Manual; rewriting and revising existing publications and enlargement of the News Bulletin and the use of photographs in it. He also stressed the importance of the lodge summons and the favourable positive reaction to his request.

As the one time Chairman of Masonic Education, the Grand Master is on record about the need for better information on the location of lodge meeting places. During his term, this concern has been renewed with emphasis on not only location of buildings, but also updating and improving our meeting places. The Grand Lodge Building in Hamilton received special attention.

We note and appreciate the reference made to The Masonic Foundation of Ontario and the well deserved tribute to T. John Arthur and James Cassie for the contribution they and their associates made to the fund raising project "Help Nip Drugs In The Bud".

The warmth and understanding of the Grand Master for his fellow persons is apparent in the recognition awards made in several different categories. The prestigious William Mercer Wilson medal was awarded to six recipients; the Grand Master W. R. Pellow medal to five brethren; the Grand Representatives were confirmed near seven other Grand Lodges and twelve brethren recommended to the Grand Masters of other Grand Lodges. The Award of Lodge Enhancement Certificates and recognition of those who have made 100 blood donations will be well received.

The Grand Master invoked Section 131(e) of the Constitution when he recommended Bro. Edsel Steen, Bro. Wallace McLeod and Bro. Norman Buckingham for honorary membership on the Board of General Purposes. Our concurrence is with the Grand Master's action and is coupled with his words of appreciation to Bro. Tom Wilson, Bro. Jack Millar and Bro. Charles Sankey, who retired from the Board after many years of devoted service to our Grand Lodge. We further concur with the recommendation pursuant to Section 73 of the Constitution of Grand Lodge in conferring the rank of Past Grand Senior Warden to Bro. Norman Buckingham, Bro. Samuel Cohen and Bro. Raymond Hutson.

Increased visibility in the Grand Jurisdiction is certain to result from the Ceremony of Dedication of Gore Bay Lodge No. 472, from the new lodge building constructed in Oil Springs, and from the Cornerstone Laying Ceremony at Wardsville. We join with the Grand Master in pride and satisfaction in the constituting and consecrating of Chinguacousy Lodge No. 738 in Brampton. It is reassuring to note in the report the launching of a new lodge and the recognition of two other lodges that have reached 100 years of active service.

The welfare of the Craft received the attention of the Grand Master as reflected in disciplinary action imposed on one lodge and the comments made related to solicitation.

I feel certain that all who listened to the Grand Master's Address will agree that it bristled with enthusiasm, optimism, accomplishment and great expectations for the future. We share with him the view that Masonry in this Grand Jurisdiction has enjoyed a progressive year. He will be remembered as a Grand Master of Action. His efforts did not go unnoticed. Honorary membership was conferred on him by eighteen lodges; he was coroneted an Honorary Inspector General of the Scottish Rite; and Royal Arch Masonry honoured him as well. A bursary was established bearing his name by Lorne Lodge of Chapleau, where he holds membership.

The appendices serve to illustrate the energy expended by our Grand Master as he travelled within and beyond the borders of this Grand Jurisdiction. He undoubtedly projected well, and I am equally certain that when he was accompanied by his wife Leitha, her charm and kindness strengthened our image wherever they represented us. His presence on many, many occasions in lodges in our jurisdiction created a closeness between the Grand Master and the grass roots of Masonry. His concern about the welfare of the Craft was further illustrated when he arranged to have R.W. Bro. Cerwyn Davies, Past Grand Chaplain, as the Speaker at the banquet on Wednesday, July 19th. We commend the Grand Master for including a listing of lodges that display the Masonic sign and communities where entrance signs have been erected. Appendix VI contains interesting and valuable information related to brethren who were especially recognized and honoured.

There can be no doubt that the Grand Master faces reality conscientiously when, in a cautious manner, he states that ultimate success does not become a reality during any one person's single tenure of office. He believes the full realization of success will come through the commitment and effort of those to whom the mantle of responsibility is passed.

Now that I come to close the Report of the Committee on the Grand Master's Address, I am reminded of the lines by Tennyson, which seem to me to be so appropriate for the author of the Address, M.W. Bro. W. R. Pellow - "For I dipped into the future, as far as human eye can see. Saw the vision of the world and all the wonders that would be."

I quote from his Address: "I leave this honourable and ancient office of Grand Master totally at peace, satisfied that within our existing administrative and organizational structure great strides and tremendous advancements have been accomplished . . . There is no remorse, no sadness, no goals unaccomplished, for there is a time for all seasons."

Our sincere gratitude to a Grand Master who, through his words and actions, inspires us with a challenge and he is confident and assured about the future of Masonry in general and in the Grand Lodge of Canada in the Province of Ontario in particular.

I remind you of his oft used words:

**"We may not have it altogether
But together we have it all."**

We join in unity of heart and voice in expressing our thanks to M.W. Bro. Pellow, knowing full well that he will give purpose, effort, co-operation and assistance to those who labour to bring an interpretation of the words to mean:

**We have it all together
And together we have it all!**

Respectfully submitted.

REPORT ON THE MASONIC FOUNDATION OF ONTARIO

M.W. Bro. N. R. Richards, President, presented the following report, and on motion, seconded by M.W. Bro. T. J. Arthur, it was received by Grand Lodge.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege and pleasure to present the 1989 report of the Masonic Foundation of Ontario. A year ago I closed the 1988 report with the following words:

"This promises to be an historic occasion on the eve of the 25th birthday of the Masonic Foundation of Ontario. The Masons of Ontario have a long and distinguished record of being charitable to help the needs of others. Using our resources, our lodges and our members, we will be able to provide help and assistance to young people, boys and girls, and men and women to wrestle with and overcome the ravages of alcohol and drug use. The Masonic Foundation of Ontario asks you, the Masons of Ontario, to form an indivisible chain of support and help in a worthy cause. This will be a satisfying experience."

I was referring of course to our fund raising project "Help Nip Drugs In The Bud." Yes, it has been an historic occasion. Yes, you united in an indivisible chain of support and help in a worthy cause. I am satisfied that the fund raising project contributed to an enlargement of strength, and support and purpose for Masonry in this Grand Jurisdiction. It provided an opportunity for members of 652 lodges, with a membership of more than 93,000 dispersed from the Manitoba border in the west to the adjoining Province of Quebec in the east and from James Bay in the north to the border of the U.S.A. in the south, to unite in a common purpose.

In reporting to you on happenings of the past year, I deal largely with current matters. I hasten to recognize, however, that success would not have been possible if the base upon which events were structured had not been well laid by those who had the vision to establish the Foundation, who chose wisely the area of activities we support and who had a genuine respect and confidence for the application and outreach of our Masonic tenets and principles.

At the January meeting of the Board of General Purposes I advised you that we welcomed a new director to the Foundation in the person of Ronald K. Campbell of Ottawa; Deputy Grand Master David C. Bradley and the Chairman of the Standing Committee on Benevolence, Wayne E. Elgie, joined the Board of Directors as ex-officio members. The Chairman of the Fund Raising Project, James T. Cassie, met with the directors when conveniently possible.

At the January meeting I noted that the Foundation does not have a Long Range Planning Committee but that did not preclude attempting to project the future of the Foundation guided by experiences of the past and our expectations for the future. Matters receiving attention included the physical location of the Foundation, the duties envisaged for essential resource persons in the future and the possibility of shared appointments with Grand Lodge. Implicit to our discussions has been (a) the Foundation operates under an Act of Parliament and its discreet identity and function must be maintained to satisfy the requirements of the Department of Revenue, and (b) the time frame for change should recognize the importance to provide an opportunity for new appointees to understudy key resource persons who are particularly skilled in the duties of their office. During the year dialogue was held among the Grand Master, the Grand Secretary and the President and Secretary-Treasurer of the Foundation. There does not appear to be any administrative barrier to the concept of shared appointments between Grand Lodge and the Foundation and physical space for the Foundation could be made available in the Grand Lodge Building at Hamilton. I believe it is highly desirable that we continue to explore Foundation - Grand Lodge relationships.

At the January meeting I also reported that Director Wallace E. McLeod has agreed to write and edit a history of the first twenty-five years of the Masonic Foun-

dition of Ontario. I repeat what I reported to you at that time that, in my opinion, Wallace McLeod is the most prestigious author about Masonry in North America, if not the world. How fortunate we are to have this scholar, a well recognized writer, a past Chairman of the Committee on Masonic Education, the first appointed Historian of our Grand Lodge and a Director of the Foundation accept an invitation to write our history.

The ongoing programs of the Foundation

I am pleased to report that in addition to the special fund raising project that received particular attention and support during the year, the ongoing projects of the Foundation made significant progress. Districts were requested to forego, if possible, projects in 1988-89 in favour of the special project. We appreciate the co-operation of the districts who accepted this request. The district projects serve to illustrate the Foundation at work at the grass roots level. We look forward to a renewal and enlarged activity in this important area in the year ahead.

From time to time Brethren comment that they are not sufficiently well informed about the projects of the Foundation. This report attempts to recognize this deficiency by reproducing a fuller account of the following ongoing activities:

Hearing Research

Dr. A. N. Newell co-ordinated the Foundation's ongoing support on deafness research. Dr. Newell reports as follows:

During the past year our funds have been applied in two research thrusts, Applied and Basic Research.

Applied Research: Two projects are supported in the cochlear implant program at Sunnybrook Hospital, Toronto. The soundproof booth and research facility have been recently moved to Sunnybrook Hospital. The ongoing projects have required some upgrading of equipment and this has been provided for by the Foundation. They have managed to secure some hospital/provincial funding for the cochlear implant devices and their policy is not to use the Foundation funds to buy implant devices.

(a) **Evoked potential recordings in patients with implant electrodes.** They are using patients who are candidates for the cochlear implant, a technique to record from the auditory pathways of the brain. They stimulate the ear electrically and record with electrodes positioned on the scalp the activity of neurones in the central auditory areas of the brain. The purpose of these studies is to ascertain if the subject has an auditory system which can be usefully stimulated with a cochlear implant. They are continuously modifying and refining the technique in order to provide the information that they need.

(b) **Testing of new designs of speech processor in temporarily implanted patients.** During the period of hospitalization of potential patients, a temporary round window electrode is used to stimulate the cochlea. These subjects are then connected to the developed speech processing devices which act to extract certain sounds in speech and convert them into a signal which can be used to stimulate the auditory system through the electrodes. These speech processors have been developed at the Institute of Biomedical Engineering and we are currently supporting a doctoral graduate student who is testing the speech processors with the patients.

Cochlear Implant Program at the Hospital For Sick Children. An implant program has been initiated at the hospital. Hospital funding has been obtained for the implant devices. At present they do not have any organized research program around this program and none of our funds are being used directly. In the long term, they plan to carry out a number of pre-versus-post implantation comparisons for which purpose they may support a graduate student with some Foundation money.

Basic Research: The first of the basic research projects is to use animals which have been deafened from birth and are then simulating humans who are deaf from birth. With these animals they investigate the function of the auditory system in responding to electrical stimulation through implanted electrodes.

The Masonic Foundation has been supporting a graduate student who has now completed her MSc thesis. She has been making anatomical studies of the parts of the brain that analyze sound, particularly in animals that have been deaf since birth. Her studies indicate that there is a considerable atrophy of the auditory pathways which indicates that patients who have been deaf since birth are probably not in possession of an auditory system that is suitable for electrical stimulation.

For the past year a new appointee has been carrying out basic research in auditory perception, again in animals with profound deafness. This involves using different types of implantation electrodes to ascertain which design is the most suitable for stimulating the cochlea. Of particular interest is an electrode configuration which will allow many channels of information to be input into the auditory system. A proportion of the Masonic Foundation money over the last year was used to purchase equipment for this important basic research study.

Dr. Harrison has given the Masonic Foundation credit for financial support in several articles that he has had published in the past year and these are available for anyone to read.

Autistic Homes

Director C. John Woodburn, in addition to chairing the Communication Committee of the Foundation, serves as liaison officer on the Autistic Homes Project. The report from the Kerry's Place project serves to illustrate the importance of this activity. The following is a communication from Marck Irvin Executive Co-Ordinator to Director Woodburn.

On behalf of the Kerry's Place organization, I thank the Masonic Foundation of Ontario for their most generous grant of \$10,000. I also thank you [C. John Woodburn] for taking time to personally visit our office last week.

With the generosity of your organization and that of other supporters, Kerry's Place has reached several milestones over this past year.

The Tweed Laundromat: As of April 1, 1988, the Tweed Laundromat opened for business providing valuable lifeskills experience for nine Melanie's Place clients. The Tweed Laundromat provided a service for the community as well as for the autistic clients. The Laundromat is also self-supporting. The revenue covers all cost.

The Establishment of Drew's Place: On July 1, 1988, Kerry's Place assumed operation of two group homes for 16 autistic children in the Brampton area that

would have otherwise closed. Since its incorporation into Kerry's Place, Drew's Place (as it is now called) has a third house and major renovations have been undertaken for the existing two homes.

Third House for John Michael's Place: With the addition of a third house in July, 1988, John Michael's Place now consists of three adult group homes located in Scarborough and North York, providing lifeskills and vocational training for 12 autistic persons.

Adam's Place Expansion: The expansion of Adam's Place is one of our focal points over the past year and will now become a possibility as adequate operational funding has been obtained.

Strategic Planning

One area recognized over the past year was the ever increasing need for Kerry's Place to plan for the future. What was once a possibility was quickly becoming a reality: that Kerry's Place was growing at a faster rate than could be effectively managed. Therefore, we organized a strategic planning session for last fall to identify the organization's needs. Positions of Executive Director and Program Co-Ordinator have been identified as essential positions in order to better serve both administrative and program areas of Kerry's Place.

* * * * *

All highlights were not of a positive nature however, as Scott's Place became an example of the problems facing group homes today. Scott's Place, with houses in Caesaria and Seagrave, has faced continual and critical staff shortages over the past year. Because safety of our clients is our foremost concern, "Ocean House" in Seagrave has been temporarily closed due to inadequate staffing and the clients sent to other Kerry's Place centres.

As you can see, this past year has been an eventful one for Kerry's Place and we expect the coming year to be just as productive. With every goal we achieve, we set a new one in its place to better serve the autistic population of Ontario. With your help, we can continue to be pioneers in meeting these challenges.

I thank you for your support and your most valued friendship over the past few years.

The Directors of the Foundation are pleased to recommend that support for the Autistic Homes project be renewed.

Voice Program

Vice-Chairman, Frank J. Bruce, serves as the liaison Director for the Foundation in the Voice Program. Mr. Bruce reports as follows:

VOICE - Hearing for Impaired Children. One can marvel at the progress that has been made in the area of children with a hearing loss. Years ago if a child was diagnosed as deaf, he or she was considered a deaf mute. Because the child could not hear, the child could not learn to speak and therefore was often placed in an institution.

Today, thanks to the Voice Program, a lot of these children are helped and prepared for the regular school system and to take their proper place in society through training programs and the use of proper hearing aids.

The Masonic Foundation now enters its 7th year in providing support to the Voice Program. Many children are saying *thanks* to the Masons who care. Your Foundation has not only assisted financially, but has seen the growth of Voice and their work which now covers a large part of Ontario - Timmins, North Bay, Sudbury, Ottawa, Thunder Bay, Toronto, London and Sarnia.

We in Masonry can be proud of our involvement - helping those in need.

Bursary Program

Masons are indebted to Vice-President, Wallace E. McLeod, for the management of this long standing project. Professor McLeod is a faculty member of Victoria College of the University of Toronto. He brings to the bursary program a sensitivity of the need for and importance of financial assistance to students in post secondary educational programs. The bursary program provides an opportunity for Brethren to become involved in presentation of awards and give visibility to this important Foundation activity. In the following report, Professor McLeod includes some background to the awards program and the reaction of recipients.

REPORT: In the Province of Ontario there are fifty educational institutions open to those who have graduated from High School. These are the Universities and Community Colleges. Thousands of students attend them, and it can be a costly business, between tuition fees, text books and living expenses. A few of the very best students can win scholarships but most of them, the average ones, have to manage on their own, with or without the support of their families.

Often they could not complete their studies without assistance from outside bodies, in the form of loans or bursaries. Most educational institutions have small amounts of money that they can give or lend. But there are other forms of assistance as well. The Ontario Government now has a plan of loans and grants called the Ontario Student Assistance Program (OSAP).

Many of us find it hard to understand why we should help these students. A project like this is hard to "sell" to the ordinary man-in-the-street. After all, we often think "these young people are going to be on Easy Street once they graduate"; and surely, what with parental support and college scholarships and bursaries, anybody who is willing to work summers and part-time in the rest of the year can "make a go" of it; particularly since they now have OSAP to help them. Often we conclude that the only ones who need to beg help from outsiders are the real losers, those who don't really deserve our consideration or sympathy. This view is incorrect. Before a student can be eligible for OSAP he has to fill out a detailed statement of his financial situation, where his parents have to disclose all their resources. More parents than you would imagine refuse to co-operate and their children are automatically locked out of the plan. And, even if they can provide the necessary information and thus be allowed to participate, there is a limit on the amount they are permitted to borrow from the government. Then, too, not all parents are in a position to assist their children financially. Some are retired, or disabled, or on low income; and quite a few actually are unwilling to help. On top of that, seasonal jobs are scarce; com-

petition for them is tough; especially during the summer; living expenses are higher than ever before; University and College bursary funds have not kept pace with inflation. In short, the life of the student is not just a bed of roses, and it can become unexpectedly complicated - especially if he or she has young children or encounters unexpected medical problems. These young people are Canada's future. If they are unable to complete their studies and are forced to withdraw from College or University, we shall all be the poorer.

After your Foundation was established, twenty-five years ago, the very first benevolent activity that it undertook was the provision of bursaries for students in post-secondary Institutions and, ever since then, this has stayed high on our list of priorities. During the year just past, we made awards to 89 students in 33 campuses, with a total value of nearly \$47,000. This brings the number of those whom we have helped over the years to 1,237 students; the aggregate amount distributed is nearly \$509,000.

This has been money well spent. If we need encouragement to continue along the path we have marked out, we can find it in the letters that reach us. Here is one from a student that we helped a year ago:

I write in appreciation of the grant which I received from your organization this past Spring. Thanks to your generous donation to my education, I am proud to say that I have completed my year and degree successfully. In fact, I received straight A's, graduating with high distinction and was awarded the R.A.I.C. medal for academic achievement in Architecture. I cannot over emphasize the value of an assistance program such as yours.

Here is one from the Awards Officer at a College with several branches in different cities:

I wish to appeal for financial help for [the student named]. Her husband's employer went bankrupt and she needs funds to help her complete her program. Her marks are good and she is expected to graduate at the end of June. She attends (a satellite campus of the college) and they have used up their allotment (for the year). Because of the urgent need, and my belief that this type of student is really the target of your program, I would like to ask for financial help for her, even if the funds have to be considered part of the allotment for (the main campus).

The following was received in mid-June from a District Deputy Grand Master. It captures the spirit of the purpose of the bursary program.

During the Masonic year 1986-87, one of the young ladies to receive a bursary from the Masonic Foundation was [student name]. She was a single mother who was trying to upgrade her educational status to re-enter the job market to support her two children. At the time of the award, she had just completed the first semester of Nursing Course at Cambrian College, Sudbury. Her financial situation at the time was, if she had not received the Masonic Foundation's support, she would not have been able to register for the second semester.

The news I bring to you, Sir, is joyful and full of success. She has completed her course and has been awarded the prestigious, and much coveted, "President's Gold Medal" from Cambrian College.

This is the first time since its inception that the nursing fraternity has been chosen to receive the "President's Gold Medal". I am enclosing a clipping from the Sudbury Star, of the President of Cambrian College making the presentation to Mary."

There are many whose help is essential if this program is to be successful. In particular, we must express our gratitude to the awards officers of the several Institutions, who find worthy candidates for us to assist, and to our local representatives, who actually make the presentations to the students on our behalf.

Youth Programs

The Foundation continued to provide financial assistance to the Boy Scouts of Canada (Ontario Division), the Girl Guides of Canada (Ontario Division), and the 4-H Council of Canada (Ontario Division). As the implementation program is developed for our current fund raising project, enlarged activity in youth programs will be apparent.

Appreciation

A special thanks to Grand Master W. R. Pellow for his enthusiastic and continuing support to the work of the Foundation. This support was positive, challenging and exemplary in the spoken and written word and in fact.

Your Directors met on several occasions in the splendid facilities of Pellow Associates in Toronto. Our *thanks* to Bro. Harry Pellow for providing a pleasant and comfortable setting for our deliberations.

To all who contributed to the work of the Foundation, we are deeply grateful. I cannot resist paying particular recognition to our skilled, conscientious Secretary-Treasurer, T. John Arthur, and the frequent help of his gracious wife Vivian.

Celebration - Thanks - Thanks - Thanks

It is difficult to find appropriate words to express thanks to the army of people who have made it possible to celebrate in the fullest meaning of the word, the success of the Fund Raising Project "**Help Nip Drugs In The Bud**". It would be inappropriate for me to attempt to construct the chronology of events that have made "**celebrate**" an appropriate word. Others were much closer to the action than myself. I hope that in the year ahead a full record will be prepared about the organization and operation of the Fund Raising Project and list those who contri-

buted to its success. At the risk of being criticized for an all too short list, I pay tribute and thanks to James T. Cassie, Project Chairman; to T. John Arthur, record-keeper par excellence; to Vice-President, Frank J. Bruce; and to C. John Woodburn for his imaginative concept of the Celebration events. I already made reference to Grand Master Pellow and to the Grand Lodge Office in Hamilton. One could go on and the list would be long, but we would not be celebrating if it were not for those individuals who contributed their dollars to the project. Gifting from the heart characterizes the practising Mason. To each who contributed your time, your monetary support, your encouragement and your commitment, thanks.

The Challenge

Tennyson wrote: *"We may use the position we have reached as a stepping stone to higher things. If instead, we use it as a pedestal on which to pose, we alienate ourselves from life and people."*

I believe it appropriate to quote Tennyson's words because they provide a setting to remind us of a challenge within our grasp - a stepping stone to higher things.

The Foundation is deeply grateful to people from the Council on Drug Abuse, Parents Against Drugs and Alcohol and Drug Concerns for the dialogue we held with them and the advice received in helping us decide on an area for our fund raising project. I refer of course to Mr. Fred Burford and Mr. Walter Cebrynsky, Mrs. Judy Bowman, and others.

Early in 1989 it became apparent that the fund raising campaign would reach its objective. Your Directors turned their energy towards planning an implementation or action program so that the income from the funds raised could be used to best advantage. I am happy to share with you progress that has been made.

The Directors of the Foundation will serve as the Implementation Committee. This implies that the President of the Foundation will serve as Chairman of the Committee. It is envisaged that a Committee structure will be put in place. Committees already in place include Communications, under the Chairmanship of C. John Woodburn, Liaison with C.O.D.A., P.A.D. and A. & D. Concerns through Director Dr. Alan Newell and Frank J. Bruce.

The guidelines under which it is envisaged the funds will be used include:

1. Donors must be kept fully advised as to where and how the funds are being used;
2. Programs must have equal application in rural and metropolitan areas;
3. Inasmuch as possible, Masons will be involved in the program.

Your Directors have met with representatives engaged in drug abuse concerns such as the Provincial Government, the Toronto Metropolitan Police Force, Corporations, Service Clubs (Lion's Quest), the Council on Drug Abuse, Parents Against Drugs and Alcohol and Drug Concerns. The experience of these agencies has been valuable and reassured our belief that our strength lies in our network of people - 93,000 members and 652 Lodges.

As we marshal our strength of members and Lodges, we look forward to exploring the possibility of working through the school system and other established agencies to communicate with members of society suffering from the effects of drug and alcohol use.

I choose to close this report by referring again to a criticism made of the Foundation that Masons do not know what it is and what it is about. I like to think of the Masonic Foundation of Ontario as a window - a **Masonic Window**. Through that window, people can look in upon us and, as Masons, we are proud of our programs. As Masons we can look out through that same window to our friends, the communities in which we live and extend the great lesson of the North East Angle. Through knowledge of programs they will become familiar with who we are and what we are. As we talk with them about our many activities, be it bursary assistance to post secondary students, youth programs, to autistic homes, to help for people with hearing disabilities or problems with drug and alcohol, more people may want to know more about us. Using our strength in numbers, let us tell them who we are and how we, through our actions, assure them that **Masons care**.

Let us unite so that each link in the chain assures them that we as Masons do care about our fellow persons, regardless of colour, race, religion, sex or station in life.

Presented on behalf of the Board of Directors: T. J. Arthur, W. K. Bailey, D. C. Bradley, F. J. Bruce, R. K. Campbell, A. L. Copeland, W. E. Elgie, W. L. Pacey, A. N. Newell, W. E. McLeod, N. R. Richards, E. C. Steen, C. J. Woodburn.

Respectfully submitted.

REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by R.W. Bro. R. T. Runciman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Runciman, each part, together with the Report in its entirety, was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. and A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The name of this Committee was changed at the Annual Communication in 1988 to more accurately reflect its function within Grand Lodge. The mandate of the Committee is set out in S-136 (h) of the Book of Constitution. This report will be divided into two parts, Part I will relate to general matters and Part II will relate to specific cases brought before the Committee pursuant to the Book of Constitution.

PART I

In the past it has been the position of the Committee to urge upon all members of the Craft that where a Masonic offense has been committed, it be prosecuted according to the Book of Constitution and not be pushed aside and forgotten. In the Committee report last year, this matter was once again brought to the attention of the Brethren. At that time, a Notice of Motion to amend the Constitution was presented which would have permitted a Brother to take a demit when a Masonic charge was outstanding.

The Committee on Constitution and Jurisprudence considered the matter in depth and in its Report observed that the proposed amendment reflected a basic change in policy and Masonic jurisprudence. The Committee recommended that the proposed amendments be presented to and be considered by the Board of General Purposes at its next meeting. This was done at the Board meeting held in January, 1989, and the new proposed amendments were presented to and accepted by the Board with instructions to proceed with the matter at this Annual Communication.

The proposed amendments will permit an erring Brother to apply for and be granted a Certificate of Severance. This can be done without the Brother stating his reasons for the request and it is not to be construed as an admission of guilt of a Masonic offense. The provisions for restoration to the Craft after indefinite suspension would apply to an application for restoration where a Certificate of Severance has been granted. The Committee is of the opinion that these procedures are a true expression of Masonic charity in that the Brother can withdraw with dignity without the embarrassment of a Masonic trial, especially when the matter has long since been completed in the civil or criminal courts. It should be drawn to the attention of the Brethren that the provisions for a Certificate of Severance are not unique to this Grand Lodge. The United Grand Lodge of England amended its Constitution last year to achieve a similar disposition of these matters. Although the procedures are different in that Grand Lodge, the end result is the same.

The Committee again wishes to stress the importance of very carefully following the Rules Respecting Masonic Trials. It is strongly urged upon all concerned that as soon as there is an indication that a Masonic offense may have been committed, the Grand Secretary be contacted for guidance. Too often matters are delayed because of errors made which could probably have been avoided had guidance been sought. It is the Committee's hope that the new procedures for a Certificate of Severance will obviate the necessity for a trial in most cases.

PART II

Brother A

This Brother was charged with unlawfully trafficking in a controlled drug contrary to the Food and Drug Act. In 1987, he pleaded guilty to this charge and was found guilty and sentenced to nine months incarceration. He was subsequently charged with a Masonic offense pursuant to S-410 of the Book of Constitution. A Trial Commission was convened and the Brother appeared and pleaded guilty to the charge and was found guilty and the Trial Commission, after hearing the Brother, ordered indefinite suspension from his Lodge. No Notice of Appeal has been filed. Your Committee has carefully reviewed all of the documentation and finds it to be in order. The Committee also considered the penalty handed down by the Commission and finds it to be unobjectionable and confirms the finding of guilty and the disposition of indefinite suspension.

Brother B

This Brother was found guilty of sexual assault upon a person under the age of 14 in the criminal court and was sentenced to six months incarceration. He was later charged with a Masonic offense pursuant to S-410 of the Book of Constitution. A Trial Commission was convened and the Brother appeared and pleaded guilty to the

charge and addressed the Trial Commission. It was ordered that he be indefinitely suspended from his Lodge. No Notice of Appeal has been filed. Your Committee has reviewed the documentation from the Trial Commission and finds no procedural errors. After careful consideration the Committee confirms the finding of guilty and disposition of indefinite suspension.

Brother C

This Brother was charged with and convicted in the criminal courts of two counts of sexual assault and two counts of indecent assault. He was sentenced to one year incarceration plus three years probation. He was subsequently charged and found guilty of a Masonic offense pursuant to S-410 of the Book of Constitution. A Trial Commission was convened and although properly served he did not appear. He was found guilty by the Trial Commission which ordered indefinite suspension with a recommendation for expulsion.

Pursuant to the Book of Constitution there is an automatic right of appeal. Accordingly a Board of Appeal was convened and although properly served the Brother did not appear. The Board of Appeal reviewed the matter and confirmed the finding of guilty the disposition and the recommendation of the Trial Commission.

This Committee has carefully reviewed all of the documentation of this Trial Commission and the Board of Appeal. Justice has been fairly done and the findings of the Trial Commission and Board of Appeal are confirmed and the Committee recommends that the Brother be expelled.

Brother D

This Brother was charged with murder and was found guilty of the lesser included offense of manslaughter, and was sentenced to five years incarceration. He was subsequently charged under S-410 (m) of the Book of Constitution.

A Trial Commission was convened and the complainant and the accused Brother both appeared. The Brother was found guilty of the offense. After hearing submissions made by the complainant and the accused the Trial Commission ordered indefinite suspension with a recommendation for expulsion.

Pursuant to S-424 of the Book of Constitution, a Board of Appeal was convened and the complainant and the accused both appeared. Lengthy submissions were made by the accused. After careful consideration of the facts and the submissions, the Board of Appeal confirmed the finding of guilty and unanimously recommended that the Brother be suspended until June 1, 1990, a period of approximately two and one half years from the date of the Masonic trial.

Your Committee has carefully considered all of the documentation before it relating to both the trial and the appeal and finds no errors. It has also very carefully considered the recommendation of the Board of Appeal. Justice having been fairly done and Masonic charity having been amply manifested, the Committee unanimously confirms the finding of guilty and the recommendation of suspension until June 1, 1990.

Brother E

This person was expelled at the Annual Communication in 1967. He has applied to Grand Lodge for restoration and was advised of the time, date and place of the

hearing of his application. He was unable to attend but was represented by another Brother. The Committee, after careful deliberation, recommends that he be restored as an unaffiliated Mason.

CONCLUSION

The Committee wishes to express its most sincere thanks to those Brethren who participated in Boards of Appeal with reference to the two matters which came before the Committee for final disposition. Their dedication to the Craft in attending to these matters is greatly appreciated.

Finally, the Committee wishes to express its thanks to the Grand Secretary and his staff for their assistance and prompt attention to matters which came to them for direction or for action.

All of which is respectfully and fraternally submitted.

REPORT OF THE LIBRARY COMMITTEE

This Report was presented by R.W. Bro. G. G. Wilkes, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Wilkes, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Grand Lodge Library Committee, R.W. Bros. Wayne Elgie and George Kerr, I have the privilege of presenting the 57th annual report of the Grand Lodge Library.

The fall meeting of the committee saw the culmination of the work of previous committees in the final draft of the pamphlet "*Guide to Masonic Reading*." It was then printed, packaged for each lodge and delivered to the District Deputy Grand Masters for delivery to the lodges in their districts. The pamphlet seemed to have been well received throughout the jurisdiction as there was a modest increase in the demand by mail for books and video tapes. The use of the Library through the year has been stable with a light increase again in the number of visitors and the number of books and video tapes requested.

At this time I also wish to express, on behalf of the committee, our appreciation and thanks to the devoted volunteers who have faithfully staffed the Library throughout the year; R.W. Bros. Fred Scott, Chester Anderson; V.W. Bros. Harold

Prowse, Charles Nicholson, Ken Schweitzer, Charles Brown; W. Bros. David Gordon, Bob Showkenik, Robert Faulds; Bros. Cy Carr and Bill Wooldridge. W. Bro. Tom Warner took care of all out-of-district requests. During the year two of our volunteers, W. Bros. Ernest Aldridge and Al Fuller, passed to the Grand Lodge Above. A dinner in appreciation and thanks to the volunteers for their giving of their time and efforts in staffing the Library was held at the Scottish Rite Club.

To all the District Deputy Grand Masters we thank you for your support and assistance in promoting the Library during your term of office.

We acknowledge, once again, with thanks, all contributions of books and video tapes that have been received by the Library this year.

Respectfully and fraternally submitted on behalf of the Grand Lodge Library Committee.

Chairman

REPORT OF THE SPECIAL COMMITTEE ON THE GRAND MASTER'S REGIONAL WORKSHOPS

This Report was presented by R.W. Bro. N. E. Byrne, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Byrne, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Pursuant to instructions given to the undersigned by M.W. Bro. W. R. Pellow, Grand Master, and as a result of the efforts of many brethren throughout Ontario, who ably assisted in the organization of regional workshops, a dozen regional workshops were held throughout Ontario in this last Masonic year.

The workshops were primarily directed for the benefit of the Worshipful Master, Senior and Junior Wardens and Secretary of each lodge in Ontario. It was requested that where these senior officers of the lodge were unable to participate, that junior officers be involved rather than Past Masters.

In general, I am pleased to report that workshops were held in the following municipalities in Ontario including every Masonic District and involving every Masonic lodge in our Grand Jurisdiction, namely:

LOCATION	DISTRICTS INVOLVED
FORT FRANCIS	Western
THUNDER BAY	Algoma
HAMILTON	Hamilton A, B and C, Niagara A and B
WOODSTOCK	Wellington, Waterloo, Wilson, London East and West, South Huron
CHATHAM	Sarnia, Chatham, St. Thomas, Windsor
ESPANOLA	Algoma East, Sudbury-Manitoulin
TORONTO	Toronto Districts 1 - 7 inclusive
PETERBOROUGH	Ontario, Peterborough, Victoria
KINGSTON	Prince Edward, Frontenac, St. Lawrence
HAILEYBURY	Muskoka-Parry Sound, Temiskaming, Nipissing East
OTTAWA	Eastern, Ottawa 1 and 2
FLESHERTON	North Huron, Georgian, Bruce, Grey

Your organizing Committee was composed of the undersigned and R.W. Bro. Wayne Elgie. I would specifically express my very sincere appreciation to R.W. Bro. Elgie for his great contribution to the program as presented and to assisting in the format of these presentations. In addition, he rendered great service in tabulating the evaluation of the several workshops. This information will prove very useful to future regional workshops if presented in subsequent years.

The topics presented at the workshops were, as follows:

1. Masonic Foundation "Nip Drugs In The Bud"
2. Financial Management
3. Membership Enhancement
4. Masonic Images
5. Better Lodge Meetings

Each of these subjects was backed up by knowledgeable "presenters" with hand-out material which could be retained by those who attended and kept for future reference and source materials.

Each of the presenters was organized and coached by the following brethren who undertook to create and present the five topics in a very telling fashion. This Com-

mittee is indebted to: V.W. Bro. James Cassie, W. Bro. Norman McCarthy, R.W. Bro. Ed Drew, R.W. Bro. James Hughes, V.W. Bro. Norman Buckingham. Each of these brethren and those who assisted them travelled hundreds of miles at their own expense and, in many instances, at great inconvenience. The Masons of Ontario owe these brethren, as does this Committee, a great vote of thanks and appreciation.

The design of the workshops was to attempt to make presentations to smaller groups, leading to a dialogue between the presenter and the participants, rather than the traditional "lecture" format. I believe to a large extent that this was accomplished. In most instances, the "presenters" repeated their presentations as many as four times at each location.

The entire group received the latest information on the "Nip Drugs In The Bud" campaign at each workshop on a timely basis and learned more with respect to the work of The Masonic Foundation. Again, the entire group present at each workshop met at the close of all presentations for a question and answer period and a "wrap-up" session.

Evaluation sheets were presented at most workshops and a review indicates complete acceptance of the quality of the speakers and the content of the material. New ideas were also noted for future use and implementation.

There were in fact about 275 actual individual presentations of the various segments of the whole program, a rather monumental effort when you realize the small number of those who made the actual presentations.

The average attendance for all workshops was approximately 60% of those invited. Evaluations as a whole indicated that they were a tremendous success and served the expectations of the future leaders of our craft. A great number of brethren left the sessions with many concrete ideas and renewed enthusiasm.

In conclusion, your Committee would express its sincere appreciation to the very capable brethren who participated in the several presentations and the great assistance and encouragement received from M.W. Bro. R. E. Davies, our Grand Secretary, and his staff in Hamilton, and to the participants whose increased knowledge will serve them and the craft well.

All of which is respectfully submitted.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. J. A. Hughes, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hughes, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Last year it was reported by your Committee on Masonic Education that a *Speakers Programme* would be developed. Brethren, it has happened. *SPEECHCRAFT DYNAMICS* came to fruition in eight districts and was received with great enthusiasm and excitement.

This course offers the thrill of developing self confidence • poise • an ability to present a message • leadership skills • speaking skills • and much, much more - all in a friendly and enjoyable atmosphere. This IS Masonry at work.

A sincere thank you to R.W. Bro. Ralph Green and W. Bro. Richard Slee who assisted in setting up the programme and to the District Deputy Grand Masters of the eight districts which participated in this year's programme. A special thank you, however, to the District Education Chairmen who were responsible for making the programme a success.

DISTRICT	D.D.G.M.	DIST. EDUCATION CHAIRMAN
Brant	R.W. Bro. Kenneth Goodbrand	W. Bro. Wm. Westbrook
Georgian	R.W. Bro. Ronald Howard	W. Bro. Howard Tosh
London East	R.W. Bro. Ronald D. Saunders	W. Bro. James Ford
Peterborough	R.W. Bro. Murray E. Thackeray	Bro. Gordon W. Douglas
Prince Edward	R.W. Bro. Richard W. Verrall	W. Bro. Wm. Goodfellow
Toronto 1	R.W. Bro. D. Papavramidis	W. Bro. Richard Slee
Toronto 4	R.W. Bro. Andrew M. Gilmore	W. Bro. Ronald Pettafor
Windsor	R.W. Bro. Donald R. Pardo	W. Bro. Clarence Hackett

Brethren, this programme was so well received in three districts that two eight-week sessions were operated. Congratulations.

It had been anticipated that *SPEECHCRAFT DYNAMICS* would have a positive effect on Masonry. It did. There was, however, a side effect - it created an interest about Masonry for a number of non-Masons. To explain: two districts held sessions that involved a mix of Masons and non-Masons. This involvement resulted in three petitions for membership being put forth, no doubt because a positive image of Masonry was presented.

In addition, the course provides latitude for each district to mould the programme to suit its special circumstances. We urge the D.D.G.M.s of all districts

to get involved ■ to involve their District Education Chairmen ■ have them contact this committee to enquire more about *SPEECHCRAFT DYNAMICS*. Again, this IS Masonry at work and, who knows, in the near future this course may well be conducted in-house and by our own brethren.

From the excitement in the air, it is evident that this programme represents another step forward in Masonic Education. It has been said in the past that "the future of Freemasonry rests on Masonic Education." This phrase, while not intended to be a catch phrase, seems to have taken hold. We've heard it mentioned in newsletters, at education meetings - The future of Freemasonry rests on Masonic Education - a responsibility for us all.

Correspondence Course

When one speaks of successful educational programmes, the Correspondence Course immediately springs to mind. Since its inception in 1983, sixty-eight (68) College of Freemasonry Certificates have been issued and this represents participation from more than thirty-five (35) districts. Applications relating to the four programmes offered [1. Masonry at Work 2. History and Origin of Masonry 3. Administration and Organization 4. Preparing for Leadership] are arriving at about two (2) per week. R.W. Bros. Edsel Steen and Larry Hostine, Course Administrators, are to be congratulated because of their dedication and the excellent manner in which they administer the course.

The programme still may be taken in any order with a certificate being issued upon successful completion of each programme. However, all four programmes must be completed to be received into the College of Freemasonry. Again, brethren, contact any member of this committee for further information.

The Newsletter

The Newsletter, published quarterly, is growing in subscribers at the rate of twenty-five (25) per quarter and currently boasts of over twelve hundred (1,200). We are pleased to welcome W. Bros. Norman Pearson and William White as editorial advisors and thank them for their participation. R.W. Bro. Robert A. Barnett is, of course, also gratefully acknowledged.

Brethren, if you want to add an educational dimension to your life and to your library, become a subscriber of the Committee on Masonic Education Newsletter. You will not be disappointed. If, on the other hand, you wish to contribute educational material and share it with others, please send the material to the editor: R.W. Bro. Robert A. Barnett, P.O. Box 4217, London, Ontario N5W 5J1. Your assistance and support will be greatly appreciated by all.

We wish also to commend all of the brethren who are involved with producing either lodge or district newsletters and information pamphlets. It is not an easy task to keep the material flowing but believe us brethren, your efforts are important and are beneficial to the betterment of Masonry.

The undersigned, as chairman, expresses his thanks to the members of the committee for their co-operation and assistance throughout this past year. It has been

a great pleasure working with you. The members are: R.W. Bros. Robert A. Barnett, John M. Boersma, R. Carl Casselman, Donald W. Dixon, Ralph Green, Durward I. Greenwood, Larry J. Hostine, Edsel C. Steen and V.W. Bro. Ernest R. Morrison.

Your committee had the privilege of taking part in the regional workshops this year and while these will be addressed elsewhere in the Proceedings, we felt a brief comment would be appropriate. Masonry throughout the Grand Jurisdiction is alive and well, but there is also some apathy and a lack of interest that must be addressed and the longer this remains unchecked, the greater our task will be as interested Masons to educate, motivate and stimulate our brethren into action. The topic discussed by this committee was "**Better Lodge Meetings**" and from the exchange of ideas and the group participation that took place, there is no doubt that the consensus is that better lodge meetings will provide increased attendance and assist in turning our declining membership around. Workshops such as these are an important adjunct to Masonic Education. We want to thank all who participated and shared their ideas as well as a thank you to W. Bros. Ian Clunie and Peter Vanderyagt of Toronto District 4 for assisting with the presentations.

To reiterate an earlier message, we must make better use of district and lodge education chairmen. We encourage them to stimulate and promote Masonic Education. A committee of three is recommended, each serving a three-year term and where you have one man dropping off each year, but a new member being added. This is the best approach to develop long term programmes that will provide the necessary continuity and stability so vital in every district. It is so encouraging to note that this idea has been expressed in a number of districts. Another idea that is worthy of note is the involvement of the district education chairman with the lodge education chairman - working as a team - involved together in the lodge and in the district for the betterment of Masonry and the promotion of sound Masonic Education. Try it - it works.

Your committee continues to explore educational avenues - areas which will provide meaningful programmes. We also want to serve you in your lodge and district endeavours. There is much activity within the districts - there are many good ideas coming from the members of the lodges - we want to be part of your programmes and to share them with you. Please keep us informed.

Will the future take care of itself? As the farmer plants in the spring for the later harvest, so we must plant in our lives today for the future. If the farmer does not put back into the land as he takes away, the land will become barren. So it is with Masonry. If we do not put back into Masonry through education what we have harvested - Masonry will not survive. We must plan for the future - we must be accountable for our destiny.

Respectfully and fraternally submitted on behalf of the committee.

JAMES A. HUGHES
Chairman

GRAND LODGE CLOSED

Ere closing Grand Lodge at 11:55 a.m. on Thursday, July 20, 1989, M.W. Bro. D. C. Bradley addressed the large assembly, as follows.

CLOSING REMARKS

As this Annual Communication draws to a close I wish to make two brief comments, with your gracious acquiescence.

First, we are told on two occasions to be happy ourselves and unite in the grand design of being happy and to communicate that happiness to others. The meaning of this goes much deeper than simple joy and pleasure.

It is active satisfaction and contentment. Satisfaction with the ritual. Satisfaction with what we do. Enjoyment of Masonic beliefs and values. Pride in our traditions and in work well done. Happiness in fellowship and friendship. Satisfaction in education. Confidence in knowledge and understanding of Masonry.

In short, it means work and effort but, most importantly, teamwork and co-operative effort to achieve that happiness and satisfaction. Therefore, I simply ask you to join hands proudly with your neighbour and with me to work together in harmony, teamwork and happiness to make this fraternity of ours greater than it ever has been. [Standing applause]

Second, I wish you all a safe journey to your homes and families and may the G.A.O.T.U. preserve, sustain and keep you secure throughout the remainder of the summer and bring you refreshed and invigorated to a new season of Masonry in the fall.

RC Davies

Grand Secretary.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a pleasant duty to report on the reviews of the Annual Proceedings of the many Grand Jurisdictions with whom we enjoy fraternal relations. Your chairman is indebted to R.W. Bro. John W. Auckland, R.W. Bro. Wayne E. Elgie, and R.W. Bro. Robert S. Throop for giving most generously of their time in preparing these reviews.

Many of the Grand Lodges are adopting an aggressive policy to make the presence of Masonry felt in the community. Awards of educational scholarships to deserving students enhance Masonry commitments to youth. Research grants are becoming widespread in many Grand Lodges. The Grand Lodge of New Zealand has set aside \$500,000 to generate income for "*Paediatric Post Graduate Fellowships*."

Drug and Alcohol Abuse Programmes have been soundly established in the Grand Jurisdictions of New York, Maine, Maryland and Pennsylvania, but to name a few.

Our Grand Lodge *Nip Drugs in the Bud* will be right in step with so many of our sister Grand Lodges.

There are many reviews not covered in this summary and I would encourage all the brethren to contact the Grand Lodge Library, 361 King Street West, Hamilton, Ontario L8P 1B4, to request Proceedings from the more than 125 Grand Lodges and peruse them at your leisure. They are most enlightening.

Masonry remains strong and viable, aware of the present, making positive plans for the future.

May I close with a quote from M.W. Bro. See of the Grand Lodge of Ohio: "What the world sees in Masonry should be the way lives are lived; the way worthy projects are supported; the way good is accomplished in the Community. By our works they will know us."

Respectfully and fraternally submitted.

R. E. JEWELL
Chairman

ALBERTA - 1988

Grand Master - M.W. Bro. Robert Eugene Juthner
Lodges 156 plus 1 U.D. Membership 12,730

The Eighty-third Annual Communication of the Grand Lodge of Alberta, Ancient, Free and Accepted Masons, was held on June 10 and 11, 1988, in the city of Calgary, Alberta.

An Especial Communication was held on March 30, 1988, in the town of Stony Plain, Alberta, for the purpose of laying the cornerstone of Meridian Lodge Hall and dedicating the lodge room of the Lodge Hall.

The Grand Master ended his address with these words:

"One year ago, I announced the theme I had chosen for my year: **BROTHERLY LOVE EXEMPLIFIED - THE FREEMASON AS A ROLE MODEL**. It followed many other and pertinent themes promulgated by my predecessors, and I wish that the brethren would at all times understand that such themes are not limited to be considered for one year only: they ought to be perpetuated without end and thus become embedded in our thoughts and actions. Even during my short time in office I could not fail to notice that some of our brethren were far from exemplifying brotherly love and, instead, demonstrated rather unworthy actions such as denouncing fellow brethren. This has greatly saddened me. I only hope that such members would not be emulated by others and not taken as role models. I would, however, be less than confident and would betray a lack of faith in the great majority of my brethren, if I would not express my unshaken belief in the great moral teachings of Ancient Craft Masonry which indeed is apt to go far beyond the cliché that it takes good men and makes them better. Let us never lose sight of this, our aim, in the eyes of God and man, let us continue to strive to be better, let us work on the Rough Ashlar in the hope of approaching the state of the Perfect one.

May the G.A.O.T.U. aid and inspire us to achieve all this."

From the Report on the Condition of Masonry:

"There still are some anti-masonic sentiments being expressed about the Craft from without. No doubt such statements will prevail for some time. Every attempt should be made to address these criticisms with a very positive thrust. One may wish to follow the advice given recently by a clergyman (also a Freemason), associated with the Anglican Church of Canada. In his defense of, and support for, Freemasonry he enunciated a strong position, and I quote, 'Know what you are, consistently practise what you are, and eventually the world at large will know what you are.'"

In the Grand Lodge of Alberta, a District Deputy Grand Master does not attain the rank of P.D.D.G.M. if he has not carried his duties as a D.D.G.M. in a satisfactory manner.

At present the Deputy Grand Master has the task of making this decision when he reviews the reports of the District Deputy Grand Masters in order to make his report on the condition of Masonry.

In order to develop a more realistic and objective process for evaluating the performance of a D.D.G.M. and further to bring more credibility to the conferring the rank of P.D.D.G.M., he has proposed that a committee be established, by the Grand Master, to review the process of electing a D.D.G.M. that hopefully, in part, will provide a better system: 1) to more objectively evaluate the performance of D.D.G.M. and, 2) for recommending the rank of P.D.D.G.M.

Masonic Education

The quality of Masonic Education is a contributing factor to the success of a lodge. While effective administration is necessary for the proper functioning of a lodge, too much of it can create boredom and lack of enthusiasm. It has been strongly indicated that recently raised Master Masons are looking for leadership, guidance and direction. It has been stated that too often, after their raising, they seem to be forgotten and left to struggle on their own. Interesting and informative Masonic Education will inform the newly made Master Mason and keep him interested and will enable him to become more knowledgeable about the mysteries and teachings of Freemasonry.

The One Hundred and Seventeenth Annual Communication of the Most Worshipful Grand Lodge of Antient, Free and Accepted Masons of British Columbia was held on June 23 and 24, 1988, at Vernon, British Columbia.

During the past year the Grand Lodge of British Columbia constituted and consecrated two new lodges: Comox Lodge No. 188 at Courtenay, and Chetwynd Lodge No. 187, at Chetwynd.

In his address the Grand Master commented on the **STATE OF THE CRAFT**:

"Whereas the state of Freemasonry in our Grand Jurisdiction seems to be healthy on the surface, we cannot be so naive as not to be concerned about our continuing losses each year. Brethren, if these losses are allowed to continue at the rate they are going, we might find that early next century Freemasonry has ceased to exist in British Columbia. The principal officers of this Grand Lodge have put into place and are putting into place certain GOALS which we earnestly solicit all Freemasons in this grand jurisdiction to work toward and support. . . . [projects that] give a high profile and maximum visibility to Freemasonry should help to stabilize our membership. For many years I have continually heard many brethren say, and I quote: 'What is Grand Lodge doing about our dwindling membership?' Well, my brethren, we hope to put into place all [of our] GOALS that we have announced. . . . You, my brethren, are Grand Lodge, the continued future of Freemasonry is the responsibility of all. Your Grand Lodge officers only [administrate] your decisions."

The Grand Master, together with the principal officers, have formulated a **"Proposed Plan of Action"** with respect to:

- Furthering the Practice of Charity
- Making Freemasons more knowledgeable
- Stimulating Pride in being a Freemason
- To Enhance the Image of Freemasonry.

The Grand Master has appointed a committee to rewrite the Constitution.

The One Hundred and Thirty-eighth Annual Communication of the Most Worshipful Grand Lodge, Free and Accepted Masons of the State of California was held on October 12, 13, 14 and 15, 1987, in the California Masonic Memorial Temple, located at San Francisco, California.

From the Grand Master's Address: "Our great Fraternity is the oldest and largest in the world. It has drawn man to it across the centuries from every culture. It is a mine of wealth containing a distillation of the wisdom of the ages and a legacy of teachings to assist us to come to terms with moral order and design within a potentially cold and heartless universe. It provides the path to moral and spiritual progress, knowledge and service of God and our fellow men. It causes us to stand apart from all other fraternal orders. We have every reason to be optimistic that our Craft will be just as viable one hundred years from now as it was one hundred years ago, and that, eventually, all men the world over will learn to know and love each other at the altar of Freemasonry."

"I am convinced that by accentuating the positive and appealing for a new sense of duty and a fuller consecration to the eternal ideals of Brotherly Love, Relief and Truth we will keep the sacred fire, the abiding, immutable, divine essence of Freemasonry strong and viable and available to those who, in the future, seek the Word and the Light that shines in the East."

"I have sent letters to all Masons who have requested a dimit, as well as to those who are in arrears in lodge dues and subject to being suspended. These letters remind them that they had spent considerable time, effort and money in becoming a Master Mason, and, that they are giving up the rights and benefits that Freemasonry has to offer. These letters suggest that their situation is of great concern and if there are circumstances that have brought them to request a dimit, or that prohibit them paying their dues, such could be discussed in confidence. As a result, many brothers have brought their dues current and many have withdrawn their requests for dimits."

In 1987 the Grand Lodge of California sponsored a float in the Annual Tournament of Roses Parade in Pasadena for the first time. The float represented Liberty, Peace and Equality. The principal purpose of the float was for it to call attention to the American Constitution and the support that Freemasonry gives to it.

Riding on the float, wearing Masonic aprons, were three prominent members of the Fraternity: Bros. Ernest Borgnine, Norman Crosby and Royal Dano. The float was decorated entirely by members of the International Order of DeMolay, the International Order of Job's Daughters and the International Order of Rainbow Girls.

A special committee has been formed by the Grand Lodge of California to investigate the feasibility of the formation of a Grand Lodge of Hawaii.

The Grand Master ended his address with the following: "Let us go forward in the years to come as partners in a Fraternity which seeks to turn men towards truth, righteousness and character, to assist them in changing doubt to faith, despair to hope and fear to courage, and whose mission is to cause men to know, understand and love each other. Let us above all live in a manner befitting the dignity and worth of the soul remembering, as Emerson said, that 'what lies behind us and what lies before us are tiny matters compared to what lies [between] us.'"

In his address the Grand Master suggested that a clearer statement on a Freemason's duty to society should be promulgated in addition to the leaflet "*Freemasonry and Society*." Respect for Freemasonry depends to a large extent on the maintenance of high standards by all brethren. Any failure to maintain high personal standards may reflect adversely upon the Craft's standing in the eyes of society at large. As a citizen every Freemason has a duty not to engage in conduct which is contrary to the law of the land. To reaffirm its commitment to these high standards a number of changes were made by Grand Lodge to provide a new disciplinary option of inviting a brother to resign from the Craft. Six members have accepted this invitation to resign. The Grand Master shared his concern that "sometimes the tear of sympathy may have been too readily shed over the failings of a brother." He reminded those who must deal with Masonic discipline to bear the Craft's reputation in mind, always remembering that the way in which we deal with unmasonic conduct reflects the value we place on the standards we profess.

The United Grand Lodge's view on Freemasonry and society states that the principles of Freemasonry do not in any way conflict with its members' duties as citizens, whether at work or at home or in public life, but on the contrary should strengthen them in fulfilling their public and private responsibilities. Thus there is no conflict of interest between a Freemason's obligation and his public duty. If an actual or potential conflict of duties or interests is known to exist or is foreseen, a declaration to that effect should be made.

A Freemason must not use his membership to promote his own or anyone else's business, professional or personal interests. This is made clear directly or by inference several times during a Freemason's early career so that no Freemason can pretend to be ignorant of it. A Freemason who transgresses this rule may be suspended from Masonic activities or even expelled.

Freemasonry should not be allowed to harm a man's family or other connections by taking too much of his time or his money or causing him to act in any other way against their interests.

A Freemason's duty as a citizen must always prevail over any obligation to other Freemasons, and any attempt to shield a Freemason who has acted dishonourably or unlawfully or to confer an unfair advantage on another Freemason is contrary to this prime duty.

Freemasonry is not a secret society. Like many other societies, it regards some of its internal affairs as private matters for its members. There is no secret about its aims and principles. Constitutions and rules are available from the Grand Secretary's office by interested members of the public. The secrets of Freemasonry are concerned with its traditional modes of recognition. Its ceremonies are private. In ordinary conversation there is very little about Freemasonry which may not be discussed. On inquiry for acceptable reasons, Freemasons are free and will be proud to acknowledge their own membership.

What is a Lewis? A Lewis is the uninitiated son of a Mason and it does not matter whether the son was born before or after his father became a Mason. Where a Lewis is one of two candidates being initiated on the same day he would be the senior for the purpose of the ceremony. Being a Lewis is not grounds for dispensation to enable him to be initiated under the age of 21.

The Role of the Innkeeper in Masonry was the title of the 1987 Prestonian lecture delivered on 27 occasions by W. Bro. Christopher Gotch. *Music and Freemasonry* will be the lecture for 1988.

The Board of General Purposes meets eight times a year. The Grand Lodge of China, formed in 1949, and reconstituted in Taiwan in 1954, received recognition. Annual Grand Lodge dues were set at £8.00 per member. 281 Grand Charity grants totalled £304,000, while £781,175 was spent on the relief of 1,338 petitioners from the Masonic Charity Fund. In celebration of the Grand President's 25th Anniversary in 1992 as Grand Master, the sum of £2,000,000 at a rate of £500,000 a year will be reserved for a non-Masonic charitable project. e.

The 154th Annual Communication was held in Orlando in April. Since the Constitution provides the Grand Master with the authority to provide additional D.D.G.M.s when the number of lodges and size of the district makes it practically impossible for one D.D.G.M. to properly discharge his responsibilities efficiently, three additional D.D.G.M.s were appointed, increasing the number to 33. At the Grand Lodge Memorial Service, each D.D.G.M. came forward as recognized and placed a rose on the altar in memory of the deceased brethren from his district.

Three highlights of the Grand Master's one-year term were:

- reaching many high school students by means of scholarship programmes
- placing the U.S. flag in many schools since Masons are believers in respect for country
- accompanied by his officers, speaking to large district audiences about the various Grand Lodge programmes

To support his theme *Preserving Our Heritage* the Grand Master proclaimed September as **Constitution Month** and directed all lodges to participate in at least one special programme depicting patriotism and commemorating the signing of the U.S. Constitution. Such programmes should include the Masonic families, friends and youth organizations. March was proclaimed as **Masonic Youth Month** to assure the greatest source of leadership for the future of the 'American Way of Life' - our youth. He challenged Masons to help prepare youth for years ahead by devoting some time and talent in conveying to them a knowledge of the high ideals and principles we cherish and hold so dear. By proclaiming Youth Month, each lodge was requested to participate in a special project supporting a local community youth organization with timely assistance and expressions of encouragement. "Brethren, you hold the torch of the hope of our future, let us keep the flame burning brightly to guide our youth in the right direction."

Voting at Grand Lodge is delegated to three votes per lodge, and one vote for each elective Grand Lodge Officer and Past Grand Master. Per capita fees are \$7.00. 326 lodges contributed \$354,000 to increase the **Let Your Pennies Make Good Cents Fund** to \$743,000. In accordance with the regulations and custom of this Grand Lodge, and with family approval, the Special Committee to Erect Proper Monuments on the Graves of Deceased Grand Masters erected a beautiful monument on the grave site of the 1941 Grand Master. Grand Lodge adopted the *Widow's Program* whereby the Widow's Pin, certificate and wallet card are now available through the Grand Secretary's office for a nominal fee. Lodges were provided with guidelines, suggested activities and procedures to help with the ceremonies of presentation to the widows, and were encouraged to consider implementing this valuable programme.

The Grand Orator shared his positive feelings of attending the Grand Chapter in Ontario. To dispel the actuarial predictions of a phasing out of Freemasonry early in the 21st century, he shared a fascinating story to support hidden strength of our moral values. It was about what was said to be eight of the world's most powerful men. One was "the Bear of Wall Street." One headed a major stock exchange, one was chairman of a principal steel company, one was on the President's Cabinet, one was a Congressman, one was a mandarin in the Treasury. It was said that these were eight of the world's most wealthy and influential men. They held impressive meetings and at that time felt there was nothing in the world they couldn't control. They bankrolled world movement and toppled governments with equal ease. It seems that nothing was beyond their control. Almost nothing, because in a period of just a few short years, they were all dead. The story goes on to say that two committed suicide, one died in jail, one left jail to die, two died in institutions for the insane and the other two met similar fates. They were all dead. All died penniless and all were atheists. When their power and wealth were gone they had nothing to fall back on, and that's why he doesn't think we are going to lose the Fraternity, because of the quality of men that make up the Order. He doesn't feel we will ever go into bondage because we have never lost our spiritual values as a nation or as individuals.

The Grand Orator questions if we are keeping up with a fast moving computerized world? We take members from a high tech society and teach them about our ancient Craft, but are we hearing what they have to say? Are we satisfying their needs?

In closing, he quotes Edgar Guest's **PREACHING** . . .

"I would rather see a sermon than hear one any day.
I'd rather one would walk with me than merely point the way,
For the eye's a better pupil and more willing than the ear,
Good counsel is confusing but examples are always clear.

And best of all the preachers are those who live their creeds,
For to see good put in action is what everybody needs.
I can soon learn how to do it if you let me see it done,
I can watch your hands in action but your tongue too fast may run.

And lectures you deliver may be very fine and true,
But I'd rather get my lesson by observing what you do;
For I may misunderstand you and the high advice you give,
But there's no misunderstanding how you act and live."

This is the fifth year of creating a positive image of the Fraternity in the minds of our fellow citizens by the Public Relations and Publicity Committee. The drive for a better understanding of Freemasonry was undertaken with the sober realization that an effective public relations programme is crucial to our future. Of the various media used to inform the public, the 286 outdoor billboards throughout the state proved to be the most effective.

Love is the theme of newly-installed Grand Master M.W. Bro. Joseph Shurette and his message, *Back to the Basics*. "I hear Masons complain from time to time that it is not like it was in the good old days before T.V. . . . It is not that Masonry has changed. We are the ones that have changed. How long has it been since you did something for someone which made your heart bubble with joy. The real joy in life is what you do for others. Try it. I'll guarantee you will not be disappointed. Freemasonry has basic principles, love, caring and concern for our fellow man. When Masons get back to these basic principles that made our Fraternity the greatest, you will again see our Fraternity improve and prosper. You will see new people with more enthusiasm, happiness and a warm joyous pride in its membership." e.

IRELAND - 1987

Grand Master - Most Hon. The Marquess of Donegall, L.V.O.

22 Provincial Grand Lodges 2 New Warrants Issued 5 Warrants Returned

"It is often said by people outside the Order that whilst it does a great deal in terms of charitable works, these are very often directed towards its own members and their dependents and not for the benefit of the community as a whole." This comment or criticism, when considered by the Grand Master's Committee on Charity, resulted in the 1984 recommendation that not more than once in every three years

a Grand Master's Festival should be held on a constitution wide basis to provide funds for non-Masonic charities. However, fund raising for such purposes should not be a substitute for funds required annually to help Masonic charities. The first Grand Master's Festival started in April 1988 and runs for a period of 18 months. The major portion of the funds raised will be devoted to medical research. Ten percent will be set aside so the Grand Master may make contributions to various natural and other disaster funds from time to time.

A composite resolution that Grand Lodge should:

1. *Take steps to reach out to the community and shed the Order's labels of "secret," "sectarian" and "inward looking."*
2. *Review the mechanics of recruitment taking a more practical approach, but without compromising suitability.*
3. *Develop a more participative style aimed at the involvement of more younger brethren with a view to their being placed, if suitable, into some of the leadership positions.*
4. *Review some aspects of ritual with a view to fostering a wider appeal and dispelling fears but without abandoning any of the fundamental principles of Freemasonry.*
5. *Encourage development of the social and cultural side of the Order to include families and invited nonmembers.*

was the basis of a framework for a Grand Lodge Policy Document which should receive ongoing annual review. This resolution does not set down how anything should be addressed, but rather what should be addressed.

Concern was demonstrated at separate forums over the year that the Order was not making the effort to identify what it might do to meet the changing times and needs of the brethren. Through questionnaires and conferences, efforts are being made to ascertain what should be done to maintain the relevance of the Order in today's society. One spin-off from this initiative was the constitution of the first Irish Daylight Lodge - *Lux Diei* - in Dublin. Attendance is for Master Masons continuing allegiance, loyalty and membership in their subordinate lodge. Papers on interesting topics will be presented and occasional degrees will be conferred by requisition from lodges with an overburdened degree conferring schedule.

The first documentary evidence of a lodge working in Dublin is dated 1688 and refers to a speculative lodge in Trinity College. As part of Dublin's Millennium Celebration, a special exhibition in the museum in Freemasons' Hall telling the story of 300 years of operations was opened for the public by the Grand Master on the eve of the Communication of Grand Lodge. It is envisaged that opening the doors of Freemasons' Hall to the public will hopefully dispel the image of Freemasonry as being secretive and aloof from society.

One of the major criticisms too often heard is a lack of communication within the Order. Sometimes it occurs by accident, sometimes by design, but usually because there is too little time at lodge meetings to deal with items other than the urgent business of the lodge on that particular occasion. Newsworthy items tend to get little

or no airing even though they may be of real interest. To remedy this situation Grand Lodge has published its first Newsletter, to be issued on a regular basis and to be circulated to all brethren through the lodge secretaries.

New regulations governing the appointment of Grand Representatives were presented. As an active office, failure to attend Grand Lodge on at least two occasions in each year (Grand Lodge holds Quarterly Communications), renders the holder ineligible to continue in office. The term as Grand Representative must not exceed ten years.

Grants to lodges from the Loan and Grant Fund for maintenance, refurbishing halls and properties came to £28,650 while loans advanced totalled £49,200. Approval was given to increase the per capita levy to £6 per annum.

The draft booklet on Masonic Charities submitted by the Grand Almoners for issue to all members, particularly candidates, has been edited and is ready for printing.

Six Grand Lodge of Instruction meetings were held throughout the jurisdiction demonstrating and exemplifying a variety of degrees, installations, investitures and odds and ends. "Ritual is not Freemasonry, but Ritual is the chalice from which the pure wine of Freemasonry is imbibed." e.

The 169th Annual Communication of the Grand Lodge of Maine, A. F. & A.M., was held on May 3 and 4, 1988, at Portland.

At the previous Communication [1987] the Grand Lodge of Maine joined the National Masonic Foundation for the Prevention of Drug and Alcohol Abuse among Children. After reviewing several programmes Grand Lodge decided to cooperate with and support the State programme - the State of Maine Department of Education Substance Abuse Division.

The Grand Lodge of Maine granted forty-eight scholarships of \$500 each.

The Committee on Masonic Education and Lodge Service was involved in promoting more effective implementation of the programme of candidate and new Master Mason instruction. In addition the committee promoted the programme of Advanced Masonic Education, directed to district and area seminars. This programme stresses, among other topics, Masonic History, Philosophy and Symbolism.

The Grand Lodge has taken an active part in the support of DeMolay Chapters and Rainbow Assemblies.

The Library and Museum Committee reported that they have now succeeded in being recognized as the official State of Maine Masonic Library; one that is open to the public as well as to Masons. Their next goal is to establish a professional Masonic Museum.

The Committee on the Condition of the Fraternity made three recommendations:

- It should be the goal of each district to form and maintain a Masters' and Wardens' or Officers' Association as they have proved to be very beneficial in the promotion of Masonry
- Help should be provided to assist lodges with financial problems
- Provisions should be made in the District Deputies' guidelines for reporting on the physical condition and appearance of lodge buildings

The One Hundred and Thirteenth Annual Communication of the Grand Lodge of Manitoba A.F. & A.M. was held on June 20 and 21, 1988, in the Masonic Memorial Temple, Winnipeg, Manitoba.

From the Grand Master's Address: "I have taken part in Masonic talks to Masons and non-masons alike and have heard nothing but favourable remarks from those in attendance, as well as the lodges involved."

"An active lodge is a good lodge and a good lodge serves its members. How can they serve? By improving the lodge through better planning of meetings; by better presentation of the ritual; by presenting a short period of Masonic light at each meeting; by involving as many brethren as possible in as many ways as possible and above all by LISTENING! By listening to members, by listening to our community and by listening to youth."

"The Masons of Manitoba are carrying Masonry to their cities, towns and villages by the many acts of charity that they perform. However brethren, more can be done; more should be done; more must be done. Remember, you do not have to give money to be charitable. Give of yourself, your talents and your time."

"We are losing brethren and we are losing lodges. . . . This is not peculiar to Manitoba. All jurisdictions are faced with the problem and all organizations are suffering as well. As the weightlifter said about the secret of his success, 'Don't think about the weight - concentrate on the lift.' We too brethren, must not think about the problem but we must think about the solution. We must also think about the changing times in which we live and be prepared to make changes, cosmetic if you will, but we must continue to adhere to our principles and tenets and preserve our ancient landmarks and usages."

The Grand Master appointed an ad hoc committee to report on Freemasonry and Christianity.

It readily became apparent to the committee that the problem of Masonic relations with various churches in Canada and many other countries was more widespread and deep rooted than had been anticipated originally, and that "sensational" media reporting was not entirely at fault.

The committee identified a number of areas of concern which required further attention. These included:

- the need to enhance the image of Freemasonry with churches in particular
- the need to enhance the image of Freemasonry in the community in general, utilizing, if necessary, professional consultants
- the need to prepare a clear and concise statement of the Fraternity's relationship with sectarian religious organizations
- the need to establish - once and for all - that Masonry is a supporter of all religions and a competitor of none

It was recommended also that these ongoing concerns be acted upon in the ensuing year either by this committee or the Committee on Condition of Freemasonry or Masonic Enhancement.

During the past year in the Grand Lodge of Manitoba there were three amalgamations and one surrendering of a charter.

In the Grand Lodge of Manitoba there are four lodges above the 53rd parallel. They are: The Pas Lodge, Flin Flon Lodge, Lynn Lake Lodge and Mystery Lodge.

At the evening session on June 21, 1988, M.W. Bro. John Hodgson was elected and installed as Grand Master for the next year. He chose for his theme for the coming year: **ENTHUSIASM** and **PARTICIPATION**. He closed his address with these words: "Let us work together for the future of this beautiful fraternity which has so much to offer; let us share our fellowship, our brotherly love, and with faith in the great Architect of the Universe, let us participate with enthusiasm, in our lodges, in our communities and in all of those endeavours which benefit mankind."

The One Hundred and Sixty-second Annual Communication of Free and Accepted Masons of the State of Michigan was held on May 24 and 25, 1988, in Acme, Michigan.

In his address, the Grand Master commented on membership and solicitation. "Virtually every stop has been pulled regarding our drive for members this past year. I have suggested that it is not illegal to talk about Freemasonry to anyone whom you feel is good Masonic material. You have heard me make the statement that if your best friend is not a Mason, why isn't he? If he is anything like you are, we think he should be.

Brethren, so many times we have overlooked our most obvious sources of membership, our families, our friends and our acquaintances. They probably think we don't want them in this fraternity because we have never asked them.

We must all endeavour to replace ourselves with new members. . . . the average age of our membership is sixty-two . . . we are losing approximately 3,000 members a year to death.

It is not illegal or unmasonic to talk to family, friends or acquaintances about our Masonic fraternity. . . . familiarize yourself with as much Masonic information as possible and approach prospective candidates whom you feel are of good Masonic quality.

If we are to prosper, we must pursue membership. I do strongly recommend that we do our Masonic homework and fill our lodges. We do not have the luxury of time on our side anymore, the time to act is now."

The Grand Master encouraged the use of the Masonic Pin for Widows. "Our Masonic Widows are one of our greatest assets. We must always see that they are provided for and are recognized. Our lodges must, as a matter of pride, if for no other reason, establish widows' nights and other activities designed to keep our ladies near us. The Masonic Widow's Pin is an emblem of pride and a token of love from us. Please practice, my brethren, the tenets of our profession."

The Grand Lodge of Michigan operates the "Michigan Masonic Home." This past year there were 452 occupants of that home - 154 men and 298 women.

The Grand Lodge has started a larger project, a comprehensive site plan has been developed for the Masonic Village Estates and Continuing Care Retirement Campus. At present four buildings containing eight duplexes are completed and the first residents have moved in.

At this communication, M.W. Bro. Kenneth Bolton was elected and installed Grand Master. The project for the coming year is the *Juvenile Diabetes Program*. It is hoped that this programme will give favourable publicity to Masonry so that the public will see what Masons stand for. Each lodge is asked to participate and all of the money that is raised will be used in the State of Michigan.

The One Hundred and Twenty-first Annual Communication of the Grand Lodge of the Ancient and Honourable Fraternity of Free and Accepted Masons of New Brunswick was held on June 13 and 14, 1988, in the Masonic Temple, Saint John, New Brunswick.

From the Grand Master's Address:

"We have received a great deal of criticism from various branches of the Christian Churches over the past years, which is totally unwarranted. They could learn a great deal from us I think in the realm of getting along with other people, and in the practice of Faith, Hope and Charity and the greatest of these is Charity."

"We are all concerned by the gradual decline in membership. It is not as rapid as it has been, but still, we are not showing an increase, and while we can take some comfort that the pace of the decrease is slowing down, it is still a decrease. Let us all try our best to halt this trend."

"The strength of Masonry lies in the individual lodges and it is our concern that each lodge is a tower of strength in their respective communities."

From the District Deputy Grand Masters' Reports:

"The introduction of the travelling gavel has resulted in a friendly rivalry between the lodges and has helped to produce good attendance at different meetings. Unfortunately all lodges are facing declining memberships through attrition."

"Some lodges have met the challenge of declining attendance by putting on innovative and interesting programs. It is gratifying to see new members being put to work in the lodges, either as officers or as lecturers."

"Three of the smaller lodges have taken on a big project. They have pledged to pay for the ornamental tables and chairs in the atrium of the new hospital in Sackville. This project is an excellent effort in improving public relations in the area."

"I feel the lodges of the district are making steady progress in improving the public image of the fraternity through various individual projects such as school prizes, assistance to the needy, assistance to groups such as Cubs and Scouts and other worthwhile endeavours. Just recently, the brethren of Landmark Lodge gave a generous donation toward the supplying of an educational device for a handicapped student."

During the year one lodge surrendered its charter, 36 lodges were consolidated into 18.

For the first time in over two hundred years the Annual Communication (207th) was held outside of New York City. This year's communication was held at Niagara Falls, New York, May 3 and 4 [a thought for our Grand Lodge to ponder].

The Grand Master commented on the launching of the second phase of their much heralded multi-media communications programme. He expressed the hope that these programmes would eventually bear fruit, although the results have not yet shown a turnaround.

He concluded this part of his address as follows:

"The bedrock of effective Masonic communications is the everyday practical living of a life that is guided by religious, moral, and ethical principles. There is no replacement for this triune approach - no public relations program, no slick media campaign, no four-coloured print matter can be substituted. I believe in this as fervently as I can, and I sincerely hope that each of you do, too."

Several amendments to the Constitution were proposed. Some of these were:

- to change the number of black balls required to reject a candidate (and for any ballot) from one to three - motion carried
- a recommendation that the ancient symbolic penalties be removed from the Obligation and included in an explanation later in the degree was brought forward for the second consecutive year. This time the motion was defeated by a vote of almost 3 to 1
- a suggestion to lower the age of eligibility to 18 was deferred until the next Annual Communication

A note of historical significance was that M.W. Bro. Swits took his obligation on the same Bible that George Washington took his Obligation as President of the United States in 1789. The Bible was borrowed at that time from St. John's Lodge No. 1 and is still in their care and custody.

The Masonic Medical Research Laboratory, a renowned research institution, has been in operation for some thirty years. It is run by a Board of Directors nominated by the Grand Master and elected by Grand Lodge. Appeals for funds and bequests become more urgent as government grants shrink. 1987 proved to be an outstanding successful year in regard to receipts from estates and trusts. The laboratory continues to focus on basic biomedical research in the fields of heart disease, cancer, gerontology, hypertension and blood substitutes.

The Committee on Drug and Alcohol Abuse reported much progress in the preparation of a state-wide programme that would be in concert with, and supportive of, the National Masonic Foundation for the Prevention of Drug and Alcohol Abuse Among Children. They reported that the programme would be modelled after the existing programmes of the Grand Lodges of Maryland and Pennsylvania.

The Annual Communication of Antient, Free and Accepted Masons of New Zealand was held on November 25, 1987, at Hastings.

The President of the Board of Benevolence reported that although the Bay of Plenty earthquake disaster had made little demand on their Disaster Fund it did bring a realization of the inadequacy of the fund (\$21,258) for a major disaster. The Board of Benevolence therefore set aside \$100,000 for this fund. The matter of child care received considerable attention. An amount of \$500,000 was set aside under the title "New Zealand Masonic Grand Lodge Paediatric Post Graduate Fellowship of Otago." The income from this fund to be used for paediatric post graduate fellowships. In addition, they are already funding a New Zealand Masonic Chair of Geriatrics at North Shore Hospital.

Bursaries and grants for education at university and secondary school levels amount to \$97,000.

Two Masonic Homes are supported by the Masons of New Zealand. One at Papakura for intellectually handicapped as well as multi-handicapped children in wheelchairs; the other, Kirkpatrick House for Girls.

The committee investigating a new Grand Lodge building presented an interim report and received approval from Grand Lodge to continue their investigations toward a new and better premises. V.W. Bro. Angus, in presenting this report, commented: "For the benefit of Freemasonry we are in need of an image worthy of our Craft. There is no better focal point than a good building in the right situation."

The grant to Lodges of Research, of which there are nine in New Zealand, was approved and increased.

OHIO - 1987

Grand Master - M.W. Bro. Robert E. See	
Lodges 666	Membership 200,782

The One Hundred and Seventy-eighth Annual Communication of the Grand Lodge of Free and Accepted Masons of Ohio was held in the City of Columbus, on October 16 and 17.

The Grand Master conducted several ceremonies of rededication of lodges and four cornerstone laying ceremonies, two of which were for public edifices. During the year, four lodges merged to form two.

The Grand Master, on congratulating the Marketing Committee, stated: "The promotion of some 60 plus billboards around the State indicating that the Masons of Ohio support the Special Olympics not only showed our support of the Special Olympics, but placed the name of Freemasonry in front of approximately 1,750,000 people per day around the State."

Seven pieces of new proposed legislation was put forward by the Jurisprudence Committee for consideration. These proposals had been laid over from the 177th Communication. Two are noted herewith: ► to alter the eligible age of a petitioner from 21 years to 18 years - motion defeated ► to change the preamble wording in regard to the penalties in all three degrees to "ever bearing in mind the penalty accepted by our ancient brethren" - motion defeated.

The Grand Lodge Scholarship Committee voted to award five new scholarships for the 1987-88 academic year. This brought the total awarded annually to 40 scholarships of \$1,000 each.

The Grand Lodge Temple Committee reported, in part, as follows: "It is extremely important that we maintain our Temples in an excellent condition. The interior must be maintained well for our use and to impress the candidates and their families. [?] The exterior must be maintained for it is one of the impressions we give to the uninformed." [Sound familiar?]

M.W. Bro. Robert E. See, on accepting his Past Grand Master's Jewel, made the following comment: "My brethren, if we live our fraternity as our Masonic lessons teach us, then our fraternity will live forever."

M.W. Bro. George C. Braatz, on being installed, informed the assembly that his theme for the coming year was: "Freemasonry, By our works they will know us."

His concluding paragraph was, as follows: "In Ohio today we need a new enthusiasm, a new zeal and vigor; a real awakening, a passion for Freemasonry. If you think that I am speaking just about these things for the organization you are missing my point. We need this enthusiasm and support for the purposes of Freemasonry. The only reason that this organization exists is to support those purposes of brotherly love, relief, and truth. We are Masons to encourage a better way of living, to build individual character and citizenship. What the world sees in Masonry shouldn't be a building or an organization. It shouldn't be some funny sounding titles or some speculation about what our ceremonies are or what our so-called 'secrets' might be. What the world sees in Masonry should be the way lives are lived; the way worthy projects are supported; the way good is accomplished in the community. By our works they will know us." A sound admonition for us all.

The Annual Communication of Free and Accepted Masons of Pennsylvania was held on December 28, 1987, at Hershey.

As well as four Quarterly Communications, the Grand Lodge of Pennsylvania held Special Communications: four for the purpose of laying cornerstones for new Masonic Temples; one for the purpose of laying the cornerstone for a new Scottish Rite Cathedral; and others for the purpose of dedicating lodges and lodge buildings.

An extra Communication was held in Philadelphia on September 11, 1987, for the purpose of making Lieutenant General Robert D. Springer a Mason at Sight. The three degrees were conferred in one day by brethren from several schools of instruction under the direction of the Instructor of Ritualistic Work and Regional Instructors.

The Grand Lodge operates The Masonic Homes in Elizabethtown. This complex contains a residential area, a special care center and a children's home. At present there are 715 people in the Masonic Homes.

From the review of the administration of the R.W. Grand Master: "Clearly, Bro. Stenberg's greatest achievement has been the Pennsylvania Foundation for the prevention of Drug and Alcohol Abuse Among Children. . . . He has been responsible for the incorporation of the Foundation and has worked with sixteen different organizations including the Pennsylvania Departments of Health and Education. He has included the Center for Juvenile Justice in the program and has arranged for a billboard campaign among the other programs to make this Foundation the success it is. . . . has been instrumental in making the Pennsylvania program an example for the National Masonic Foundation . . . He has secured for our Fraternity an ongoing tradition that Masons truly care about children."

PRINCE EDWARD ISLAND - 1987

The One Hundred and Twelfth Annual Communication of the Grand Lodge of Prince Edward Island A.F. & A.M. was held on June 27, 1987, at the Masonic Temple, Summerside, Prince Edward Island.

Prior to a visitation to a constituent lodge, the Grand Master continued the precedent established by the Immediate Past Grand Master, that of visiting the elderly, sick and shut-in brothers and in some cases the widows of Masons of the lodge. He was usually accompanied by the Grand Chaplain, the Grand Secretary, Grand Lodge Officers and the Worshipful Master or his representative of the constituent lodge being visited.

During the past year the Grand Master established a programme whereby the constituent lodges, with their Worshipful Master, Immediate Past Master, Grand Lodge Officers and lodge members would arrange a visit to two other lodges. The visiting Grand Lodge Officers would present a paper on Masonic Education and entertain discussion. This programme did stimulate much interaction and resulted in increased fellowship and education awareness. The Grand Master also requested the lodges to enhance their programme of visiting the sick, shut-ins, elderly and widows of Masons.

The Grand Master attended the State Banquet of the Knights of Columbus. He enjoyed it very much and had this to say about the evening: "I shared an evening of great fellowship with many whom my daily work brings me in contact, here I came to understand some of the similarities our fraternities share."

From the report of the Grand Lecturer:

"The Master of a lodge will find his Mastership of greater joy and satisfaction to himself, and of much greater value to his brethren if he equips himself to become a teacher as well as a ruler and a ritualist. The majority of Masters are so fully occupied in initiating, passing and raising members that the lodge becomes a factory devoted to mass production of members - existing in name only instead of being a school for the education of Masons. Unfortunately, the average Mason does not pry far beyond the ceremonial, and Masonry reveals its hidden mysteries only to those who diligently seek them."

At this Annual Communication M.W. Bro. Carl Keir Thompson was elected and installed as Grand Master of the Grand Lodge of Prince Edward Island.

The One Hundred and Eighteenth Annual Communication of the Grand Lodge of Quebec A.F. & A.M. was held on June 2, 1988, in Montreal.

From the Grand Master's Address:

In Quebec and in Canada we as leaders of this worldwide brotherhood of Masons must make every effort to unfurl those banners of truths, proclaiming **Brotherly Love, Relief and Truth**. As elected and appointed officers of this Grand Lodge we must avail ourselves of every opportunity to appear in public in our role as officers of this Grand Lodge and proclaim adherence to the genuine principles of Freemasonry.

So it is with this great fraternity to which we have obligated ourselves. If we are to make our fraternity more visible, if we are going to make it easier for the prospective candidate to approach our door, I suggest that changes will have to be made in the way that we operate. Too often we hear the words 'I would of joined years ago but I didn't know how or who to ask.'

I am indeed mindful of **quality - not quantity** but our numbers have been decreasing and like other jurisdictions, we must do a better job of telling the world who we are, what we do, what our good works are and how a non-Mason might enquire about the greatest fraternity whose good men and good works can be found in all corners of the globe.

The Grand Lodge of Quebec is developing a programme which will contain recommendations and procedures for lodges to follow in order to reverse the trend of decreasing membership and loss of enthusiasm.

The programme is called V O I C E S.

V = Visibility

O = Outreach

I = Instruction

Clandestine Grand Lodge

Reports reached the Grand Lodge of Quebec, in February, 1988, that a foreign irregular Masonic Grand Lodge was encouraging the formation of a clandestine and irregular Grand Lodge of Quebec. A special meeting of the Past Grand Masters was convened to acquaint them with this "**Invasion of Territory**." After a full discussion it was unanimously agreed that all Grand Lodges with whom the Grand Lodge of Quebec was in fraternal relations and all subordinate lodges of the jurisdiction should be informed of this development and why they as a group objected to it.

All lodges in the jurisdiction were informed by letter. This letter stated that it was a Masonic offence to attend a meeting of a clandestine lodge or to discuss subjects of a Masonic nature with a member of an irregular or clandestine lodge.

It was very assuring to the Grand Lodge of Quebec to know that the native born Canadian Francophone Masons did not support the action taken by the Grande Loge de France.

The Grand Lodge of Scotland meets in Quarterly Communication in February, May, August and November, while the Grand Committee - the equivalent of our Board of General Purposes - normally meets in March, June, September and December. Sixteen brethren elected for a three-year term constitute the Grand Committee. A table showing the attendance of the elected members at the Grand Committee meetings is printed in the Proceedings. Grand Lodge office bearers include the Grand Almoner, Grand Librarian, Grand Architect, Grand Jeweller, Grand Bible-bearer, Grand Bard, Grand Director of Music, and Grand Marshal.

Attendance at meetings of lodges is stressed on four separate occasions so as to guard against members becoming involved, through ignorance, with Masonic bodies which are not recognised as regular by the Grand Lodge of Scotland. Lodges are instructed to impress upon their members that they should not make any contacts overseas with members of lodges under other Grand Lodges without having ascertained from the Grand Secretary's office that regular Freemasonry exists in the country concerned. It is particularly desirable that each new Master Mason, when being presented with his Grand Lodge certificate, should be cautioned of the dangers of visiting irregular Masonic bodies abroad.

The 11-page report by the Committee of Benevolence lists by district the names of the beneficiaries, their age, the number of the supporting lodge and the amount of annual grants recommended. Full recognition was granted to the Grand Lodge of Spain and for the exchange of Grand Representatives. Sums payable to Grand Lodge include 'test of membership' payable annually by each member in the amount of £5.00 or \$9.75 Canadian funds.

Quarterly reports from the Museum and Library Committee list the items which have been received and by whom presented. A display of Masonic regalia and artifacts was publicly exhibited in the city of Aberdeen.

A recommendation that the Grand Committee should give consideration to the deletion of the ancient penalties from the Obligations was submitted with the view of presenting the findings to Grand Lodge. The Grand Secretary received a letter from the Council of the Baptist Union of Scotland intimating that a group had been appointed to study the relationship between Freemasonry and Christianity, and were desirous of having discussions at which Freemasons would be present.

The Grand Master noted in his 'state of the nation' address that while entering his fifth and final year he sensed a levelling out of membership decline. There were 5,254 Intrants in 1987. This was 7½% fewer than the last year which was an improvement from the drop of 10% the previous year. e.

The Two Hundred and Fifty-first Annual Communication of the Grand Lodge of Ancient Free Masons of South Carolina was held on April 28 and 29, 1988, in Columbia, South Carolina.

During the past year the Grand Lodge of South Carolina held ten Special Communications. Three for the purpose of laying the cornerstone and dedicating new Masonic Temples; one for the purpose of consecrating, dedicating and installing the officers of a new Masonic Lodge; four for the purpose of dedicating a Masonic Lodge; one for the purpose of laying a Past Grand Master's Grave Marker; one for the purpose of rededicating a Memorial Monument to a Brother.

The Grand Master writes a letter to each newly-raised Master Mason, This small token has been well received throughout the Grand Jurisdiction.

Many outdoor and early morning degrees are held. These seem to be worthwhile and much goodwill and fellowship results from attendance at them. The original outdoor meeting is the Annual Rock Quarry Meeting held at Wing's Quarry near Traveller's Rest. This year was the first time in the last three years that it was actually held in a quarry. The previous two years this meeting was held in a high school gymnasium because of rain. Several hundred Masons from all over South Carolina and neighbouring States attend these unique meetings.

The Grand Master, in his address, made the following recommendations:

- That the Grand Lodge approve the adoption of the necessary legislation to allow the formation of a Lodge of Research in South Carolina.
- That due to the extremely high cost of insurance coverage today, many lodges have dropped all insurance coverage on their lodges. A committee be appointed to investigate the feasibility of adopting a plan whereby Grand Lodge could sponsor a self insurance programme in order to provide affordable insurance coverage for the lodges.

The One Hundred and Fourteenth Annual Communication of the Grand Lodge A.F. & A.M. of South Dakota was held on June 17 and 18, 1988, in Rapid City, South Dakota. The opening of Grand Lodge was a public affair and present were the widows of our Past Grand Masters.

The Grand Master had as his theme for the year: **"Unity in Masonry"**

From the Grand Master's Address: When I think of 'unity' I think of oneness of purpose and oneness in problems and I cannot help thinking of membership and the

loss that all bodies have been experiencing over the past several years. If we are to turn around that trend we all have to pull together in unity. . . . I cannot believe that our organization, that has stood the test since King Solomon's time, is in danger of extinction now or at any time in the near future . . . lodges have their ups and downs . . . we have to change our methods to increase our numbers. The greatest gift that God can give us is to see ourselves as others see us.

When we talk of 'unity' we must work with the appendant bodies and those that depend on Masonic Membership. . . . We as Masons know that we cannot go out and solicit membership, but there are other avenues to follow. If a member of an appendant body asks someone to join them and finds out that that person is not a Master Mason, he should explain that he must first ask to become a member of a Blue Lodge.

WE need to work together for the common good . . . now is the time to change so that our image is pleasing to the sight of the public.

The programme that the Grand Master presented had nine points which he considered so basic to the operation of a successful lodge.

- Hold a Friendship Night or Honour an Outstanding Citizen
- Hold a School of Instruction
- Lodge Administration and Masonic Education
- Have a Ladies' Night
- Confer and exemplify degree work
- Attend Jobs and DeMolay meetings and visitations to other lodges
- Officer Training Courses and Lodge Self Evaluation
- Have an active Education Program by having and using an Educational Officer.
- Attend Grand Lodge.

The Grand Master made the following recommendations:

1. The Grand Lodge continue to support DeMolay and Jobs Daughters.
2. The continued support of the Eastern Star Home.
3. The support of the Drug Abuse Program.
4. The continued support for the Midwest Masonic Education Conference.
5. The continued support for the Commission on Masonic Education.
6. The continued support for the Grand Lodge General Fund Endowment.
7. The continued support for the Grand Master's Award Program.
8. The continued membership in and support for the Masonic Service Association, the Masonic Relief Association and the George Washington National Memorial Association.
9. The membership consider a raise in the annual per capita dues of \$3 in order that the Grand Lodge can operate with a balanced budget.
10. The membership consider establishing a registration fee to attend Grand Lodge so that those attending would contribute to the expenses of holding Grand Lodge.

The One Hundred and Seventy-fourth Annual Communication of the Grand Lodge of the Ancient and Honourable Fraternity of Free and Accepted Masons of Tennessee was held on March 24 and 25, 1988, in the Grand Lodge Building in Nashville, Tennessee.

The theme for the past year has been: **"FREEMASONRY IS FREEDOM"**

The Grand Master, in his address, urged the brethren to fight harder to preserve what we have. In countries controlled by dictators Freemasonry is all but nonexistent. He especially addressed his message to the Immediate Past Masters urging them to remain active in the lodges. They should not take the attitude that "I have done my part" and drop out. Much work has to be done and they are the ones to make sure it is done and done right.

The Grand Master made the following recommendations: ▶ That there be established a Grand Lodge Library and Museum. ▶ That the ballot for affiliation be a unanimous ballot, except for the reaffiliation with a lodge from which the brother has demitted.

The Grand Secretary reported that dual membership was causing many problems. The main problem was dual membership with lodges in Florida. It was his opinion that lodge membership should be the same as church membership. When a brother moves to another jurisdiction his lodge membership should go with him, just as, in most cases, his church membership does.

To overcome this problem of dual membership, the following proposals were passed: Dual membership by a member of a lodge in this Grand Jurisdiction is permitted only where a member of a lodge in this jurisdiction becomes a member of the Tennessee Lodge of Research or of a Lodge of Research chartered by and working under the authority of a Grand Lodge recognized by this Grand Lodge. And those members of Tennessee Lodges holding dual membership on the date of the adoption of these proposals shall be entitled to retain their dual membership but may not transfer either of the two memberships.

The One Hundred and Fifty-second Annual Communication of the Most Worshipful Grand Lodge of Texas, A.F. & A.M., was held in the Grand Lodge Memorial Temple, Waco, on December 4 and 5.

There were thirty-seven "Special Representations" of Grand Lodge for the purpose of levelling cornerstones (including two churches, three courthouses, and twelve institutions of learning). There were also eight "Special Representations" held for the dedication of Masonic Temples.

The Grand Lodge of Texas has 122 districts. The smallest consists of three lodges with a total membership of 275 Masons. The largest district is composed of 14 lodges. The majority of the districts have 8 - 10 lodges.

The Grand Orator spoke at length to the assembly which included the ladies. At the end of his address the ladies were excused by the Grand Master and Grand Lodge was opened in ample form.

The Grand Orator's inspiring address, given in a positive tone, is well worth reading in total. Space permits only a few short quotes. Stating that he did not wish to continue some of the negative orations of the past he proceeded, as follows: "Too many orations of the past, too many articles in Masonic publications over the past twenty-five years, have created an atmosphere of 'Twilight in the Temple.' The wailing wall of Freemasonry is crowded with Masonic leaders, great and small, each professing to define the problems and then working overtime to make Freemasonry something other than Freemasonry, in an effort to solve what they perceive to be the problem. It leads one to believe that there was some reason other than the disappearance of Hiram Abiff when King Solomon asked: 'Why all this confusion in and about the temple?'

Why should there be confusion in the temple? Why are we in search of bright ideas and prescriptions? Freemasonry has one mission on this earth and only one. Let he who asks what the mission is pause to reflect that in asking the question he is confessing that he has missed the point of it all."

He then goes on to state: "If we will simply reacquaint ourselves with the instructions given to the candidates upon entering as an Apprentice in Freemasonry, we can readily see that our assignment is not the improvement of Freemasonry, but on the contrary, it is the improvement of ourselves."

He makes a strong case for Masonic Education in its proper sense. He uses the word "Masonology" to indicate a wider need in Masonic Education for a deeper understanding of the purpose, history, and philosophy of Masonry.

In summing up, he states: "Freemasonry was never intended to be anything other than a profound quest by man for participation in the nature and purpose of God and the Universe. Freemasonry erects its temples within the hearts of men."

The Grand Master issued a new Proclamation outlining the year-long programme for the observance of the 150th birthday of the Grand Lodge of Texas. These celebrations actually began December 6, 1986, with the installation of M.W. Bro. Kelly and culminated at this Communication. Among other items, a brochure on Texas Masonic Heritage was prepared. The purpose of this brochure was to explain the important role played by Freemasonry in the development of Texas as a Republic and a State. It also was intended to explain Freemasonry, and its activities, to the non-Mason and what Freemasonry means to the local community and the culture of Texas.

The One Hundred and Fifty-fifth Annual Communication of the Grand Lodge of Vermont F. & A.M. was held on June 15 and 16, 1988, at South Burlington, Vermont.

During the past year two Special Communications were held. One for the purpose of commemorating the One Hundredth Anniversary of the laying of the cornerstone of the Bennington Battle Monument; the other for the purpose of conducting the Funeral Service for a Past Grand Master of the Grand Lodge of Vermont.

Some topics from the Grand Master's Address:

District Meetings

At these meetings the Grand Lecturer arranged for a series of excellent speakers on the Constitution of the United States and how Masonry helped in the formation of the Constitution.

Outstanding Awards

This past year the Grand Master asked the District Deputy Grand Masters to nominate an outstanding Mason and an outstanding non-Mason for an award. In all cases those chosen were deserving of the award.

Public Appearances

- ▶ The Fourth of July Parade celebrating the 100th anniversary of the Town of Proctor.
- ▶ The Rededication Ceremony of the Laying of the Cornerstone of the Bennington Battle Monument.
- ▶ The dedication of the new Temple of Memphremagog Lodge at Newport.
- ▶ The Loyalty Day Parade in Rutland where over fifty Masons either marched in the parade or rode the float.

Booster Meetings

A well planned programme was presented at each of the Booster Nights and was well received by the brothers and their ladies.

The Grand Master is concerned about the inability of the various lodges, within the area of the Booster Nights covered, to bring prospective members to this introduction to Freemasonry. Could it be that there are so few men in the State of Vermont that are up to their own individual standards, are they afraid to ask a neighbour, a fellow worker, a Minister, or a community leader. The Grand Lodge can only do so much in planning and presenting the Booster Nights - the rest is up to the members of the lodges.

Youth

The Grand Lodge of Vermont continues to work with their youth in DeMolay, Rainbow and other youth groups. The youth of today are caught up in an awful war for their minds through the use of drugs and alcohol, and the Masonic Fraternity can influence these young people and head them in the proper direction.

Recommendations

- That the Lodge Secretaries furnish the Grand Secretary with the names, addresses and phone numbers of their members that are in the legal profession. These names are kept and used in the appointing of a Trial Panel. There must be at least one attorney on a Trial Panel.
- That the sum of \$1,000 be included in the budget to be used for the proper marking of graves of the Past Grand Masters.
- That the sum of \$2,500 be included in the budget for Masonic promotional activities.

From the District Deputy Grand Masters' Reports

"I attended many Table Lodges and still find them to be a great help in spreading Brotherly Love."

"Attendance at regular meetings seems to be a problem with a lot of lodges but all concerned are trying to solve this. All lodges are trying to make progress in getting new members and bring the older ones out to meetings."

"Most of the lodges are involved in the communities and provide financial and other support to local charities and worthy causes. Special events such as Family Nights, Christmas Parties and Table Lodges are held."

VICTORIA - 1987

Lodges 714

Quarterly Communications of the Grand Lodge of Antient, Free and Accepted Masons of Victoria were held March 18, June 17, September 16 and December 16, 1987, at the Masonic Centre of Victoria, East Melbourne.

At the March Quarterly Meeting the Installation Ceremony was held. This ceremony is conducted by the Past Grand Masters. At this meeting the Grand Master was reinstalled for another term.

The Grand Master, in his address at the March Quarterly Meeting, stated: The lodges are the life's blood of the Craft, for they are where all the action is taking place. It is encouraging to see the effort being made by some lodges in response to this idea, but we have still need a lot more effort to get our beloved Craft into continuous motion.

The Grand Lodge initiative of "Friends at Lodge" nights is having a significant effect of attracting initiates . . . we are still losing members by resignations. This puts the ball right back in the lodges. We must all take stock of our present position and examine our lodge programmes to make sure that we are making every effort to make our lodge meetings interesting, and let us follow up the absent members and resignations more vigorously. Brethren, I cannot over emphasize the importance of this, because the great efforts being made in one direction are completely nullified if we lose members in another.

The Grand Master, at the June Quarterly Meeting, ended his address with these words: Brethren, there is much evidence that we are being scrutinized from outside as an organization that is striving for the maintenance of high moral standards and

better human relationship, just as the Medieval Masons' Lodges were scrutinized. At a recent lecture given to students studying theology at a university, a Jesuit Priest who was the lecturer, said that one organization trying to maintain moral standards in the community was Freemasonry. There are many other pointers that we are being observed from without the Craft. This presents us with a wonderful opportunity to demonstrate our way of life to the community by example. Brethren, we have something to give - lets give it.

The Grand Lodge of Victoria holds an annual free children's concert. It was estimated that over 1,200 children enjoyed this year's concert. Special arrangements were made to accommodate disadvantaged and handicapped children.

The Grand Superintendent of Works reported that during the past year, the Masonic Buildings Committee continued to provide technical advice for Temple owners. Eleven loans, valued at \$57,412, had been approved to assist the Temples' owners to repair and update their buildings. At present there are five loan applications, valued at \$301,500, before the committee for consideration.

The Grand Master, at the September meeting, had this comment about **Sharing and Growing**: "If we believe in our Freemasonry and that it can help the community, then the time has come to make a concerted effort to share it with others by bringing non-Masons into the Craft in the appropriate way, or by bringing back into the Craft some of the thousands of unaffiliated Masons out there in our communities, but the motive must be **SHARING**. There is a natural law of abundance, and it is well known to those who share, you will always receive back more than you give and growth takes place either within yourself or your organization. . . . this law works. It is called **SHARING and GROWING**."

If we attempt to increase our numbers by any other motive . . . the quality on which we must build the future will be put at risk, but to be dedicated to **SHARING** our beloved Craft, our continued **GROWING** will be assured. Let us put Freemasonry into men, not just men into Freemasonry."

APPENDIX A
ADDRESS BY R.W. BRO. R. CERWYN DAVIES
AT THE
GRAND MASTER'S BANQUET
JULY 19, 1989

THE GRAND MASTER: I am now going to ask M.W. Bro. E. W. Nancekivell to introduce the speaker.

M.W. BRO. E. W. NANCEKIVELL:

Most Worshipful Grand Master, Officers and Members of the Grand Lodge of Canada in the Province of Ontario, and our Distinguished Guests:

It is a very real privilege tonight to present to you as the speaker at this 134th Annual Grand Lodge Banquet, the Rev. Dr. R. Cerwyn Davies. You might suspect that a man with that name might be a Welshman and so the problem is to pronounce his name correctly.

Some years ago in Hamilton, R.W. Bro. Bob Strachan was chairing a meeting with the late R.W. Bro. Ivor Davies in attendance and Bob said to Ivor (obviously a Welshman) - "Ivor, no matter whether you spell it Davies or Davis, it is still Davis in Wales," and Ivor replied, "Quite right, Bro. Strachan."

In the British Isles there are, of course, Englishmen, Scotsmen, Irishmen and Welshmen. The Englishman is a self-made man who worships his maker. A Scotsman is a man full of spirit, often the liquid variety. An Irishman is never at peace unless he's at war, and a Welshman is a man who prays on his knees on Sunday and on his neighbours the rest of the week.

I believe we can totally discount the last part of that definition, but endorse the first part. R.W. Bro. Davies certainly prays on his knees on Sunday as he is the minister of Dewi Sant Church in Toronto - the only Welsh Church in Canada, and it is a United Church.

He was ordained into what is now the United Reformed Church in Wales at a rather young age. He held various pastorates in Wales, culminating in the largest Church in West Wales of any denomination. In 1962 he was invited to represent the churches in Wales on a goodwill preaching tour in the U.S.A., visited and fell in love with Canada, and returned here in 1963. He came first to Grand Valley, where it is said the brethren helped him to get rid of his Welsh accent, at least to some degree, although he might not readily admit that.

In 1966, R.W. Bro. Davies moved to Brantford and two years later to Scarborough where he introduced a new concept of ministry, which he carried out with remarkable success, and then in 1979 to Dewi Sant Church. In Scarborough he has been extremely active in community affairs, working assiduously at various positions: e.g. member of Board of Governors of Scarborough General Hospital,

founding member of Scarborough Hospital Spiritual Care Committee, member of Scarborough Planning Council, and many, many others.

R.W. Bro. Davies was appointed leader of the "World Welsh" community in 1986 and received the highest honour bestowed by Wales on one of its native sons, in recognition of cultural activities in Welsh communities outside Wales.

Masonically speaking, R.W. Bro. Davies was initiated into Scott Lodge No. 421 in Grand Valley in 1965. I am told that he was so impressed with a young farmer's rendition of the Junior Warden's Lecture (without notes, of course) that he decided to preach from then on totally without notes, and he has done just that.

In due time, 1979, our speaker received Honorary Life Membership in King Solomon's Lodge No. 22, Toronto; became Master of that lodge in 1984 and, in 1987, was chosen to be the Grand Chaplain of the Grand Lodge of Canada in the Province of Ontario, a position which he served with the greatest distinction.

I have heard R.W. Bro. Cerwyn Davies preach at two successive Annual Sunrise Services at LaSalle Park near Hamilton, put on by the Masons of the three Hamilton Districts with almost 400 Masons and their families present. He was received with great enthusiasm by those present.

So I present to you a great Welsh minister of the United Church in Toronto - the only really Welsh Church in Canada; a man filled with the Holy Spirit and the love for his fellowman; a rare gift of oratory, a quick wit and a delightful sense of humour; one of our most distinguished and beloved Past Grand Chaplains - R.W. Bro. Richard Cerwyn Davies.

BANQUET ADDRESS

IN MY HEART, WORSHIPFUL SIR

Most Worshipful the Grand Master, William R. Pellow, Officers and Members of Grand Lodge, Distinguished Guests, Brethren:

A famous Welsh Minister of religion, Dr. Maldwyn Edwards, was once invited to return to a former pastorate for an Anniversary Service. No sooner had he arrived than he was cornered by one of the more vocal ladies, who proceeded to bring him up to date on what had happened since he had left. "And of course" she said, "since you left, Reverend, my poor husband Albert has died and gone to heaven." Dr. Edwards vaguely remembered Albert as a fringe member who came to the church at Christmas and Easter, and whose moral standard within the community had been somewhat questionable! Struggling for an appropriate response, he said: "So Albert has died and gone to heaven. I'm really sorry!" The expression on the widow's face immediately suggested to him that he had not said the right thing. He tried again. "So Albert has died and gone to heaven - what I meant to say was - I'm really glad!" The amendment to his original response had done very little to help, so in a final attempt to extricate himself: "So Albert has died and gone to heaven - what I honestly wanted to say was - I'm really surprised!"

Gentlemen, these were exactly my sentiments when the Most Worshipful our Grand Master invited me to speak at this banquet. I was honoured of course, but mostly surprised!

Whatever Freemasonry may be, it is indeed a sociological miracle. Communities are usually formed by those, and for those from similar strata. Political; Cultural; Religious; Vocational; Social; Financial!

Freemasonry, however, cuts across these bonds and bounds! Ours is a community comprised of men who are diverse in their - Political persuasions; Cultural attainments; Social standings; Vocational interests; Religious belief! Indeed, a sociological miracle!

To ask what is it within Freemasonry which draws men from all the above strata would necessitate an involvement of our minds in the study of the Freemason philosophy, because the entire idea of the Craft is based on an ideal and this ideal is known and accepted as Masonic Philosophy. Far greater minds than mine have expounded this Masonic ideal and so, on this occasion, I want to share with you not my interpretation of Masonic Philosophy but rather my interest in Masonic Psychology. Not what Freemasonry is, but rather what it does! What effect does it have on us, in us and through us, because if it doesn't do anything, unless it affects someone, then it's entire philosophical premises are worthless!

The value of a painting is in the effect it has on the eye.

The value of music is in the effect it has on the ear.

The value of Freemasonry is in the effect it has on the heart!

Life is a response. The paths that we take in life are not based on circumstances, but on how we respond to circumstances. This is why one man's meat is another man's poison!

One ship drives east, another drives west,
While the self-same breezes blow,
'Tis the set of the sails and not the gales
That bids them where they go. (Ella Wheeler Wilcox)

Philosophy is "What" we respond to; psychology is "Why" and "How" we respond to it. **Philosophy is the Message - Psychology is the Motive!** It would be an interesting exercise to ask each of you to write on a piece of paper one effect which Freemasonry has had in, and therefore hopefully, on your life. All these answers could then be given to our retiring Grand Master who undoubtedly will be looking for something to do now that he won't have to write the "Eyeopener" so that next year, at this time, he could come back and tell us what effect Freemasonry really has on its adherence within the Jurisdiction of the Grand Lodge of Canada in the Province of Ontario. Methinks, however, that this project will have to wait because our Grand Master has asked me to speak for two hours tonight so that he can make up for those absolutely fantastic sermons of mine which he has missed during the past two years.

Gentlemen, should you forget everything else, please remember this, there is a world of difference between joining Freemasonry and becoming a Free Mason.

Some men join without ever becoming! If you meet a man who tells you that he would like to join Freemasonry, hold him at arm's length. However, should you meet a man who tells you that he would like to become a Mason, extend to him a hand of friendship.

One of the most crucial questions ever asked of a Mason is, "Where were you prepared to be made a Mason?" I am basing my entire thesis this evening on the answer, "In my heart." For be well assured that nothing will ever happen either in a room adjoining the lodge, in the lodge itself, or anywhere else unless it has happened in the heart. We can pay our dues conscientiously; we can put as many badges on the bumpers of our cars; we can wear our Masonic rings, lapel pins and our cufflinks; we can join the Chapter; seek the highest point of the compass through either the Scottish or the York Rites, and still not be a Mason.

I joined Freemasonry in 1965, but it was some years after that I actually became a Mason. I was a Mason of feeling - I went to Lodge when I felt like it, I sat in the back row looking only semi-intelligent, just in case the Master had any thoughts of giving me some work to do. I wanted to belong, but I was not prepared to become. And then, at last, it dawned, slowly at first, then like a burst of sunlight I became aware that I could never really belong without becoming. It is only when we become a Mason that we really feel a sense of belonging to the Fellowship. I had called men "Brother" a long time before I felt the kindred spirit of Brotherhood within Masonry!

In his play "Morning Star," Paul Osborne places in the mouth of a 68 year old character these words: "What have I done with my life? Have I taken the right track? Should I go back again to the fork of the road and consider once more why I chose this particular path?" We should all be challenged by these words. Maybe we should all go back to that fork in the road and ask again, why did we choose this particular path. Has it been all we hoped for? Has it been more than we dreamed of? If so, then glory be! If not, then we had better ask - why? In Freemasonry, like any other aspect of life, there is no privilege without a parallel responsibility.

Becoming a Mason is a challenge to commitment. Commitment in terms of conviction; commitment in terms of cost. Many people, when they come to crossroads in life, find it very difficult to commit their ways to a specific direction because of these two factors:

- They are not totally convinced that this is the way to go;
- They are not prepared to pay the travel costs.

How many of our "Brethren" have you spoken to who, although members of the Craft, have never really discovered Masonry? How many times have you asked a fellow member of the lodge why he no longer comes out, only to receive the answer, "I don't see anything in it!" You cannot expect a man to go out to lodge if he has not really come in to Masonry. This kind of response rather reminds us of Peter Bell, one of the characters referred to by William Wordsworth in a poem by that title, in which he states of Peter Bell . . .

A primrose by a river's brim
 A yellow primrose was to him,
 And it was nothing more!
 The soft blue sky did never melt
 Into his heart; he never felt
 The witchery of the soft blue sky!

This surely is one of the saddest reflections on life, to be travelling the scenic route and see nothing except the white line in the middle of the road.

Way up in the crags of Snowdonia - the highest mountain in Wales - there is a group of rocks known to the locals as the Maiden of Snowdon. These rocks are shaped in such a way as to form the face of a woman. On my first visit to Snowdon I was told of this phenomenon but, as I looked, all that I could see was a bunch of rocks. People kept asking me, "Do you see it?" But I didn't! Again and again I looked but still only a bunch of rocks. Then I closed my eyes, blocked out the entire scene, and opened them afresh . . . and there it was, **the Maiden of Snowdon**, and from then on that is all my eyes could see - the face of the Lady of the Mountain.

If upon seeing a degree being exemplified, all you experience is the seeing of movements and the hearing of words, Masonry has not yet come alive to you. But when the symbols come to life and the allegory unveils itself, then you have put a face to Masonry.

If you have ever visited Australia and have travelled on the road between Sydney and Canberra, then you will surely have seen the tree! It is said to be the most perfectly shaped tree in the entire world. One large department store in Sydney - Davey Jones - uses the tree as its trademark, with the motto: "As long as we live, we grow." That may be true, but I would prefer to turn the motto around and say: "As long as we grow, we live!" Gentlemen, it is not sufficient to be planted into Masonry, we have to grow, otherwise we remain Peter Pan Masons. Robert Schuller, theologian and psychologist, exhorts us to "bloom where we are!" Each of us when we are born is planted into a little piece of ground. It may not be as cultivated and fancy as someone else's piece of ground, nevertheless it is here that we have been planted and it is here that we have to do our growing and our blooming. Some people, however, would always prefer to be somewhere else, doing something else. The one time in my Masonic life when I felt like that was during the official visit of the D.D.G.M. to King Solomon's Lodge in Toronto. We were exemplifying a first degree and I was the Junior Warden. It was one of those nights the old memory box would just not work. It seemed to me that everybody in the lodge knew the Junior Warden's lecture except me, at least so it would seem when everybody around the room proceeded to prompt me in my work. It was then that I recalled the words of a seminary professor when he said, "If you falter and stumble in the race, struggle on regardless until you reach the finishing line!" To the amazement of everyone in the lodge that evening, I took off at a tangent which visibly baffled and therefore silenced all my prompters. Having been all around the Masonic world, trying desperately to get back on track, I looked up and saw the four virtues. I was pardoned, saved! When the evening was over, the D.D.G.M. came to me and said, "Cerwyn, your display this evening was quite spectacular but tell me, what was it?" I looked him straight in the eye and with a serious note in my voice I asked him, "Have you heard of the Scottish Rite?" to which he readily nodded his head in the

affirmative. Then I asked, "Have you heard of the York Rite?" to which he again said that he had. "Well," said I, "what you heard tonight was the Welsh Rite!"

There are men who live out their lives wishing they were someone else - somewhere else - doing something else. Some people, however, spend their entire lives living in a fantasy world of "If only!" The things that they would do in life, "If only!" The success that they would make of life, "If only!"

There is a beautiful old American story told of two mountain men who sat on a log looking dreamily across the valley to a distant mountain range. One was a big set man, and the other a small, little fellow. The following conversation took place between them:

Little man: "I'll bet there's big bears in them thar hills."
 Big man: "Sure is."
 Little man: "I wish I was a big man like you. You know what I would do if I were a big man like you?"
 Big man: "What would you do?"
 Little man: "Go into them thar hills and catch me a big bear and I'd tear him from limb to limb. That's what I would do if only I were a big man like you."
 Big man: "There's plenty of little bears in them thar hills also!"

Some people, because they don't like the cards that life has dealt them, just will not play the game at all.

In youth, because I could not be a singer,
 I did not even try to write a song.
 I set no little trees beside the roadside,
 Because I knew their growth would take so long.
 But now from wisdom the years have brought me,
 I know that it may be a blessed thing
 To plant a tree for someone else to water,
 Or make a song for someone else to sing!

Brethren, we are not all destined to become the Grand Master of the Grand Lodge of Canada in the Province of Ontario, neither are we all destined even to become Grand Lodge Officers, but each one of us has a Masonic destiny - it is to be the very best Mason that we can be. No, we shall not all be called upon to conduct the Masonic Symphony but we are all called to play in the orchestra. The author of the *Desiderata* asks us to remember that there will always be greater and lesser men than ourselves. Success comes not in the achievement but in the endeavour! Nobody is a failure who has done his best!

Returning to the question we were asked before passing to the second degree - unless we can answer, "in my heart Worshipful Sir," we will never give Masonry of our best because we will never receive the best of Masonry.

Our basic question, then, remains: "What does Masonry do for us?" "How does Masonry affect us?" "What relevance does Masonry have in our lives?" Each one of us, of course, will have to answer this for ourselves but, for myself, let me say this

- it took me 14 years after I had joined Freemasonry to become a Freemason. The question now is not what took me so long, but rather what eventually influenced and inspired me to become a Mason, not only in a room adjoining Lodge, but in my heart?

Let me answer by telling you a story. A man, one day, walked along a road when he came across a person cutting stones. Stopping, he asked, "What are you doing?" to which the stone cutter replied, "I am cutting stones!" The traveller moved on and, a little further along the road, he met another person again cutting stones. Once more he asked of this stone cutter, "What are you doing?" To which he received the reply, "I am passing the time!" Our traveller proceeded on the road once more and, around the next corner, he comes across yet a third stone cutter of whom he asks the same question, "What are you doing?" The stone cutter, who was bent over his work, suddenly straightened his back, looked the enquirer in the eye and said, "I am building a cathedral!"

My last words, tonight, are, as long as we see ourselves as being mere stone cutters we will never make good Masons. As long as when we come to lodge we feel that we are merely filling time, we will never make good Masons, but when we begin to realize that we are a part of a plan, designed for the betterment of human society and for the glorification of the Great Architect of the Universe, we have truly arrived at a crucial point in our Masonic careers. Because now when we are asked the question, "Where were you first prepared to be made a Mason?" we can truly and unequivocally answer, "In my heart Worshipful Sir."

My brethren, I thank you.

DEPUTY GRAND MASTER'S THANKS TO R.W. BRO. DAVIES:

M.W. The Grand Master, R.W. Bro. R. Cerwyn Davies, Distinguished Head Table Guests and Brethren:

My first words must be ones to most sincerely and simply thank our guest speaker. It is difficult to find the words for an adequate thank you.

The obvious attention of the audience and the affectionate enthusiasm with which the speech was greeted is a reflection of the excellent quality of his Address. His thoughtfulness and sensitivity, that was such a wonderful ingredient of his term as Grand Chaplain, is shown in his words, making us again aware of individual respect, tolerance and compassion, and forces us to rethink our Freemasonry and what it does.

The speaker has not only imparted enthusiasm and inspiration, but also challenged us in a quiet and direct way. Maybe the good wishes of all members may be expressed by "*diolch yn fawr i ti. Am shirrard maenno. Pob bendith i ti.*" I hope my feeble grasp of Welsh has been understood, and that the guest speaker realizes that, although the words may be halting, the message of thanks is sincere and from the heart.

On behalf of all brethren present, it is my great honour to express our sincere thanks to R.W. Bro. R. Cerwyn Davies for an interesting and lively Address.
